Jordan Matthew Teller, 2002 THE ROUGH GUIDE TO JORDAN is the essential handbook to the Middle East s most alluring destination Features include Full colour section introducing Jordan s highlights Detailed accounts of all the sights and attractions including the ancient city of Petra the Red Sea resort of Aqaba and the desert cliffs of Wadi Rum Up to the minute reviews of the best places to eat drink and stay in all price ranges Practical guidance on experiencing the unspoilt natural environment from diving in the Red Sea to trekking and wildlife spotting plus informed background on history religion art politics and nature Maps and plans for every region

River Jordan Rachel Havrelock, 2011-12 As the site of several miracles in the Jewish and Christian traditions the Jordan is one of the world s holiest rivers It is also the major political and symbolic border contested by Israelis and Palestinians Combining biblical and folkloric studies with historical geography Rachel Havrelock explores how the complex religious and mythological representations of the river have shaped the current conflict in the Middle East Havrelock contends that the intractability of the Israeli Palestinian conflict stems from the nationalist myths of the Hebrew Bible where the Jordan is defined as a border of the Promised Land Both Israelis and Palestinians claim the Jordan as a necessary boundary of an indivisible homeland Examining the Hebrew Bible alongside ancient and modern maps of the Jordan Havrelock chronicles the evolution of Israel s borders based on nationalist myths while uncovering additional myths that envision Israel as a bi national state These other myths she proposes provide roadmaps for future political configurations of the nation Ambitious and masterful in its scope River Jordan brings a fresh provocative perspective to the ongoing struggle in this violence riddled region

Israel, Jordan, and Palestine Asher Susser, 2012 A Crown Center for Middle East Studies Book

Mapping Jordan Through Two Millennia John R. Bartlett, 2017-07-05 This book shows how travellers and scholars since Roman times have put together their maps of the land east of the River Jordan It traces the contribution of Roman armies and early Christian pilgrims and medieval European travellers Crusading armies learned scholars like Jacob Ziegler sixteenth century mapmakers like Mercator and Ortelius eighteenth century travellers and savants and nineteenth century biblical scholars and explorers like Robinson and Smith culminating in the late nineteenth century surveyors working for the Palestine Exploration Fund This original and valuable book shows with full illustrations how maps of the Transjordan region developed through the centuries and with its detailed tables and bibliography will aid future scholars in further research The author took part in archaeological excavations and surveys in Jordan was Associate Professor of Biblical Studies and Fellow at Trinity College Dublin has published research papers and books on ancient Jordan John Bartlett was the editor of the Palestine Exploration Quarterly and until recently was the Chairman of the Palestine Exploration Fund

Jordan Peter Gubser, 2022-10-30 First published in 1983 *Jordan Crossroads of Middle Eastern Events* examines Jordan s unique role in the Middle East Arab Israeli conflict focusing also on its attempt and partial success at developing its economy and society in the face of a dearth of natural resources and a large influx of refugees Woven throughout the narrative is the role of King Hussain a singular Arab ruler master player on both the Middle Eastern and world stages even though his country lacks significant assets or power in either those arenas Peter Gubser describes Jordan s people culture history and social structure then looks at how the country buffeted in the tumultuous Middle East hampered by limited internal political development and strained by its rapid transition from a peasant Bedouin economy to one dominated by refugee problems has moved forward to a much sounder economy based on diversification in agriculture industry mineral extraction and services The author argues that Jordan once almost entirely depended on the West for economic largess as well as for political support now has major Arab sources of assistance and is reorienting its foreign policy accordingly This is a must read for scholars and researchers of Middle East studies Middle East history and Middle East politics
