Joseph Ramee International Architect Of The Revolutionary Era:

Joseph Ramée Paul Venable Turner,1996-07-13 This is the first indepth study of an architect and landscape designer forgotten in scholarship as a result of the precarious historical circumstances in which he pursued his career Forced to flee France during the Revolution Ram e spent his life as a nomad working in Belgium Saxony Hamburg Denmark Mecklenburg Schwerin and the United States Staying only briefly in most places he was often forgotten and his works subsequently attributed to other architects In this reconstruction of his career Paul Turner demonstrates how Ram e in the process of his travels transmitted innovations from country to country and created a unique synthesis of the design currents of the Neo Classical Age This study the result of a decade of research brings to light not only Ram e s lost works but also his relationships with diverse clients including aristocrats merchants poets educators American land developers and others

The Pantheon , Modern Architectural Theory Harry Francis Mallgrave,2009-07-13 Modern Architectural Theory is the first book to provide a comprehensive survey of architectural theory primarily in Europe and the United States during three centuries of development In this synthetic overview Harry Mallgrave examines architectural discourse within its social and political context He explores the philosophical and conceptual evolution of its ideas discusses the relation of theory to the practice of building and most importantly considers the words of the architects themselves as they contentiously shaped Western architecture He also examines the compelling currents of French rationalist and British empiricist thought radical reformation of the theory during the Enlightenment the intellectual ambitions and historicist debates of the nineteenth century and the distinctive varieties of modern theory in the twentieth century up to the profound social upheaval of the 1960s Modern Architectural Theory challenges many assumptions about architectural modernism and uncovers many new dimensions of the debates about modernism *The Domestic Architecture of Benjamin Henry Latrobe* Michael W.

Fazio,Patrick A. Snadon,2006-06-19 Publisher description *The Pantheon* Tod A. Marder,Mark Wilson Jones,2015-06-17 The Pantheon is one of the most important architectural monuments of all time Thought to have been built by Emperor Hadrian in approximately AD 125 on the site of an earlier Agrippan era monument it brilliantly displays the spatial pyrotechnics emblematic of Roman architecture and engineering The Pantheon gives an up to date account of recent research on the best preserved building in the corpus of ancient Roman architecture from the time of its construction to the twenty first century Each chapter addresses a specific fundamental issue or period pertaining to the building together the essays in this volume shed light on all aspects of the Pantheon s creation and establish the importance of the history of the building to an understanding of its ancient fabric and heritage its present state and its special role in the survival and evolution of ancient architecture in modern Rome **The Oxford Dictionary of Architecture** James Stevens Curl,Susan
