

# Jordan A Country Study

**Richard F. Nyrop**

## **Jordan A Country Study:**

*Jordan* Richard F. Nyrop, 1987-03-01 **Jordan, a Country Study** American University (Washington, D.C.). Foreign Area Studies, 1980 *Jordan, a Country Study* Helen Chapin Metz, 1991 *Jordan Country Study Guide Volume 1 Strategic Information and Developments* IBP, Inc, 2012-03-03 *Jordan Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments* **Jordan, a Country Study** United States. Department of the Army, 1991 **Jordan** Richard F. Nyrop, 1979 **Jordan** Richard F. Nyrop, 1980 **Jordan** Beverley Milton-Edwards, Peter Hinchcliffe, 2001 This volume offers an overview of the history politics and economics of this fascinating country its main focus being on King Hussein's reign his quest to modernise his internal struggle with the Palestinians and his pursuit of peace in the area **Jordan** Alan George, 2013-07-18 Jordan has played a bigger role in Middle Eastern affairs than its size and economy might warrant due to its huge Palestinian population its strategic location between Israel the West Bank Syria and Iraq and its uniquely close relationship with successive British and US administrations Drawing on numerous visits to the country and interviews with a diversity of people from King Abdullah down Alan George describes how its reasonably stable monarchical system unlike that in most Arab countries has allowed the halting development of civil society and maintained control through the skilful co option of opponents rather than heavy handed reliance on its secret police What is daily life like How do its parliamentary system and political parties work How free are the media What are the future prospects of this buffer state without a nation *Jordan - a Country Study* United States. Department of the Army, 1991 **Jordan** American University (Washington, D.C.). Foreign Area Studies, 1980 *Building Regional Security in the Middle East* Emily B. Landau, Tamar Malz, Zeev Maoz, 2004-11-23 Discussions on regional security were initiated in the Middle East in 1992 as part of the Middle East peace process The collapse of the Oslo process and other regional developments in the latter half of the 1990s have diminished hopes that the initial gains made in this direction might further develop as violence has again become the primary mode of effecting political changes in the region On the backdrop of this somewhat dismal current reality in the Middle East the rationale for this volume is that research into regional security structures should nevertheless be pursued When looking at the long term process of creating regional security setbacks are not unlikely The articles that make up this collection focus on the problems that have been encountered and possible directions for getting regional efforts back on track A special issue of the Journal of Strategic Studies *The Near East since the First World War* Malcolm Yapp, 2014-10-17 This clear balanced and authoritative survey of the history of the region is now fully up to date again The text contains a general regional introduction followed by a series of country by country analyses and a section which places the Near East in the international context Professor Yapp's new edition covers recent dramatic events including the end of the Cold War the Kuwait Crisis of 1990 91 and the continuing conflict in Israel as well as assessing the huge social and economic changes in the region It will be essential reading for students and scholars concerned with modern middle eastern

history and politics of the middle east      **Introduction to the Middle East** Rathnam Indurthy,2023-08-29 The Middle East is the center of three great ancient civilizations Egyptian Babylonian and Persian It is also the seat of four monotheistic religions Judaism Zoroastrianism Christianity and Islam Because of the strategic location between the West and the East the Middle East since the early nineteenth century became the fulcrum of competition among and between great powers including Czarist Russia and it became intensified with the outbreak of the Cold War the end of the World War II between the two superpowers the US and the Soviet Union and with the creation of Israel in 1948 and the discovery of oil And it remains as such even after the collapse of the Soviet Union in 1991 The region became an epicenter of the Arab Israeli conflict Islamic fundamentalism Islamic terrorism irredentism and sectarian wars The region remains politically unstable and unpredictable given the fact it is run by autocratic regimes and dynastic monarchies except for Israel a functioning democracy So the purpose of this work is to introduce students and the general readers to this region s history the founding of Islam its spread and split the Ottoman Empire and its fall the Western colonization and its end and the emergence of independent Arab states The also work examines the domestic regional and international of nine countries the frontline and the Persian Gulf states in the context of the Arab Israeli conflict in terms of its impact and nonimpact over them with the exception of Turkey An understanding of the region hopefully should help us deal with the vicissitudes and the complexities given our dependence on the region s oil and the sea shipping through the Suez Canal and the Persian Gulf

**Understanding Jordan Today** Laura Perdeu,2020-05-11 Understanding Jordan Today is an accurate and contemporary presentation that explores the Middle Eastern nation of Jordan with a focus on the country as it is today current issues culture and lifestyle The book is written in an easy to read enjoyable narrative form for elementary readers grades 3 6 The Jordan title includes a native recipe and craft for students to create Elementary students are encouraged to consider evidence from informational texts to support analysis reflection and research Series titles have been developed to address many of the Common Core specific goals higher level thinking skills and progressive learning strategies for middle grade level students      **Jordan in the 1967 War** Samir A. Mutawi,2002-07-18 This study considers the war from the Jordanian perspective

**The Grants Register 2016** Palgrave Macmillan Ltd,2016-12-27 The most comprehensive guide on postgraduate grants and professional funding globally For thirty four years it has been the leading source for up to date information on the availability of and eligibility for postgraduate and professional awards Each entry is verified by its awarding body and all information is updated annually      *Transcultural Nursing - E-Book* Joyce Newman Giger,Yolanda M. Powell-Young,2024-05-20 Provide quality care for clients from culturally diverse backgrounds Transcultural Nursing 9th Edition shows you how to apply assessment and intervention strategies to individuals from a variety of different cultures Based on Giger and Davidhizer s unique transcultural model this text helps you deliver culturally sensitive care with use of the six key aspects of cultural assessment communication time space social organization environmental control and biologic

variations Practical real world coverage shows how an understanding of cultural variations and individual patient needs will help you promote safe and effective care UPDATED Content throughout reflects the latest research and thinking related to transcultural nursing as well as updated Census data UPDATED Cultural chapters reflect the shifting experiences of cultural groups in our society NEW Jamaican Americans chapter addresses the unique cultural and healthcare needs of this population UNIQUE Individual chapters on the six key aspects of cultural assessment allow you to also apply the Transcultural Assessment Model to cultures not covered in the text Twenty four chapters on specific cultural groups apply this assessment model to the clients most commonly encountered in United States healthcare settings Case studies and critical decision making questions in each chapter help you apply the assessment framework in practice Client care plans in culture specific chapters demonstrate how to apply principles to specific client needs Coverage includes information on biological differences among individuals of different racial groups differences in drug interaction and metabolism specific to various ethnic groups and clustering of certain pathologies in specific racial groups Discussions of spirituality throughout the text present a holistic approach to culture and beliefs that provides a more integrated approach to assessment Review questions in each chapter with answers found in the back of the text help reinforce knowledge

**The Political Economy of Market Reform in Jordan** Timothy J. Piro,1998 This volume moves beyond traditional studies of Jordan s politics to explore the interplay between politics and economy Examining the phenomenon of market reform in the developing world Timothy J Piro assesses the state s contradictory impulses toward privatization and continued state intervention in the economy Drawing on a wealth of primary materials the author illuminates the kingdom s unique politics and argues that market reform is dependent on domestic rather than international political structures

**The Political Economy of Energy Subsidy Reform** Gabriela Inchauste,David G. Victor,2017-03-22 This book proposes a simple framework for understanding the political economy of subsidy reform andapplies it to four in depth country studies covering more than 30 distinct episodes of reform Five key lessons emerge First energy subsidies often follow a life cycle beginning as a way to stabilize pricesand reduce exposure to price volatility for low income consumers However as they grow in size and politicalpower they become entrenched Second subsidy reform strategies vary because the underlying political economy problems vary When benefits are concentrated satisfying or isolating interest groups withalternative policies is an important condition for effective reform When benefits are diffuse it can be muchharder to identify and manage the political coalition needed for reform Third governments vary in theiradministrative and political capacities to implement difficult energy subsidy reforms Fourth improvementsin social protection systems are often critical to the success of reforms because they make it possible totarget assistance to those most in need Finally the most interesting cases involve governments that take astrategic approach to the challenges of political economy In these settings fixing energy subsidies is centralto the governments missions of retaining political power and reorganizing how the government deliversbenefits to the population

These cases are examples of reform engineering where governments actively seek to create the capacity to implement alternative policies depoliticize tariffs and build credibility around alternative policies The most successful reforms involve active efforts by policy leaders to identify the political forces supporting energy subsidies and redirect or inoculate them
