Jonathan Hughes

Journal Of The History Of Ideas Volume 27:

Humboldt Revisited Gry Cathrin Brandser, 2022-09-13 Humboldt Revisited offers a fresh perspective on the contemporary discourse surrounding reform of European universities Arguing that contemporary reform derives its basis from pre constructed truths about the so called Humboldt university this monograph traces the historical descent of these truths to the American reception of Humboldt s ideas from the mid 19th century up until the 1960s Drawing from a rich selection of historical sources this volume offers an alternative to conventional explanations of the forces behind the ongoing reform of European universities It also challenges the conventional historical narrative on the Humboldt University providing new insight into the American reception of the German ideas

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Synopsis Andrew D. Dimarogonas, 1999-02-19 Lists the scholarly publications including research and review journals books and monographs relating to classical Hellenistic Biblical Byzantine Medieval and modern Greece The 11 indexes include article title and author books reviewed theses and dissertations books and authors journals names locations and subjects The format continues that of the second volume All the information has been programmed onto the disc in a high level language so that no other software is needed to read it and in versions for DOS and Apple on each disc Annotation copyrighted by Book News Inc Portland OR

Friedrich Nietzsche Tracy B. Strong, 2017-05-15 From his first readers to the present Friedrich Nietzsche has found supporters and detractors on every point of the political spectrum In the introduction to this volume Tracy Strong analyzes the reasons for this diversity of reception They are to be found not only in modern social and political developments but more importantly in the purpose and style of Nietzsche s writing The volume includes selections from all major interpretive schools including some from the early part of the twentieth century an appendix presenting a new translation of one of Nietzsche s most controversial writings The Greek State and a lengthy bibliography of writings on Nietzsche and politics The essays gathered together in this volume are the work of the most seminal Nietzsche scholars and taken together provide a comprehensive study of Nietzsche s political thought

Bede Griffiths' Images of God Beatrice Green, 2022-08-19 This book reveals how the images Bede Griffiths OSB Cam used for God are richly embedded with concepts ancient and new making them especially relevant for our current times

It prompts insight into the great deposit of wisdom and scholarship that was his source and will benefit those interested in religious imagery gender equality monastic life interfaith dialogue evolution of consciousness practical theology and spirituality and integral thought Led by Christ the Golden String Griffiths made the sea change from Great Britain to India promoting the marriage of East and West the essential value of the feminine contemplative prayer interreligious dialogue and integral life His initiation to Christian sannyasa and faith in the evolutionary process reflect his openness to change and to grow and highlight this great sage s masterful use of images grounded in his motto to always go beyond **Volume 19,**

Tome VI: Kierkegaard Bibliography Peter Šajda,Jon Stewart,2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies

The Origins of the Idea of Scientific Progress Daniel Špelda,2024-06-21 This volume offers a new interpretation of the genesis of the idea of scientific progress in early modern science and philosophy The interpretation argues that the idea of scientific progress was not a historical category but an epistemological one The main thesis of the book posits that the idea of scientific progress was a methodological means of dealing with the contingency of nature To illustrate the novelty of the idea the individual chapters compare several features of Renaissance natural philosophy with a new regime of knowledge that included time as an inevitable factor of empirical research The temporal regime of knowledge is illustrated by the work of Bernard de Fontenelle and his colleagues at the Acad mie des sciences in Paris at the end of the 17th century The new interpretation remedies a gap in recent scholarship where the idea of scientific progress has been overlooked even though the early modern natural philosophers themselves used it to describe the nature of their research The book places both well known texts and less studied documents in a new light thus contributing to the lively and rich debate on the origins and nature of early modern science and philosophy It is of interest to scholars studying the history of early modern philosophy and science *John Stuart Mill* John Cunningham Wood,1987 The articles in these volumes have been carefully selected so as to yield a comprehensive account of Mill s life thought and economic theories

Sex and Sexuality in Europe, 1100-1750 Andrew Mansfield,2023-10-02 Transcending the traditional categories of medieval and early modern to analyse pan European attitudes and behaviours Sex and Sexuality in Europe 1100 1750 provides students with a grounding in the history of sexuality by supplying both a detailed analysis of the existing historiographical debates but also analysis of the primary sources such as autobiographies and contemporary literature Offering an accessible overview that places sex and sexuality within the historical context of the time period it creates a

deeper understanding of connections and differences across Europe An interdisciplinary work it draws on cultural social religious philosophical literary economic and scientific ideas while incorporating theory from within the field to broaden perspective of the history of sexuality Challenging the separation of the medieval and early modern periods this volume highlights a great deal of continuity between 1100 and 1750 across Europe with change occurring more notably towards the eighteenth century Key interventions on the role of the passions the imagination the two worlds motif and subordination are made across the work Moreover it questions the belief that the Middle Ages was one of sexual repression and highlights a second world in which sex was a natural even celebrated part of life and engages with the belief that the eighteenth century saw a sexual revolution This book is essential reading for students scholars and the general public interested in the history of sexuality

Democracy Denied, 1905-1915 Charles KURZMAN, Charles Kurzman, 2009-06-30 Kurzman proposes that the collective agent most directly responsible for democratization was the emerging class of modern intellectuals a group that had gained a global identity and a near messianic sense of mission following the Dreyfus Affair of 1898 Each chapter of this book focuses on a single angle of this story covering all six cases by examining newspaper accounts memoirs and government reports

Natural Law & the Secular Mythos Gregory Morgan, 2025-02-20 This book argues that natural law when construed as an epistemological and trans cultural lingua franca adjudged capable of legitimating the rational intelligibility and universal applicability of specific Christian moral principles within contemporary secular discourse has failed Through a detailed analysis of the contributions of three prominent natural law theorists who are located within a shared philosophical theological tradition namely John Finnis Jean Porter and John Milbank the text illuminates the extent to which this failure is as much intramural as it is extramural Morgan explores how new horizons open up for natural law if the theological unsaid s are allowed to surface and the disremembering power of the secular mythos is overcome The final chapter s of the book addresses one such horizon that the theoretical fulcrum of the natural law lies not in its perceptual self evidence or in its immanent secularity but rather in its subtle provision of an immanent eschatology

Volume 1, Tome I: Kierkegaard and the Bible - The Old Testament Jon Stewart, 2016-12-05 Exploring Kierkegaard s complex use of the Bible the essays in this volume use source critical research and tools ranging from literary criticism to theology and biblical studies to situate Kierkegaard s appropriation of the biblical material in his cultural and intellectual context The contributors seek to identify the possible sources that may have influenced Kierkegaard s understanding and employment of Scripture and to describe the debates about the Bible that may have shaped perhaps indirectly his attitudes toward Scripture They also pay close attention to Kierkegaard s actual hermeneutic practice analyzing the implicit interpretive moves that he makes as well as his more explicit statements about the significance of various biblical passages This close reading of Kierkegaard s texts elucidates the unique and sometimes odd features of his frequent appeals to Scripture This volume in the series devotes one tome to the Old Testament and a second tome to the New Testament Tome I considers the canonically disputed literature of the

Apocrypha Although Kierkegaard certainly cited the Old Testament much less frequently than he did the New passages and themes from the Old Testament do occupy a position of startling importance in his writings Old Testament characters such as Abraham and Job often play crucial and even decisive roles in his texts Snatches of Old Testament wisdom figure prominently in his edifying literature The vocabulary and cadences of the Psalms saturate his expression of the range of human passions from joy to despair The essays in this first tome seek to elucidate the crucial rhetorical uses to which he put key passages from the Old Testament the sources that influenced him to do this and his reasons for doing so

Volume 19, Tome II: Kierkegaard Bibliography Peter Šajda, Jon Stewart, 2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies

Dante's Divine Comedy in Early Renaissance England Jonathan Hughes, 2022-02-24 Dante's Divine Comedy in Early Renaissance England compares the intellectual emotional and religious world of Dante in 13th century Florence with that of a group of English intellectuals gathered around Humphrey Duke of Gloucester uncle of the King Henry VI Here Jonathan Hughes establishes that there was a Renaissance in 15th century England encouraged by the discovery and translations of works of Greek philosophers and developments in science and medicine and that vernacular writers in Gloucester's circle such as John Lydgate and Robert Hoccleve were of fundamental importance in exploring the meaning of the self and man's relationship with the natural world and the classical past However the appearance in 15th century England of Dante's *Commedia* the most popular work of the Middle Ages served to remind writers and readers of the cost of intellectual enquiry the loss of faith in a harmonious and beautiful world the redemptive power of the love of a woman and the tangible presence of an afterlife Engagingly written and meticulously researched this innovative study shines a new perspective on Dante scholarship as well as offering a unique analysis of intellectual thought and culture in 15th century England

This Sacred Trust Paul C. Nagel, Robert E Lee Research Association and Former Director Paul C Nagel, 1971-01-02 Nagel's classic work deals with nineteenth century America's coming awareness as a nation and its agonizing struggle to turn itself into a model republic He perceptively explores the growth of American nationalism in its political social religious economic and literary implications The resulting

book is a vivid portrait of how America viewed itself what concerned it deeply and ultimately of those forces in society that led to a new spirit of militant nationalism **The Classical Foundations of Population Thought** Yves Charbit,2010-08-25 Whereas the history of demography as a social science has been amply explored that of the construction of the concept of population has been neglected Specialists systematically ignore a noteworthy paradox strictly speaking the great intellectual figures of the past dealt with in this book have not produced demographic theories or doctrines as such but they have certainly given some thought to population at both levels First the central epistemological and methodological orientation of the book is presented Ideas on population far from being part of the harmonious advancement of knowledge are the product of their context that is evidently demographic but also economic political and above all intellectual Then the ideas on population of Plato Bodin the French mercantilists Quesnay and the physiocrats are examined under this light The last chapter addresses the implicit philosophical economic and political issues of population thought Max Weber and His Contemporaries Wolfgang J. Mommsen,Jurgen Osterhammel,2013-10-28 Max Weber and His Contemporaries provides an unrivalled tour d horizon of European intellectual life in the late nineteenth and early twentieth centuries and an assessment of the pivotal position within it occupied by Max Weber Weber s many interests in and contributions to such diverse fields as epistemology political sociology the sociology of religion and economic history are compared with and connected to those of his friends pupils and antagonists and also of those contemporaries with whom he had neither a personal relationship nor any kind of scholarly exchange Several contributors also explore Weber s attitudes towards the most important political positions of his time socialism conservatism and anarchism and his own involvement in German politics This volume contributes not only to a better understanding of one of the most eminent modern thinkers and social scientists but also provides an intellectual biography of a remarkable generation This book was first published in 1987 *Iranian Identity and Cosmopolitanism* Lucian Stone,2014-07-31 Since cosmopolitanism has often been conceived as a tenet of Western civilization that emanates from its Enlightenment based origins in a humanist age of modernity Iranian Identity and Cosmopolitanism Spheres of Belonging advances a highly innovative gesture by contemplating the implications and relevance of the idea in a so called non Western cultural territory The particularities of the Iranian and Islamic context shed new light on advancements and obstacles to cosmopolitan praxis The volume provides four principle disciplinary assessments of cosmopolitanism philosophy political science sociology and cultural studies including literary criticism The authors in this collection critically examine topics including the historical encounter between Iranian and Western thinkers and its impact on Iranian political ideals the tension between maintaining apolitical theology rooted in metaphysical assumptions and the prerequisite of secularism in cosmopolitan and democratic philosophies This highly innovative volume will be of interest to scholars and students of Middle Eastern and Iranian Studies Islamic Studies Globalization Political Science and Philosophy

Beyond the Limits of Thought Graham Priest,1995-05-18 This second and extended edition of Priest s classic includes

new chapters on Heidegger and Nagarjuna as well as reflections on reactions to the first edition Praise for previous edition a splendid tour de force one which should be read by every philosopher Philosophical Quarterly Highly entertaining and provocative an engaging and instructive tour through some of the most perplexing features of our own conceptual finitude TLS Visual Media and Culture of 'Occupy' Pamela Odih, 2014-10-17 On 15th October 2011 hundreds of anti capitalist protestors assembled into a spectacular carnivalesque procession towards Paternoster Square the heartland of London's banking district Beginning with Althusser's concept of interpellation this book examines Occupy LSX St Paul's Cathedral in relation to media spectacle Initially focusing on arrival narratives it asks the question were the 15th October 2011 anti capitalist protestors hailed into becoming the subjects of Occupy LSX St Paul's Cathedral Based on extensive ethnographic interviews and photographic data this book demonstrates the complex ways in which Occupy LSX St Paul's Cathedral interpolated Ashcroft 2001 and subverted media spectacle Kairos exemplifies the *longue dur e* of the art and ethics of Occupy The bifarious dimensions of kairos emphasise an ethics of care and devotion alongside the indeterminate possibilities of the aleatory encounter Formulated within Marxist aleatory materialism this book explores the momentous reality of Occupy LSX St Paul's Cathedral Instantiated within an extraordinary conjuncture of conflict between capital and labour Occupy LSX St Paul's Cathedral manifested formidable expressions of resistance to the disembodied space of flows timeless times and the real virtualities of transnational capitalist accumulation Empirical case studies are used to engage with the extraordinary strategies that Occupy LSX St Paul's Cathedral politically cultivated to address i the future of print news media The Occupied Times of London ii disjunctures and disruptions within the locality of the space of place amidst the harsh reality of neoliberal austerity measures iii the harnessing of multi modal information communication technologies as part of an imperative to unite the space of place with an international environmental citizenship iv critically mobilising market analogues and promotional media integral to the neoliberal market reform of public sector healthcare provision and in so doing occupying a radical riposte to the entrepreneurial self and marketized morals of neoliberalism's homo economicus consumer citizen In these and many other examples this book argues that Occupy LSX St Paul's Cathedral exemplifies the possibilities of kairos as a condition and consequence of the politics visual media and culture of new social movements

Journal Of The History Of Ideas Volume 27 Introduction

In today's digital age, the availability of Journal Of The History Of Ideas Volume 27 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Journal Of The History Of Ideas Volume 27 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Journal Of The History Of Ideas Volume 27 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Journal Of The History Of Ideas Volume 27 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Journal Of The History Of Ideas Volume 27 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Journal Of The History Of Ideas Volume 27 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Journal Of The History Of Ideas Volume 27 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Journal Of The History Of Ideas Volume 27 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Journal Of The History Of Ideas Volume 27 books and manuals for download and embark on your journey of knowledge?

FAQs About Journal Of The History Of Ideas Volume 27 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Journal Of The History Of Ideas Volume 27 is one of the best book in our library for free trial. We provide copy of Journal Of The History Of Ideas Volume 27 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Journal Of The History Of Ideas Volume 27. Where to download Journal Of The History Of Ideas Volume 27 online for free? Are you looking for Journal Of The History Of Ideas Volume 27 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Journal Of The History Of Ideas Volume 27. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Journal Of The History

Of Ideas Volume 27 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Journal Of The History Of Ideas Volume 27. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Journal Of The History Of Ideas Volume 27 To get started finding Journal Of The History Of Ideas Volume 27, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Journal Of The History Of Ideas Volume 27 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Journal Of The History Of Ideas Volume 27. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Journal Of The History Of Ideas Volume 27, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Journal Of The History Of Ideas Volume 27 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
