The Joseph Smith Papyri; Part 2 Dee Jay Nelson,1968 *Joseph Smith and the Origins of The Book of Mormon, 2d ed.* David Persuitte,2010-07-27 Just as a growing interest in millennialism at the turn of this century has rejuvenated religious debate and questions concerning the fate of the world so did Mormonism develop from millennial enthusiasm early in the nineteenth century Joseph Smith the founder of Mormonism and a provocative even controversial figure in history declared that he had been given the authority to restore the true church in the latter days The primary source of Smith s latter day revelation is The Book of Mormon and to fully understand his role as the founder of the Mormon faith one must also understand The Book of Mormon and how it came to be Unfortunately the literature about Joseph Smith and The Book of Mormon is permeated with contradiction and controversy In the first edition of this impressive work David Persuitte provided a significant amount of revealing biographical information about Smith that resolved many of the controversies concerning his character He also presented an extensive comparative analysis positing that the probable conceptual source for The Book of Mormon was a book entitled View of the Hebrews or the Tribes of Israel in America which was written by an early New England minister named Ethan Smith Now in an expanded and revised second edition incorporating many new findings relating to the origin of The Book of Mormon Mr Persuitte s book continues to shed much new light on the path Joseph Smith took toward founding the Church of Jesus Christ of Latter day Saints **The Prophet Joseph Smith** C. Paul Smith,2019-04-10 Joseph Smith Prophet and the founder of The Church of Jesus Christ of Latter day Saints continues to be the subject of adulation by many but he is the object of derision by some Mormon critics C Paul Smith an experienced trial attorney and strong defender of Joseph Smith highlights six historical and doctrinal issues pertaining to the prophet that remain the subject of debate plural marriage the succession of leadership following his death the stories of three splinter churches that broke off from the church founded by Joseph Smith the Book of Abraham blacks and the priesthood and six alleged false prophecies made by Joseph Smith The chapters on plural marriage give a concise history of key events of its introduction as a part of the restoration of the gospel of Jesus Christ The chapter on the Book of Abraham scrutinizes and exposes the fatal flaws in the arguments made by some Egyptologists that Joseph Smith s translation of the Book of Abraham is a fabrication The chapter on blacks and the priesthood analyzes race relations in the 20th century and it reviews some lesser known statements by Joseph Smith The chapter on three LDS splinter churches provides important historical insights about three organizations that broke away from the Church in 1844 1852 60 and 1863 With debate still swirling around Joseph Smith it is more important than ever to understand the truth about him in order to appreciate the quality of who he was and the great importance of his work **The message of the Joseph Smith papyri** Hugh Nibley,1975 *ANNUAL EGYPTOLOGICAL BIBLIOGRAPHY* 1973 L. Crane,Charles A. Crane,2011-03-22 Mormon Prophet and Tenth President Joseph Fielding Smith once said Mormonism as it is called must stand or fall on the story of Joseph Smith He was either a prophet of God divinely called properly appointed and commissioned or he was one of the biggest frauds this world has ever seen There is no middle ground If Joseph Smith was a deceiver who willfully attempted to mislead the people then he should be exposed his claims should be refuted and his doctrines shown to be false The doctrines of false teachers will not stand the test when tried by the accepted standards of measurement the Scriptures Doctrines of Salvation 1 188 Brigham Young Prophet and Second President offered this challenge Well now examine the character of the Savior and examine the character of those who have written the Old and New Testament and then compare them with the character of Joseph Smith the founder of this work and you will find that his character stands as fair as that of any man s mentioned in the Bible We can find no person who presents a better character to the world than Joseph Smith Journal of Discourses Vol 14 p 203 Combining their research in Mormonism to author this work Charles A Crane and his son Steven A Crane would like to accept the challenge and show why many even among the LDS faith are Ashamed of Joseph **The Foundations of Scriptural Understanding** Dann W Hone,2024-10-07 Scriptural Reference and Exploration Series Volume 1 Foundations of Scriptural Understanding serves as a beginning for scriptural studies introduced in succeeding volumes focusing on the foundations and principles for understanding biblical literature A description of man s relationships with the universe covenants their composition and purpose with attendant ordinances are considered as a prelude to the dispensation of the Mosaic Law followed by the names signs tokens seasons festivals and feasts that are predictive of the promised Messiah This volume also delves into a fuller description of the Messiah and his missions as described through Israelite patriarchal blessings Throughout the writings are references to the ancient tabernacles sanctuaries and temple worship Drawing from the best available resources these words of instruction will help the readers better understand the culture settings and customs of those who wrote the scriptures It is written for the lay reader as well as for scholars who desire an additional resource **Annual Egyptological Bibliography, Volume 22** ,2023-12-14 **Latter-day Saint Family Encyclopedia** Christopher Kimball Bigelow,Jonathan Langford,2019-08-20 A home reference guide to key terms in Mormon culture A one volume compendium of Mormon culture this handy reference book covers key doctrinal terms beliefs ordinances church history and growth and more You ll find extensive entries on the prophets and personalities from all four standard works accepted by the church and many interesting anecdotes and facts on a wide array of topics Teens and adults will appreciate the fresh innovative approach this encyclopedia takes as it culls the vast sea of LDS information available into a manageable book suitable for the whole family **Interpreter: A Journal of Mormon Scripture, Volume 22 (2016)** Daniel C. Jim Whitefield,2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes The Mormon Delusion.
