Just One Simair Story Rich Schaffer, 2012-10-24 Rich Schaffer served the Lord for 20 years as a missionary pilot with the Sudan Interior Mission in Nigeria West Africa Harold Fuller wrote Great stuff Rich You have a very interesting writing style reconstructing conversation describing vividly building suspense Were enjoying the chapters as you send them I knew you were an accomplished pilot but had no idea of your writing skills Glad you are now using them Flying with Rich at the controls was always okay Although my heart at times pounded as the tiny Cessna faced a threatening tropical storm I knew this matter of fact guy of few words had the courage and professional experience to find a hole through or around the thunderheads and bring us out safely on the other side And Rich always acknowledged that the Lord had given him the qualities that made him a top rate pilot for Africas uncertain weather and questionable landing strips In this story about SIMAIR Rich takes the reader through many an adventure that showed Gods hand to be on the Mission aircraft and its occupants With vivid description and homey dialogue Rich weaves an honest account how God took a little boy from a tarpaper shack in Americas Midwest and made him part of a team who brought the Gospel to the neglected interior of West Africa fulfilling his boyhood dream of flying Down to earth humor growing pains high adventure finding God in dry season and rainy season tempest Rich holds the readers attention from page one to the storys end W Harold Fuller Lit D SIM Nigeria Director for several years of the Shaffers ministry **His Story** Jeffrey L. Walling, 2017-11-14 There is an ongoing battle in regard to the authenticity of Gods Word raging in our homes and communities not between science and the Bible but rather between humanistic atheistic theology and Christianity This publication seeks to cover the gambit of historical and scientific evidence from A to Z that could be used as a textbook for Christian educators Our churches are not teaching this in their Sunday schools Christian schools and homeschoolers are not getting this on chalkboards Parents dont have the resources or tools to prepare and protect their teenagers heading into secular high schools and colleges from the onslaught of anti Christ teachings The scripture says in Hosea 4:6 My people are destroyed for lack of knowledge because thou hast rejected knowledge I will also reject thee that thou shalt be no priest to me seeing thou hast forgotten the law of thy God I will also forget thy children As an added benefit students going into high school reading this book who have not decided what field of study they are interested in will get an opportunity to be exposed to several areas of interest Fields of study that include geology literary analysis genomics anthropology archaeology paleontology zoology meteorology genealogy astronomy earth sciences evolution and biblical studies are all interrogated to a significant depth The Story Susan Johnson, 2019-11-21 After so much pain and sorrow Alexia had found the love of her life Life had finally smiled at her Theo was everything she could have asked for But then without a warning the rug was pulled out from under her feet Her faith her love her strength all under fire at once Would she sink or swim Would hers be just another story The Famous Story Magazine David Arnold Balch, 1926 **His Story** Stuart Hacking, 2014-08-18 We all love stories whether printed passed

down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn't oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here *The Story of Georgia and the Georgia People, 1732 to 1860* George Gilman Smith, 1900 The Story of Georgia and the Georgia People 1732 To 1860 by George Gilman Smith first published in 1900 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **A Frontier Knight: A Story of Early Texan Border-Life** Amy Ella Blanchard, 2011-01-01 THE sun was shining gloriously across level
