*Joseph Conrad and His Characters* Richard Curle,1968

**Postmodern Characters** Aleid Fokkema,2024-08-26

**Institutional Character** Robert Higney,2022-07-19

How do our institutions shape us and how do we shape them From the late nineteenth century era of high imperialism to the rise of the British welfare state in the mid twentieth century the concept of the institution was interrogated and rethought in literary and intellectual culture In *Institutional Character* Robert Higney investigates the role of the modernist novel in this reevaluation revealing how for a diverse array of modernist writers character became an attribute of the institutions of the state international trade communication and media labor education public health the military law and beyond In readings of figures from the works of E M Forster Joseph Conrad and Virginia Woolf to Mulk Raj Anand Elizabeth Bowen and Zadie Smith Higney presents a new history of character in modernist writing He simultaneously tracks how writers themselves turned to the techniques of fiction to help secure a place in the postwar institutions of literary culture In these narratives addressing imperial administrations global financial competition women s entry into the professions colonial nationalism and wartime espionage we are shown the generative power of institutions in preserving the past designing the present and engineering the future and the constitutive involvement of individuals in collective life

The Complete Sea Tales of Joseph Conrad Joseph Conrad,2023-12-31 In *The Complete Sea Tales of Joseph Conrad* the reader is immersed in a masterful collection of narratives that explore the intricate interplay between man and the sea Conrad s unique literary style characterized by a rich introspective prose and a profound psychological depth paints vivid scenes of maritime adventures and existential struggles Set against the backdrop of a changing world these tales draw upon the author s firsthand experiences at sea often reflecting themes of isolation moral ambiguity and the relentless forces of nature that shape human destiny The collection stands as a testament to the late 19th and early 20th century maritime literature pushing the boundaries of storytelling into an evocative exploration of the human condition Joseph Conrad born in Poland in 1857 became one of literature s most influential novelists profoundly shaped by his own experiences at sea His career as a seaman and ship captain informs the authenticity and intensity of his maritime tales Through voyages in different cultures he developed a keen understanding of the complexities of existence and the psychological nuances of human relationships which permeate his works Conrad s struggles with language and identity also echo throughout his writing adding layers of depth to his characters journeys For readers seeking an exploration of the human spirit against the elemental backdrop of the ocean *The Complete Sea Tales of Joseph Conrad* is an indispensable collection It appeals not only to lovers of maritime literature but also to those intrigued by profound philosophical questions and psychological insight This anthology invites readers to engage with Conrad s legacy making it a vital addition to any literary library

**Conrad's Popular Fictions** Andrew Glazzard,2016-01-26 Detectives police informers spies and spymasters anarchists and terrorists swindlers these are the

character types explored in Conrad's Popular Fictions This book shows how Joseph Conrad experimented creatively with genres such as crime and espionage fiction and sheds new light on the sources and contexts of his work Character and Background in Conrad Betty Bishop Van Baaren, 1958 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **A Conrad Companion** Norman Page, 2016-01-27 The Bellman, 1908 The Art of Character David Corbett, 2013-01-29 Former private investigator and New York Times notable author David Corbett offers a unique and indispensable toolkit for creating characters that come vividly to life on the page and linger in memory Corbett provides an inventive inspiring and vastly entertaining blueprint to all the elements of characterization from initial inspiration to realization with special insights into the power of secrets and contradictions the embodiment of roles managing the tyranny of motive and mastering crucial techniques required for memorable dialogue and unforgettable scenes This is a how to guide for both aspiring and accomplished writers that renders all other books of its kind obsolete **The Continuing Characters in the Stories of Joseph Conrad** Maude Antoinette Dickinson, 1925 Modern Character Julian Murphet, 2024-03-05 In this groundbreaking and comprehensive study Julian Murphet examines how dramatists and prose writers at the turn of the twentieth century experimented with new forms of modern character Old truisms of character such as consistency depth and verisimilitude are eschewed in favour of inconsistency bad faith and fragmentation The Character of Criticism Geoffrey Galt Harpham, 2013-10-28 Why are some critical texts more compelling memorable or engaging than others Can criticism be judged as a discourse of description explanation and analysis alone or do our evaluations reflect other kinds of investments in it In this book Geoffrey Galt Harpham argues that the most powerful and effective criticism demands to be read as an expression of a distinctive sensibility a way of being in the world it demands in other words to be read as a discourse of character Through a series of detailed and intimate intellectual portraits of leading critics Elaine Scarry Martha Nussbaum Slavoj Žižek and Edward Said Harpham unfolds the complex and indirect ways in which human character is expressed in criticism A final chapter on Criticism in a State of Terror assesses the contemporary situation The Character of Criticism represents not just a snapshot of contemporary criticism but a fresh approach to criticism itself that clarifies the stakes involved for writers and readers of criticism alike It does so not by making difficult thinking easy but by making it stranger more idiosyncratic exotic and singular **A Conrad Chronology** Owen Knowles, 1990-01-05 This chronology is designed to

provide a digest of Conrad's life as it develops from year to year. It is written as a series of diary or chronicle entries and thus caters for the reader who may wish to check a single fact. The main contents are supplemented by a Who's Who and indexes.

**The Ruling Passion** Christopher Lane, 1995. In *The Ruling Passion* Christopher Lane examines the relationship between masculinity, homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century. Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire, this book presents a counterhistory of the empire's many layers of conflict and ambivalence. Through attentive readings of sexual and political allegory in the work of Kipling, Forster, James, Beer, Boehm, Firbank and others, and deft use of psychoanalytic theory, *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure, power and mastery, intimacy and antagonism. By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive, *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis. Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery. Conrad Daniel R. Schwarz, 1982-06-18

**A Conrad Chronology** O. Knowles, 2014-12-16. Newly revised and enlarged, the second edition of *A Conrad Chronology* draws upon a rich range of published and unpublished materials. It offers a detailed factual record of Joseph Conrad's unfolding life as seaman and writer as well as tracing the compositional and publication history of his major works.

**Embodied Imagination** Chidambaram Ramesh, 2023-06-05. The science behind the writer's experience of characters developing their own will and taking objective forms. Many writers have the experience that their characters have evolved their own personalities. They start to tell their own stories and sometimes they could even rebel against the author's ideas for them and change the course of the whole plot. That is not all though. Sometimes literary characters assume objective appearances which are visible not just to the creators but also to others and manifesting in the real world. These experiences raise several interesting philosophical and scientific questions. Have the writers unwittingly created quasi-conscious entities by the power of their minds? Can thoughts manifest as something tangible that can be seen, heard or even touched? How genuine are the contents of the mind? *Embodied Imagination* explores these questions, highlighting the results of an investigation on this fascinating topic stemming from personal anecdotes of many writers. Providing scientific evidence for the existences of these mental constructs, the goal is to collect robust and reliable building blocks that may help to deconstruct perceptions and provide answers to this phenomenon. The book attempts to give modern science a place where spiritual, philosophical and mystical threads can be interwoven. Efforts have been made to corroborate theoretical claims with experimental evidence contributing to research in cognitive psychology to determine the role of imagination in creating external reality. This book will introduce you to the mysterious and profound part of creative writing that you never knew existed before. The Short Story Charles May, 2013-10-14. The short story is one of the most difficult types of prose to write.

and one of the most pleasurable to read From Boccaccio's Decameron to The Collected Stories of Reynolds Price Charles May gives us an understanding of the history and structure of this demanding form of fiction Beginning with a general history of the genre he moves on to focus on the nineteenth century when the modern short story began to come into focus From there he moves on to later nineteenth century realism and early twentieth century formalism and finally to the modern renaissance of the form that shows no signs of abating A chronology of significant events works and figures from the genre's history notes and references and an extensive bibliographic essay with recommended reading round out the volume
