

John Webster

**John Webster, Alexander Dyce**

## John Webster:

The Works of John Webster John Webster, Alexander Dyce, 1830      **The Works of John Webster** John Webster, Alexander Dyce, 1830      **The Art of John Webster** Ralph Berry, 2016-01-29 The Art of John Webster first published in 1972 is a study of the three extant plays of Webster known to be solely his work These plays are seen as attempts to achieve in literature the effects of the baroque a term which related Webster to the larger developments of European art Their content is analysed in terms of a consistent opposition between evil and the law The book seeks to re establish a base for the claims that must be made for Webster as a serious artist This title will be of interest to students of literature and drama      *The Works of John Webster* John Webster, Alexander Dyce, 1859      **The Works of John Webster** John Webster, 1995-10-26 This is the first of two volumes to appear in The Cambridge Edition of the Works of John Webster beginning with the plays The White Devil and The Duchess of Malfi While both of these plays are available in modernized versions the Cambridge edition incorporates the most recent editorial scholarship including valuable information on Webster s biography new critical methods and textual theory The edition also presents previously unpublished material such as a fragment of an otherwise lost play and a hitherto unknown poem in addition to a brief biography of Webster a history of the Webster canon and each play s reception history The following volume will include the other plays as well as the poems and prose      **The Complete Works of John Webster: General introduction. The white devil** John Webster, 1928

**Complete Works of John Webster** John Webster,      *The Selected Plays of John Webster* Jonathan Dollimore, Alan Sinfield, 1983-09-08 The plays of John Webster are read and seen more widely today than at any time since they were written provoking much disagreement in the process The continuing debate about his political religious and philosophical attitudes his formal skills and the importance of his plays for understanding the changing culture in which they were written make Webster the most controversial of all Jacobean dramatists This volume includes freshly collated fully annotated and cross referenced texts of his three best known plays together with introductions and a useful critical bibliography      **The dramatic works of John Webster, ed. by W. Hazlitt** John Webster, 1857      **The Dramatic Works of John Webster** John Webster, 1857      **The Dramatic Works of John Webster** John Webster, 1897      *John Webster's Vision of Moral Agency* W. Jeremy Jones, 2025-05-15 This book explores John Webster s contribution to one of the most important and contested topics in Christian theology the relationship between divine and human agency By examining the theme of moral ontology in Webster s constructive dogmatics this work sheds light on his contribution to this crucial subject Jones achieves this through close study of Webster texts ranging from his early middle and late periods He reveals that Webster s moral ontology is not only a major theme in his thought but is among his most significant contributions to contemporary systematic and moral theology As the first book length study of a central theme in Webster s ethics this text will be of interest to Webster scholars and those teaching courses in late modern systematic theology and theological ethics      **The Dramatic Works of John Webster** John

Webster,1857      **John Webster's Borrowing** R. W. Dent,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1960      **A Study Guide for John Webster's "The Duchess of Malfi"** Gale, Cengage Learning,2016 A Study Guide for John Webster s The Duchess of Malfi excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs      **The Works of John Webster** John Webster,1830      **"The" Dramatic Works of John Webster** John Webster,1857      *The Complete Works of John Webster* John Webster,1966      John Webster - The White Devil John Webster,2017-06-05 John Webster is known primarily for his two Jacobean tragedies The Duchess of Malfi and The White Devil Much of the detail and chronology of his life that led to these two pivotal works is however unknown His father a carriage maker also named John Webster married a blacksmith s daughter Elizabeth Coates on November 4th 1577 and it is likely that Webster was born within a year or two in or near London The family lived in St Sepulchre s parish Both his father and his uncle Edward Webster were Freemen of the Merchant Taylors Company and Webster attended Merchant Taylors School in Suffolk Lane London Some accounts say he began to study law but nothing is certain although there are some legal aspects to his later works to suggest this may have been so By 1602 Webster was employed working as part of various teams of playwrights on history plays though unfortunately most were never printed and therefore do not survive These include a tragedy Caesar s Fall written with Michael Drayton Thomas Dekker Thomas Middleton and Anthony Munday and a collaboration with Thomas Dekker Christmas Comes but Once a Year 1602 This factory line assembly of plays may seem rather odd to us today but plays then ran for much shorter durations and consequently a steady supply had to be assured Webster s relationship with Dekker seems to have been a good one Together they wrote Sir Thomas Wyatt printed in 1607 although it is thought first performed in 1602 and two city comedies Westward Ho in 1604 and Northward Ho in 1605 It seems Webster also adapted in 1604 John Marston s The Malcontent for staging by the King s Men On March 18th 1606 Webster married the 17 year old Sara Peniall at St Mary s Church Islington Sara was 7 months pregnant and marrying during Lent required the issuing of a special permit hence the certainty of the date Their first child John was baptised at the parish of St Dunstan in the West on March 8th 1606 Records show that on the death of a neighbour who died in 1617 several bequests were made to the Webster family and it is therefore thought that other children were born to the couple Despite his ability to write comedy and to collaborate with others Webster is remembered best for his sole authorship on two brooding English tragedies based on Italian sources The White Devil retells the intrigues involving Vittoria Accoramboni an Italian woman assassinated at the age of 28 It was performed at

the open air Red Bull Theatre in 1612 but was unsuccessful perhaps being too high brow for a working class audience In 1614 The Duchess of Malfi was first performed by the King s Men most probably in the indoor Blackfriars Theatre and to a more high brow audience It proved to be more successful The play Guise based on French history was also written but him but no text has survived Webster wrote one more play on his own The Devil s Law Case c 1617 1619 a tragicomedy He continued to write thereafter but always in collaboration and usually city comedies Anything for a Quiet Life c 1621 with Thomas Middleton and A Cure for a Cuckold c 1624 with William Rowley In 1624 he also co wrote a topical play about a recent scandal Keep the Widow Waking with John Ford Rowley and Dekker The play itself is lost although its plot is known from a court case There is also some certainty that he contributed to the tragicomedy The Fair Maid of the Inn with John Fletcher John Ford and Phillip Massinger His Appius and Virginia was probably written with Thomas Heywood and is of uncertain date It is believed mainly from Thomas Heywood s Hierarchie of the Blessed Angels licensed 7 November 1634 that speaks of him in the past tense that John Webster had died at some point in that year of 1634

**A Companion to the Theology of John Webster** Michael Allen,R. David Nelson,2021-06-10 An overview and analysis of John Webster s seminal contributions to Christian theology At the time of his death John Webster was widely hailed as one of the leading Christian theologians in the world Over the course of three decades he produced groundbreaking studies on the theologies of Eberhard J ngel and Karl Barth and especially since the turn of the millennium numerous books and essays on various themes in Christian dogmatics He then intended to write an encyclopedic systematic theology a project he was unable to complete No substitute is possible for that lost opus but the contributors offer this volume as an homage to Webster and an aid to those who want to learn from him A Companion to the Theology of John Webster begins with an introductory section on Webster s theological development then continues into an extensive overview of Webster s contributions to contemporary discussions of particular doctrines An epilogue suggests how Webster s theology might have unfolded had he lived longer and imagines the continuing influence of his work on the enterprise of Christian dogmatics Readers hoping to understand the legacy of this great theologian and also those eager for fresh insights into the present state and future trajectories of contemporary Protestantism will find much to offer here

Getting the books **John Webster** now is not type of challenging means. You could not isolated going like ebook store or library or borrowing from your links to log on them. This is an categorically easy means to specifically acquire guide by on-line. This online notice John Webster can be one of the options to accompany you in the manner of having additional time.

It will not waste your time. understand me, the e-book will entirely proclaim you other situation to read. Just invest tiny period to admittance this on-line publication **John Webster** as with ease as evaluation them wherever you are now.
