Josie And Rebecca The Western Chronicles:

Josie and Rebecca B. L. Miller, Vada Foster, 2000-01-01 This is an epic western saga with all the elements familiar to that genre At the center of this story are two women one a deadly gunslinger bitter from the injustices in her past the other a gentle dreamer trying to escape the horrors of the present Their destinies come together one fateful afternoon when the feared outlaw makes the choice to rescue a young woman in trouble For her part Josie Hunter considers the brief encounter at an end once the girl is safe but Rebecca Cameron has other ideas Enthralled by the enigmatic figure of the legendary bandit and desperate to escape a life that is quickly crushing her spirit Rebecca decides to follow her rescuer much to the older woman's chagrin At first the relationship is difficult but it slowly begins to grow and change and deepen and in time they discover that they want to share their hearts It is a beautiful passionate love story that pulls the reader into their drama as they discover the growing intensity between them Novel Approaches to Lesbian History Linda Garber, 2022-01-01

Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible **Gay and Lesbian Historical Fiction** N. Jones, 2007-05-28 The first extensive study of gay and lesbian historical fiction this book demonstrates how the highly popular sub genre helps us understand gay and lesbian history It shows not only why the sub genre should be taken more seriously by historians but also how it implicitly works to ameliorate divisions between Christianity and homosexuality

Graceful Waters Verda Foster, B. L. Miller, 2004-09 When tough instructor Joanna Carey meets angry and disillusioned Grace Waters neither is prepared for what comes next Grace meets her match in Carey the strong and disciplined woman who's determined to help Grace help herself **The Publishers Weekly**, 2001

2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Always a Blessing in the End** Paulette Ivy Harris, 2005-04 *Always a Blessing in the End* is a two fold exploration of the African American experience in the United States within the genre of a family history After addressing the development of the African slave trade it highlights the attitudes and accomplishments in the arenas of slavery and equality for black Americans during each presidential administration from Washington to Carter

Paulette Ivy Harris then presents her genealogies of four lineages namely the Ivys the Baileys Goldsons and the Thompsons She takes the reader on an empathetic sojourn through the lives of the ancestors she finds long buried in Georgia Mississippi Tennessee and Missouri Her ancestors seem to resurrect from the dust of their internment and take on flesh to live again between the pages By incorporating genealogical details about her ancestors into her research of African American history she reconstructs the lives they endured She discovers that the Christian faith of her ancestors was unfailingly rewarded with what truly mattered Those who enjoy reading family histories will learn about the struggles of several generations Beginners and seasoned family history sleuths will be able to glean sources from *Always a Blessing in the End* to help them with their own ancestry puzzle **Botetourt County Virginia Heritage** , *New York Magazine* ,1992-01-27 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1990-06-25 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Literary World* ,1878
