Journals Of Eleanor Druse:

The Journals of Eleanor Druse Eleanor Druse,2004-01-16 The newly built Kingdom Hospital in Lewiston Maine is one of the most technologically advanced hospitals in the country Unfortunately it was erected on the site of a terrible tragedy a textile mill fire that killed dozens of workers mostly children And it appears that beneath the sheen of the new construction and scientific innovations of The Kingdom an indecipherable and primal evil lurks and the soul of a trapped and helpless child cries out for solace

The Journals of Eleanor Druse Eleanor Druse,2005-05-01 Eleanor Druse s fascination with the paranormal intensifies after she has a near death experience and when she hears of strange occurrences at Kingdom Hospital she feels compelled to investigate It seems the hospital rests on the site of a textile mill that burned to the ground incinerating many workers including child labourers Eleanor is convinced that the spirit of one girl Mary Jensen is trapped in the hospital and that the apparition seeks resolution for her grisly death She also senses other evil presences in the ancient hallways These journals trace Eleanor s investigations from the beginning of her covert work up until its terrifying conclusion
