Where s My Miracle What to do when God doesn t heal you Nothing can describe the horror of hearing doctors say You will never walk or use your hands again Or You have cancer I m afraid it s terminal Like many people you look to the Lord and pray for healing You have friends and the pastor pray for you but nothing happens You read Scripture and claim the promises You even have someone anoint you with oil or go to a healing crusade But God doesn t give you your miracle You confess every possible sin and search your heart for any unconfessed sin Your faith is strong and you tell everyone you will be healed yet nothing seems to happen You feel that God is playing a cruel joke or start to blame yourself for a lack of faith And that s a shame when Christians feel that way The truth is that God certainly can heal and sometimes does heal people in a miraculous way But the Bible does not teach that he will always heal those who come to him in faith The big question is What does the Bible REALLY teach about healing The key is to understand God s ultimate goal for your life You need to Find joy in knowing God s priorities for your life Know the comfort of the biblical promises Enthusiastically embrace God s will for your life You can find the joy of serving God despite unanswered prayer in this 14 page pamphlet In just 30 minutes or less you will unlock the door to a new attitude toward life The topic of unanswered prayer is an issue that author Joni Eareckson Tada can speak to personally A diving accident in 1967 when she was 17 left her a quadriplegic She has lived 45 years in a wheelchair and she has experienced her share of ups and downs But she says oh the difference the grace of God has made in my life Let Joni tell you her secrets to peace and joy despite her wheelchair She has spent decades studying the Word of God She knows that

Really Good Human Dwight J. Olney, 2021-12-31 Humanity s biggest problem may be its least recognized the tendency to imagine God as an extraordinarily good version of ourselves If we fail to properly understand our Maker s nature we have the potential to do many things wrong When we picture God as merely a really good human we become less concerned about our sinful habits and more likely to doubt or malign him in the face of seemingly undeserved suffering And when we fashion God in our image instead of the other way around our theology in general and the counsel we extend to those who suffer becomes weak We naturally have a diluted view of God s deity The Book of Job not only traces a great man s struggle to overcome this problem in his own life but also beckons us to join in the fray to defeat this faulty and extremely dangerous vestige of fallen human consciousness **A Preacher's Tale** Jon Russell, 2018-02-23 Many clergy receive little training in the arts of

preaching and it is assumed that they will learn by gaining experience The renowned American preacher Herbert O Driscoll suggests that congregations do not want to be given a map showing them how to get to the coast they want to be drenched in the spray Narrative preaching is a means of achieving such immediacy By dramatic story telling it invites listeners into enter the text imaginatively and enables them to experience sermons as transformative events This book aims to provide not just a theoretical introduction but a resource that uses sermons in the narrative style to reflect on how to prepare and construct them and how to deliver them effectively in the context of worship **In Her Own Time** Jeanne Stevenson
