**Movie Lists** Paul Simpson, 2011-05-26 Action African greats alcohol Robert Altman aliens Woody Allen Pedro Almodovar Robert Altman animated anime apocalypses Argentina art Asia minor avant garde And that's just A for you A taste of this fabulously quirky and enjoyable book which is both a celebration of movies and movie trivia and a handy entertaining guide to films that we know you will enjoy It is fantastically functional The lists are well conceived and easy to understand mostly assembled by genre actor director theme or country of origin and the reviews are witty and informative Oddly enough most movie guides are not full of recommendations But Movie Lists is in spades leaving readers in no doubt that the films reviewed are the business Oh and you don't have to watch them all before you die There is no premise

**Making Asian American Film and Video** Jun Okada, 2015-03-06 The words Asian American film might evoke a painfully earnest low budget documentary or family drama destined to be seen only in small film festivals or on PBS Public Broadcasting Service In her groundbreaking study of the past fifty years of Asian American film and video Jun Okada demonstrates that although this stereotype is not entirely unfounded a remarkably diverse range of Asian American filmmaking has emerged Yet Okada also reveals how the legacy of institutional funding and the PBS style unites these filmmakers whether they are working within that system or setting themselves in opposition to its conventions Making Asian American Film and Video explores how the genre has served as a flashpoint for debates about what constitutes Asian American identity Tracing a history of how Asian American film was initially conceived as a form of public interest media part of a broader effort to give voice to underrepresented American minorities Okada shows why this seemingly well intentioned project inspired deeply ambivalent responses In addition she considers a number of Asian American filmmakers who have opted out of producing state funded films from Wayne Wang to Gregg Araki to Justin Lin Okada gives us a unique behind the
