THE EARLY WEST

PAUL HORGAN

Josiah Gregg And His Vision Of The Early West

Spencer C. Tucker

Josiah Gregg And His Vision Of The Early West:

Josiah Gregg and His Vision of the Early West Paul Horgan, 1972 **A Literary History of the American West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance **Of America East and West** Paul Horgan, 1985-07 No historian writes with such command of language or feeling for human nature The difference is his luminous imagination as Henry Steele Commager observes in the introduction to the newest Horgan volume *Of America East West* a sumptuous selection from fifteen of the earlier works many of which have been long out of print I began reading Paul Horgan more than twenty years ago and he has given me no end of pleasure ever since Whether in fiction history or biography he is a writer of large vision and manysidedness He can be serene funny elegant earthy and lyrical He can range across art opera politics natural history military history and intellectual history Narrative energy suffuses everything he writes But it is his gift of empathy that lifts his work to the level of art and gives the history he writes reality *The Encyclopedia of the Mexican-American War* Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War *Dictionary of Missouri Biography* Lawrence O. Christensen, William E. Foley, Gary Kremer, 1999-10 **A Great Plains Reader** Diane Dufva Quantic, P. Jane Hafen, 2003-01-01 The Great Plains are as rich and integral a part of American literature as they are of the North American landscape In this volume the stories poems and essays that have defined the region evoke the world of the American prairie from the days of Native history to the realities of life on a present day reservation **A Colorado History** Carl Ubbelohde, Maxine Benson, Duane A. Smith, 2006 For forty years A Colorado History has provided a comprehensive and accessible panoramic history of the Centennial State From the arrival of the Paleo

Indians to contemporary times this enlarged edition leads readers on an extraordinary exploration of a remarkable place

The Settlement of America James A. Crutchfield, Candy Moutlon, Terry Del Bene, 2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company s leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km Journalism and the American Experience Bruce J. Evensen, 2018-02-12 Journalism and the American Experience offers a comprehensive examination of the critical role journalism has played in the struggle over America s democratic institutions and culture Journalism is central to the story of the nation s founding and has continued to influence and shape debates over public policy American exceptionalism and the meaning and significance of the United States in world history Placed at the intersection of American Studies and Communications scholarship this book provides an essential introduction to journalism s curious and conflicted co existence with the American democratic experiment *Under Western Skies* Donald Worster, 1992 ns explore our environmental history uncover the role of nature and the land in the western past and examine the West as the world s first multicultural society **The Law of the Land** John Opie, 1994-01-01 This book provides fascinating insights into how present day American land legislation has evolved In doing so the author identifies the many problems that the family farmer has had to face over the past two centuries at the hands of the weather unstable product prices and corrupt and venal politicians Journal of Agricultural Economics A provocative learned polemical contribution to the debate on the nature of the farm problem and the means to solve it Throughout our history Opie a historian convincingly argues contradictory goals have produced contradictory policies that are the sources of our current problems Science This important volume offers a reinterpretation of public lands history as it relates to contemporary farm policy Opie s signal contribution is to examine and evaluate the many policy strands of a twentieth century safety net designed by Congress to sustain the family farm Journal of American History Bright passionate and entirely convincing Journal of Rural Studies The Law of the Land has made a significant contribution to agricultural and public policy history by pointing out that American ideals have shaped policies and assigned roles that have often left farmers and farmland vulnerable Public Historian The five years that have passed since this book was first published have been enough to conclude that John Opie can reconstruct the past and predict the future Many of the problems he foresaw have come to pass and some of the solutions he discussed have been adopted Anyone interested in the basic environment will find that this volume gives a clear picture of how we got to where we are today in the use and misuse of natural resources Environmental History Review A professor of history at the New Jersey Institute of Technology John Opie is also director of the Center for Technology Studies and founding editor of Environmental History Review His other publications include Ogallala Water for a Dry Land Nebraska 1993 **Four Against the West** Joe

Pappalardo,2024-11-26 A thrilling true saga of legendary Texas figure Judge Roy Bean and his brothers and their violent adventures in Wild West America Roy Bean was an American saloon keeper and Justice of the Peace in Texas who called himself The Only Law West of the Pecos He and his three brothers set out from Kentucky in the mid 1840s heading into the American frontier to find their fortunes Their lifetimes of triumphs tragedies laurels and scandals will play out on the battlefields of Mexico in shady dealings in California city halls inside eccentric saloon courtrooms of Texas and along the blood soaked Santa Fe Trail from Missouri to New Mexico They will kill men and murder will likewise stalk them The Beans chase their American dreams as the nation reinvents itself as a coast to coast powerhouse only to be tested by the Civil War During their saga the brothers become soldiers judges husbands guerillas lawmen entrepreneurs refugees fathers politicians pioneers and in Judge Roy Bean s case one of the Old West s best known but least understood scoundrels Using new information gleaned from exhaustive research Joe Pappalardo s Four Against the West is an unprecedented and vivid telling of the intertwined stories of all four Bean brothers exploring for the first time how their relentless ambitions helped create a new America

Hell on Wheels Dick Kreck,David Halass,2016-03-23 Overnight settlements better known as Hell on Wheels sprang up as the transcontinental railroad crossed Nebraska and Wyoming They brought opportunity not only for legitimate business but also for gamblers land speculators prostitutes and thugs Dick Kreck tells their stories along with the heroic individuals who managed finally to create permanent towns in the interior West

American National Biography John A. Garraty,Mark C. Carnes,2005-05-12 American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past

Beyond the Frontier Stan Hoig,1998 In Beyond the Frontier Stan Hoig chronicles early explorations of Oklahoma Focusing on expeditions during the first part of the nineteenth century Hoig provides a useful history of the region during the period of its first discovery by the outside world After describing what we know of Native life before the arrival of Europeans Hoig recounts in vivid detail each successive intrusion drawing on a wide variety of sources diaries memoirs letters and official documents to bring these experiences to life Writing of individuals famous and forgotten who braved an unknown world and provided lasting records of the land and its peoples Hoig includes details of Indian and frontier life often overlooked in scholarly studies Further enhancing the narrative is an ample selection of illustrations including photographs drawings and detailed maps showing exploration routes A supplement to broader histories Beyond the Frontier is written in a straightforward engaging style accessible to all interested readers The first book to synthesize accounts of explorations within the region Hoig s narrative offers valuable insight into Oklahoma s and western America s colorful past

Four Trails to Valor Dorothy Cave,2007-02 Here are four men representing the dominant cultures of the American Southwest

who set their feet upon trails which follow the physical and metaphysical journeys of their forefathers the Pueblos Cornmeal Path the Navajo Beautyway the Spanish Way of the Cross and the Yankee Trail of Destiny All lead to the great fact of the past century World War II in which each man blazes his own trail in his country's greatest crisis Each carries to war his people's pride and his father's faith Through the jungles of Bataan the bloody battles of Tarawa and Iwo Jima across the deserts of North Africa and the formidable Italian mountain chain each carries his bits of home medicine bundle or crucifix sacred cornmeal or pocket Bible and each clings to the mystic thread that will bring him home At journey's end the circle closes as each man each race each reader must speculate on the untrodden paths ahead leaving them and us with profound perhaps painful questions and a deeper understanding of man's relation to man and to the trinity of Earth Sky and Water *Indians of the Great Plains* Daniel J. Gelo, 2018-07-20 This book provides a thorough and engaging study of Plains Indian life It covers both historical and contemporary aspects and contains wide and balanced treatment of the many different tribal groups including Canadian and southern populations Daniel J Gelo draws on years of ethnographic research and emphasizes that Plains societies and cultures are continuing living entities The second edition has been updated to take account of recent developments and current terminology The chapters feature a range of illustrations maps and text boxes as well as summaries key terms and questions to support teaching and learning It is an essential text for courses on Indians of the Great Plains and relevant for students of anthropology archaeology history and Indigenous studies *A Journey Through American Literature* Kevin J. Hayes, 2012-03-15 A spirited and lively introduction to American literature this book acquaints readers with the key authors works and events in the nation's rich and eclectic literary tradition **Great River** Paul Horgan, 2014-06-01 The Pulitzer Prize and Bancroft Prize winning epic history of the American Southwest from the acclaimed twentieth century author of *Laramie* of Santa Fe *Great River* was hailed as a literary masterpiece and enduring classic when it first appeared in 1954 It is an epic history of four civilizations Native American Spanish Mexican and Anglo American that people the Southwest through ten centuries With the skill of a novelist the veracity of a scholar and the love of a long time resident Paul Horgan describes the Rio Grande its role in human history and the overlapping cultures that have grown up alongside it or entered into conflict over the land it traverses Now in its fourth revised edition *Great River* remains a monumental part of American historical writing Here is known and unknown history emotion and color sense and sensitivity battles for land and the soul of man cultures and moods fused by a glowing pen and a scholarly mind into a cohesive and memorable whole The Boston Sunday Herald Transcends regional history and soars far above the river valley with which it deals a survey rich in color and fascinating in pictorial detail of four civilizations the aboriginal Indian the Spanish the Mexican and the Anglo American It is in the best sense of the word literature It has architectural plan scholarly accuracy stylistic distinction and not infrequently real nobility of spirit Allan Nevins author of *Ordeal of the Union* One of the major masterpieces of American historical writing Carl Carmer author of *Stars Fell on Alabama* *Subject Catalog* Library of
