Asian Nationalism Michael Leifer, 2002-05-03 This book features completely up to date analysis written by high profile contributors and is invaluable for upper level undergraduates and researchers in Asian Studies and Politics **Ming China and Vietnam** Kathlene Baldanza, 2016-03-29 Studies of Sino Viet relations have traditionally focused on Chinese aggression and Vietnamese resistance or have assumed out of date ideas about Sinicization and the tributary system They have limited themselves to national historical traditions doing little to reach beyond the border Ming China and Vietnam by contrast relies on sources and viewpoints from both sides of the border for a truly transnational history of Sino Viet relations Kathlene Baldanza offers a detailed examination of geopolitical and cultural relations between Ming China 1368 1644 and Dai Viet the state that would go on to become Vietnam She highlights the internal debates and external alliances that characterized their diplomatic and military relations in the pre modern period showing especially that Vietnamese patronage of East Asian classical culture posed an ideological threat to Chinese states Baldanza presents an analysis of seven linked biographies of Chinese and Vietnamese border crossers whose lives illustrate the entangled histories of those countries Cowrie Shells and Cowrie Money Bin Yang, 2018-12-07 Originating in the sea especially in the waters surrounding the low lying islands of the Maldives *Cypraea moneta* sometimes confused with *Cypraea annulus* was transported to various parts of Afro Eurasia in the prehistoric era and in many cases it was gradually transformed into a form of money in various societies for a long span of time Yang provides a global examination of cowrie money within and beyond Afro Eurasia from the archaeological period to the early twentieth century By focusing on cowrie money in Indian Chinese Southeast Asian and West African societies and shell money in Pacific and North American societies Yang synthesises and illustrates the economic and cultural connections networks and interactions over a longue dur e and in a cross regional context Analysing locally varied experiences of cowrie money from a global perspective Yang argued that cowrie money was the first global money that shaped Afro Eurasian societies both individually and collectively He proposes a paradigm of the cowrie money world that engages local regional transregional and global themes *The Politics of Buddhist Organizations in Taiwan, 1989-2003* André Laliberté, 2013-08-21 Exploring a dimension of Taiwanese politics that has received little attention this book gives a detailed survey of three of the most important Buddhist organizations in Taiwan the Buddhist Association of the Republic of China the Buddha Light Mountain monastic order and the Buddhist Compassion Relief Tzu Chi Association Coming to Terms with the Nation Thomas Mullaney, 2011 Studies China's Ethnic classification project *minzu shibie* of 1954 conducted in Yunnan province Cambridge History of China John K. Fairbank, Denis Twitchett, 1998 This volume of the Cambridge History of China considers the political military social and economic developments of the Ch'ing empire to 1800 The period begins with the end of the resurgent Ming dynasty covered in volumes 7 and 8 and ends with the beginning of the collapse of the imperial system in the nineteenth century described in volume 10 Taken together the ten chapters elucidate the complexities of the

dynamic interactions between emperors and their servitors between Manchus and non Manchu populations between various elite groups between competing regional interests between merchant networks and agricultural producers between rural and urban interests and at work among all these tensions between the old and new This volume presents the changes underway in this period prior to the advent of Western imperialist military power *Dangerous Women* Victoria Baldwin Cass,1999 Grannies geishas warriors mystics recluses and predators these are the dangerous women of traditional China In a culture that is resoundingly patriarchal these women are a vivid counterpoint Violating state sponsored orthodoxies the granny mocks and mimics the geisha charms with her intellect the warrior rules in icy superiority Using new and freshly interpreted sources the author leads us confidently into this surprising world bolstering her text with color and black and white art of the period **James Legge and the Chinese Classics** Marilyn Laura Bowman,2016 Long interested in the history of China and in the countries of the Silk Road she has travelled widely in Asia and Europe seeking places with their historical connections Her encounter with James Legge combined her professional interests with her interests in Asian history The challenging events that James Legge experienced across his life in Hong Kong revealed his exceptional linguistic talents and steadfast resilience her own peculiar department as Legge described his interests As she discovered his rich blend of talent and resilience in a setting of great political and cultural conflict she wanted more people to know about this outstanding man

Heroines in History Katie Pickles,2022-07-21 Heroines in History A Thousand Faces moves beyond stories of individual heroines taking a thematic synthesising and global in scope approach to challenge previous understandings of heroines in history Responding to Joseph Campbell s Hero with a Thousand Faces Katie Pickles explores the idea of a transcultural heroine archetype that recurs through time Each chapter addresses an archetypal theme important for heroines in history The volume offers a new consideration of the often awkward position of women in history and embeds heroines in the context of their times as well as interpreting and analysing how their stories are told re told and represented at different moments To do so it recovers and compares some women now forgotten along with well known recent heroines and brings together a diversity of women from around the world Pickles looks at the interplay of gender race heredity status class and politics in different ways and chronicles the emergence of heroines as historical subjects valued for their substance and achievements rather than as objects valued for their image and celebrity In an accessible and original way the book builds upon developments in women s and gender history and is essential reading for anyone interested in this field **Brief History of Vietnam** Bill Hayton,2022-10-25 A comprehensive guide to understanding Vietnam s long and tumultuous history A Brief History of Vietnam explores the turbulent history of a land that has risen from the ashes of war to become the newest Asian tiger economy This book expertly examines the history of a people and a nation with ancient roots which only took its current shape in the 19th century under French colonial rule and its current name in 1945 Before that Vietnam was known by many names under many rulers Located in the geographic center of Southeast Asia the country we call Vietnam was ruled by China

then by a series of Vietnamese emperors and by the French A devastating decades long conflict for independence ensued ending with the conclusion of the Vietnam War in 1975 Key topics discussed in this fascinating book include China's ancient conquest of Vietnam and the millennia long struggle of the Vietnamese for independence from their powerful neighbor to the north The reign of the Nguyen dynasty the last dynasty to rule Vietnam with its capital at the ancient city of Hue today a UNESCO World Heritage Site The story of Ho Chi Minh educated in France who attended the Treaty of Versailles to advocate for independence and became Vietnam's first president after the French were defeated The country's miraculous emergence from three decades of war and how it has embarked on the path to becoming one of the world's fastest growing economies today Journalist Bill Hayton's accessible prose makes *A Brief History of Vietnam* an essential study of a complex culture at the heart of Southeast Asia and the roots of its current economic dynamism **Journal of the Institute of Asian Studies**

,1990 **Men and Women in Qing China** Edwards,2021-09-13 *Men and Women in Qing China* is an analysis of Chinese prescriptions of gender as represented in Cao Xueqin's famous eighteenth century Chinese novel of manners *The Red Chamber Dream* or *The Story of the Stone* Drawing on feminist literary critical methods it examines Qing notions of masculinity and femininity including themes such as bisexuality motherhood virginity and purity and gender and power Its central aim is to challenge the common assumption that the novel represents some form of early Chinese feminism by examining the text in conjunction with historical data The book will be especially important to those interested in issues of gender in China the history of Chinese literary criticism and the application of feminist theory to the Asian text *IMF Staff Papers, Volume 57, No. 2* International Monetary Fund. Research Dept.,2010-06-29 This paper introduces a new database of financial reforms covering 91 economies over 1973-2005 It describes the content of the database the information sources utilized and the coding rules used to create an index of financial reform It also compares the database with other measures of financial liberalization provides descriptive statistics and discusses some possible applications The database provides a multifaceted measure of reform covering seven aspects of financial sector policy Along each dimension the database provides a graded rather than a binary score and allows for reversals *Premodern Japan* Mikiso Hane,Louis G. Perez,2018-04-17 Japanese historian Louis Perez brings Mikiso Hane's rich and beloved account of early Japanese history up to date in this thoroughly revised Second Edition of *Premodern Japan* The text traces the key developments of Japanese history in the premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule While the text provides many political developments through the early modern period it also integrates the social cultural and intellectual aspects of Japanese history as well Perez's updates to the text provide a comprehensive overview of the major social political and religious trends in premodern Japan as well as offering the most current scholarship *The Sinosphere and Beyond* Joan Judge,Joachim

Kurtz, Ori Sela, Dan Shao, Hugh Shapiro, 2024-07-22 The history of East Asia can be most productively studied through a transnational translingual and transcultural approach to the region In *The Sinosphere and Beyond* twenty six leading and emerging scholars use such approaches in rich clusters of essays on Historiography Sino Japanese Encounters Law and Justice Politics Art Literature and Translation Each essay builds on the legacy of Joshua Fogel whose scholarship defined the contours of the Sinosphere in the Western world and beyond The collection will be of interest to scholars and students with specific research concerns within these broader rubrics from the towering progenitors of Japanese Sinology to gendered diplomatic and cultural dimensions of Sino Japanese encounters from Sinitic poetry to legal culture and revolutionary life from art commerce and levels of literary expression to the quandaries of translation In addition to offering a broad range of case studies the volume is testimony to the methodological importance of a dynamic intra and transregional approach for an understanding of the layered history of East Asia

Indian Fashion Arti Sandhu, 2014-12-18 Fashion in India is distinctly unique in its aesthetics systems designers and influences Indian Fashion is the first study of its kind to examine the social political global and local elements that give shape to this multifaceted center Spanning India's long historical contribution to global fashion to the emergence of today's vibrant local fashion scene Sandhu provides a comprehensive overview of the Indian fashion world From elite high end to street style of the masses the book explores the complex realities of Indian dress through key issues such as identity class youth and media This ground breaking book does not simply apply western fashion theory to an Indian context but allows for a holistic understanding of how fashion is created worn displayed and viewed in India Accessibly written Indian Fashion will be a fantastic resource for students of fashion cultural studies and anthropology

Postcolonial Animalities Suvadip Sinha, Amit Baishya, 2019-09-02 *Postcolonial Animalities* co edited by Suvadip Sinha and Amit R Baishya brings together ten essays to consider the interfaces between human and animal and the concrete presence of animals in postcolonial cultural production This edited collection critiques monohumanist conceptions of the human and considers the co constitutiveness of imaginaries of the human with grammars of animality One of the central contributions of this volume is to decolonize existing conceptualizations of the human animal relationship and to consider the material representation of animals within the realm of colonial and postcolonial cultural production from the perspective of ethical alterity and alternative narratives of anticolonial and postcolonial politics The volume also explores entanglements of race and species in colonial and neocolonial frameworks without transforming such inquiries into a zero sum game that privileges one category over another The essays in the volume focusing on multiple geographical locations ranging from South Asia Southeast Asia post Ottoman Turkey the Caribbean Australia South Africa and Palestine Israel historicizes and understands multispecies interspecies and transspecies encounters affiliations and connections in and through their localized dimensions and studies human animal encounters in their varied and complex affective relationalities Through such inquiries the volume considers how modes of representing animals including located forms of anthropomorphism and zoomorphism help us think

with and be with different animals **Forces of Nature** David Fedman,Eleana J. Kim,Albert L. Park,2023-05-15 Bringing together a multidisciplinary conversation about the entanglement of nature and society in the Korean peninsula *Forces of Nature* aims to define and develop the field of the Korean environmental humanities At its core the volume works to foreground non human agents that have long been marginalized in Korean studies placing flora fauna mineral deposits and climatic conditions that have hitherto been confined to footnotes front and center In the process the authors blaze new trails through Korea s social and physical landscapes What emerges is a deeper appreciation of the environmental conflicts that have animated life in Korea The authors show how natural processes have continually shaped the course of events on the peninsula how floods droughts famines fires and pests have inexorably impinged on human affairs and how different forces have been mobilized by the state to variously control extract modernize and showcase the Korean landscape *Forces of Nature* suggestively reveals Korea s physical landscape to be not so much a passive context to Korea s history but an active agent in its transformation and reinvention across centuries With support from the Henry Luce Foundation our goal is to produce all titles in this series both in Open Access for reasons of global accessibility and equity as well as in print editions

India-ASEAN Relations Dr. Tripti Sharma,2021-09-11 The changes in the global environment such as the demise of the socialist system initiation of globalization the declining position of international organizations and reduction in the importance of forums like NAM have made it imperative for India to review its old foreign policy nuances For long India hardly regarded the countries of Southeast Asia and South Pacific as priority areas despite the latter s cultural political economic and strategic significance The long spell of mutual alienation understandably gave way to mutual distrust and suspicion This dark period in India s relations with the countries of Southeast Asia and South Pacific was however brought to an end following the reshaping and reorientation of India s foreign policy manifest in the vigorous pursuit of Look East policy it was Prime Minister Narasimha Rao who concentrated on forging links and enhancing cultural economic political and strategic cooperation with Southeast Asia and transformed this important urge into India s foreign policy initiative that culminated in Look East policy India s engagement with the Association of Southeast Asian Nations ASEAN started with its Look East Policy in the year 1991 ASEAN has a membership of 10 countries namely Brunei Darussalam Cambodia Indonesia Laos PDR Malaysia Myanmar Philippines Singapore Thailand and Vietnam India became a sectoral dialogue partner of ASEAN in 1992 and full dialogue partner in 1996 In November 2001 the ASEAN India relationship was upgraded to the summit level Consequently the latter had already registered impressive progress in the field of economy strategy and cultural relations between India and ASEAN *Performance Cultures as Epistemic Cultures, Volume I* Erika Fischer-Lichte,Torsten Jost,Milos Kotic,Astrid Schenka,2023-04-07 This volume investigates performances as situated machineries of knowing Karin Knorr Cetina exploring them as relational processes for in and with which performers as well as spectators actively re generate diverse practices of knowing knowledges and epistemologies Performance cultures are distinct but interconnected

environments of knowledge practice Their characteristic features depend not least on historical as well as contemporary practices and processes of interweaving performance cultures The book presents case studies from diverse locations around the globe including Argentina Canada China Greece India Poland Singapore and the United States Authored by leading scholars in theater performance and dance studies its chapters probe not only what kinds of knowledges are re generated in performances for example cultural social aesthetic and or spiritual knowledges the contributions investigate also how performers and spectators practice knowing and not knowing in performances paying particular attention to practices and processes of interweaving performance cultures and the ways in which they contribute to shaping performances as dynamic machineries of knowing today Ideal for researchers students and practitioners of theater performance and dance Re Generating Knowledges in Performance explores vital knowledge serving functions of performance investigating and emphasizing in particular the impact and potential of practices and processes of interweaving of performance cultures that enable performers and spectators to re generate crucial knowledges in increasingly diverse ways
