**Joseph Smith, an American Prophet** John Henry Evans, 1940 *Joseph Smith. An American Prophet. [With Plates, Including a Portrait.]* John Henry EVANS (Instructor in Church History at Brigham Young University.), Joseph SMITH (called the Mormon Prophet.), Church of Jesus Christ of Latter-day Saints, 1933

**Joseph Smith** John G. Turner, 2025-06-17 From an award winning biographer a riveting and deeply researched portrait of Mormonism's charismatic founder Joseph Smith Jr 1805-1844 was one of the most successful and controversial religious leaders of nineteenth century America publishing the Book of Mormon and starting what would become the Church of Jesus Christ of Latter-day Saints He built temples founded a city state in Illinois ran for president and married more than thirty women This self-made prophet thrilled his followers with his grand vision of peace and unity but his increasingly grandiose plans tested and sometimes shattered their faith In this vivid biography John G Turner presents Smith as a consummate religious entrepreneur and innovator a man both flawed and compelling He sold books land and merchandise And he relentlessly advanced doctrines that tapped into anxieties about the nature and meaning of salvation the validity of miracles the timing of Christ's second coming and the persistence of human relationships for eternity His teachings prompted people to gather into communities evoking fierce opposition from those who saw those communities as theocratic threats to republicanism With insights from newly accessible diaries church records and transcripts of sermons Turner illuminates Smith's stunning trajectory from his beginnings as an uneducated impoverished farmhand to his ultimate fall at the hands of a murderous mob revealing how he forged a religious tradition that has resonated with millions of people in the United States and beyond

**An American Prophet's Record** Joseph Smith, 1987-01-01 Published for the first time in their entirety the personal diaries and journals of Mormon founder Joseph Smith 1805-44 provide an unequalled view of this controversial American religious leader Previous compilations have drawn from carefully selected and sometimes rewritten passages of Smith's diaries and journals In the present unexpurgated edition Smith emerges as believable and human willing to allow both descendants and followers a complete look at his beliefs and personality Book jacket

[Glorious in Persecution](#) Martha Bradley-Evans, 2016 Biographical study of the final five years of the life of Mormon Church founder and prophet Joseph Smith

**Charisma Under Pressure: Joseph Smith, American Prophet, 1831-1839** Dan Vogel, 2023-04-24 When Joseph Smith entered Kirtland Ohio for the first time he had only the year before established a church and brought forth a new book of scripture the Book of Mormon After moving the church and most of its members from western New York and establishing its headquarters at Kirtland while simultaneously establishing his Zion in communities in Missouri he oversaw a decade of both peace and prosperity and chaos and conflict But just who was Joseph Smith What motivated him In examining Smith's life during his Ohio and Missouri sojourns Vogel seeks to answer those questions But Vogel is quick to note There are in fact many possible constructions of Joseph Smith and depending on how one assesses the evidence for his truth claims a completely different Joseph Smith emerges But this is probably as Smith

wanted it During this period Smith established a temple printing presses additional scripture expanded church offices and built a bank all indicating a sense of permanence and strength for his young church at one level while causing its near collapse at another     *Joseph Smith* Hyrum Leslie Andrus,1963     **Joseph Smith, the Prophet-teacher** Brigham Henry Roberts,1927-01-01     Joseph Smith Brigham Henry Roberts,1927     **American Prophet (videorecording) : the Story of Joseph Smith** Lee Groberg,Heidi Swinton, Biography of Joseph Smith American prophet including the story of the church he founded and the people who followed him     Natural Born Seer Richard S. Van Wagoner,2016 Joseph Smith survives today as one of nineteenth century America s most controversial religious figures He claimed visions of angels dictated a lost record of the ancient inhabitants of the New World announced new revelations from heaven and restored what he believed was an ancient yet more complete form of Christianity over which he presided as prophet seer and revelator until his death in 1844 A child of impoverished Yankees raised in rural New England and New York Smith grew up in a hardscrabble frontier culture that embraced a spectrum of competing folkways religious fervor and intellectual thought He was both a product of his times and a syncretic innovator of a compelling vision for God s people Perhaps more importantly he was the self proclaimed herald of Christ s imminent return called by the Father to reveal the fullness of the Christian gospel for the last time As prize winning historian Richard S Van Wagoner narrates the first twenty five years of Smith s life the young seer struggled with his family through a series of roller coaster hardships eventually securing work as a scribe of lost treasure and money digger In the wake of successive failures including run ins with the law Smith s glass looking activities gave way to more religiously oriented pursuits especially after a heavenly messenger showed him the location of buried golden plates containing a pre Columbian story of the Americas and charged him with the record s decipherment and publication Smith also learned following another extraordinary vision that his sins had been remitted that humanity was in a state of apostasy and that Jesus would soon return to the earth After eloping with Emma Hale much to her skeptical father s chagrin the couple settled down to complete work on what would appear for sale in early 1830 as the Book of Mormon By this time Smith had begun to shoulder more fully the prophet s mantle issuing proclamations in God s own voice and on April 6 1830 organized the Church of Christ known today as the Church of Jesus Christ of Latter day Saints I treat the early years of the Mormon prophet as I would approach an archaeological dig Van Wagoner explains The deepest levels those deposited first and least contaminated by subsequent accumulates are of primary interest in my pursuit of the historical Joseph Mindful of the prophet s controversial reputation I try to remain sensitive to the impact that some of the more problematic elements of his behavior may have on believers But truth is often best evidenced in the detail Van Wagoner s meticulously researched study offers more detail than any previously published biography of Smith and provides what may be the most culturally nuanced analysis ever attempted of the early years of the American prophet     *American Prophet* Heidi S.
