EDGAR M. LEDYARD

# Journal Of The Birmingham Emigrating Co

**J. Cecil Alter**

## **Journal Of The Birmingham Emigrating Co:**

*A Journal of the Birmingham Emigrating Company* Leander Vaness Loomis, Edgar Madison Ledyard, 1928 Iowa Journal of History ,1929 **Biennial Report** Wyoming. Historical Department, 1926 Success Depends on the Animals Diana L. Ahmad, 2016-02-16 Between 1840 and 1869 thousands of people crossed the American continent looking for a new life in the West *Success Depends on the Animals* explores the relationships and encounters that these emigrants had with animals both wild and domestic as they traveled the Overland Trail In the longest migration of people in history the overlanders were accompanied by thousands of work animals such as horses oxen mules and cattle These travelers also brought dogs and other companion animals and along the way confronted unknown wild animals Ahmad s study is the first to explore how these emigrants became dependent upon the animals that traveled with them and how for some this dependence influenced a new way of thinking about the human animal bond The pioneers learned how to work with the animals and take care of them while on the move Many had never ridden a horse before let alone hitched oxen to a wagon Due to the close working relationship that the emigrants were forced to have with these animals many befriended the domestic beasts of burden even attributing human characteristics to them Drawing on primary sources such as journals diaries and newspaper accounts Ahmad explores how these new experiences influenced fresh ideas about the role of animals in pioneer life Scholars and students of western history and animal studies will find this a fascinating and distinctive analysis of an understudied topic Vanguards of the Frontier Everett Newfon Dick, 1941-01-01 Faith is neither static nor instantaneous It is not something we stumble upon and instantly understand Neither is it a monolithic one dimensional singular entity that has but one face one color one fragrance It is many faceted multi dimensional and appears differently depending on one s angle to the Son In Finding Faith in Slow Motion Damon Gray examines faith from myriad angles and through gut wrenching life experiences as he asks regarding faith What is that stuff Spanning the emotional gamut from laughter to tears Gray challenges us to define our faith and redefine it to look at it from a multitude of perspectives and define it again The writing is intentionally evocative and playful offering the reader the ability to identify with Gray as he wrestles with the weighty subject matter of finding faith **The Iowa Journal of History and Politics** ,1929 American Diaries William Matthews, Roy Harvey Pearce, Indians and Emigrants Michael L. Tate, 2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions

threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West s oldest cultural misunderstandings

**Gold Rush Capitalists** Mark A. Eifler,2002 Examines the interaction of capitalism and community in the founding of the gold rush city of Sacramento and of the clashes between miners and city founders *More Books* Boston Public Library,1929 [The World Rushed In](#) J. S. Holliday,2015-03-16 When *The World Rushed In* was first published in 1981 the Washington Post predicted It seems unlikely that anyone will write a more comprehensive book about the Gold Rush Twenty years later no one has emerged to contradict that judgment and the book has gained recognition as a classic As the San Francisco Examiner noted It is not often that a work of history can be said to supplant every book on the same subject that has gone before it Through the diary and letters of William Swain augmented by interpolations from more than five hundred other gold seekers and by letters sent to Swain from his wife and brother back home the complete cycle of the gold rush is recreated the overland migration of over thirty thousand men the struggle to strike it rich in the mining camps of the Sierra Nevadas and the return home through the jungles of the Isthmus of Panama In a new preface the author reappraises our continuing fascination with the gold rush experience as a defining epoch in western indeed American history

**The Library of Dr. Roger K. Larson** ,1995 *The Publishers Weekly* ,1929 **A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942** ,1942 **Utah Historical Quarterly** J. Cecil Alter,1928 List of charter members of the society v 1 p 98 99 *Oregon Historical Quarterly* Oregon Historical Society,1929 **Gold Rush Diary** Thomas D. Clark,2021-11-21 Among the hundreds captivated by the vision of quick riches in the gold fields of California was Elisha Douglass Perkins a tall handsome youth from Marietta Ohio who has here left a remarkable first hand account of the great trek westward in 1849 Perkins diary is an unusually full and intimate record of crossing the plains and mountains of the Great West Extensive notes supplement the text associating it with numerous other published and unpublished accounts while an appendix of reports and letters from the Marietta newspaper reveals the involvement of those at home with the Gold Rush An annotated map shows Perkins progress along the Overland Trail

**The American economic review** ,1929 [Catalog](#) Yale University. Library. Yale Collection of Western Americana,1962 **The Nebraska Sand Hills** Charles Barron McIntosh,1996-01-01 Charles Barron McIntosh has devoted a lifetime of scholarship to the history of human activity on Nebraska s Sand Hills the spare beautiful land that occupies much of western Nebraska From carefully deciphering Native American occupancy through rigorous analysis of thousands of arrowheads to patiently combing through decades of courthouse land title transaction records McIntosh has mastered the

sweep of centuries of human interaction with the land We learn how the land shapes humankind far more than pride would have us believe and we see that perhaps our real success lies in learning how to live with the land rather than attempting to master it The Nebraska Sand Hills reflects McIntosh s lifetime of learning reading questioning analyzing in short everything it means to be a scholar seldom are these efforts so well demonstrated His affection for this unique landscape is present on every page
