Letters from Joseph Conrad, 1895-1924 Joseph Conrad,1928 Conrad's Malaysian Fiction Florence Clemens,2022-10-04 The relationship between Conrad s Malay fiction and colonialism is a prominent subject of commentary now and has been for some time Most scholars would point to Chinua Achebe s important article *An Image of Africa* as the initiation into the interest in Conrad and colonialism but if fact decades previously Florence Clemens had begun this conversation in her ground breaking commentary on Conrad s Malay fiction At the time Florence Clemens was writing almost nothing had been written on the Conrad s colonial world and for many years her work thus was relatively unknown and relatively difficult to obtain However Clemens work is significant and its appearance in Brill s Conrad Studies series now makes this important study readily available to scholars *Conrad in the Public Eye* ,2008-01-01 This is a collection of difficult to find and typically early commentary on Conrad s life and works The selections contained shed light on Conrad s life and works as well as the way in which his works were promoted to the public Selections include those by the American novelist Christopher Morley and the Irish novelist Liam O Flaherty Also included is a previously unpublished essay by Conrad s friend Richard Curle Of particular interest are the promotional materials which are collected together for the first time and

R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries Rethinking Joseph Conrad's Concepts of Community Kaoru Yamamoto,2017-04-20 Rethinking Joseph Conrad s Concepts of Community uses Conrad s phrase strange fraternity from The Rover as a starting point for an exploration of the concept of community in his writing including his neglected vignettes and later stories Drawing on the work of continental thinkers including Jacques Derrida Jean Luc Nancy and Hannah Arendt Yamamoto offers original readings of Heart of Darkness The Nigger of the Narcissus The Rover and Suspense and the short stories The Secret Sharer The Warrior s Soul and The Duel Working at the intersection between literature and philosophy this is a unique and interdisciplinary engagement with Conrad s work
