BASHKIRTSEFF,2018 *Personal Effects* Sonia Wilson,2017-12-02 Five months before her death of tuberculosis in 1884 Marie Bashkirtseff an aspiring artist and a would be mondaine composed a preface to her personal diary In it she brazenly declared that in the event of her early death her diary was to be published Three years later a truncated version of the diary appeared Translated into English championed by Barres and Gladstone taken up by young diarists from France to the US the diary created a major sensation remaining standard reading for young women in both the anglophone and francophone worlds until the 1930s The first full length study to explore the questions that reading Bashkirtseff s journal raises with respect to both genre and gender construction *Personal Effects* examines the genre and gender issues at stake in Bashkirtseff s bid to go public with the personal and explores the discursive strategies by which Bashkirtseff writes her journal from the private context of its keeping to a public context of reading Wilson reads the diary as a performance of writing one in which a display of the personal mediates between the subjective and the social the private and the public
