Reflective Practice and Learning From Mistakes in Social Work Sicora, Alessandro, 2017-03-08 What is a mistake in social work and how can we turn it into a positive learning experience Simply going over the events of the day is often not enough and can become overwhelming Learning from professional errors is however vital for successful reflective practice This important book presents a theoretical framework that underpins this learning along with a series of strategies for social workers to use either by themselves or as part of a group These include creating questions and narratives to enhance learning assertive techniques for receiving and offering criticism and organisational learning from mistakes With plenty of practice examples and questions for reflection this is essential reading for both social work students and practitioners and managers at all stages of their career

The McDonaldization of Social Work Donna Dustin, 2016-02-17 Based upon George Ritzer's McDonaldization of Society thesis and incorporating aspects of social theory this book examines the introduction of care management to social work practice Donna Dustin analyzes care management as an example of the managerial application of efficiency calculability predictability and control to social work practice These principles put to good use in organizations that produce tangible outputs at a profit are being increasingly applied in non profit public sector organizations where the outcomes require intangibles such as professional relationships The author examines whether the McDonaldization process heightens dilemmas such as cost versus rights for professionals working in the social services Using social theory to frame her research with care managers and their managers in the UK the author examines the day to day implications of care management for social work practice and questions whether the construction of service users as customers contributes to empowering practice The book's in depth analysis of the policy background implementation and practice of care management will resonate with social workers in other national contexts such as the US where the care management model has been introduced

Social Work Theories and Methods Mel Gray, Stephen Webb, 2012-12-14 The second edition of this celebrated book by two of the world's leading researchers in social work introduces readers to the main theories theorists and perspectives that contribute to the debate on social work theory and social work methods It brings together some outstanding international researchers in social work to challenge the reader to critically question how they think about social work The new edition includes a focus on the psychosocial perspective with three new chapters on Cognitive behavioural approaches Attachment theory and psychoanalytic social work Ecological approaches Each chapter allows the reader to relate the theories and methods discussed to their own personal experiences This reader friendly book

includes student questions glossaries and recommended reading so that students and practitioners can reappraise and expand the knowledge they have learned This book will be valuable for undergraduate and postgraduate students taking courses in social work theory and research methods social work interventions and perspectives as well as post qualifying students and researchers in social work *Handbook of Reflection and Reflective Inquiry* Nona Lyons,2010-04-07

Philosophers have warned of the perils of a life spent without reflection but what constitutes reflective inquiry and why it is necessary in our lives can be an elusive concept Synthesizing ideas from minds as diverse as John Dewey and Paulo Freire the *Handbook of Reflection and Reflective Inquiry* presents reflective thought in its most vital aspects not as a fanciful or nostalgic exercise but as a powerful means of seeing familiar events anew encouraging critical thinking and crucial insight teaching and learning In its opening pages two seasoned educators Maxine Greene and Lee Shulman discuss reflective inquiry as a form of active attention Thoreau's wide awakeness an act of consciousness and a process by which people can understand themselves their work particularly in the form of life projects and others Building on this foundation the *Handbook* analyzes through the work of 40 internationally oriented authors Definitional issues concerning reflection what it is and is not Worldwide social and moral conditions contributing to the growing interest in reflective inquiry in professional education Reflection as promoted across professional educational domains including K 12 education teacher education occupational therapy and the law Methods of facilitating and scaffolding reflective engagement Current pedagogical and research practices in reflection Approaches to assessing reflective inquiry Educators across the professions as well as adult educators counselors and psychologists and curriculum developers concerned with adult learning will find the *Handbook of Reflection and Reflective Inquiry* an invaluable teaching tool for challenging times **Counselling Skills for Social**

**Workers** Hilda Loughran,2018-11-20 Counselling skills are very powerful Really listening and providing compassionate empathy without judging is a core part of social work practice with service users This book provides a theoretically informed understanding of the core skills required to provide counselling interventions that work It provides detailed discussion of three core skills which are identified as talking and responding listening and observing and thinking Over 11 chapters these core skills are described in terms of what they mean how they can be learned and developed how they can be used and misused and most importantly how specific skills can be employed in a coherent and evidence informed counselling approach Loughran also looks in detail at the skills required to deliver interventions consistent with three approaches Motivational Interviewing Solution Focused Work and Group work Illustrative case examples and exercises offer further opportunities for reflection and exploration of self awareness as well as for practising and enhancing skills development thus making the book required reading for all social work students professionals looking to develop their counselling skills and those working in the helping professions more generally Terms such as social worker therapist and counsellor will be included as they inform counselling skills in social work **EBOOK: Developing Learning In Professional Education** Imogen Taylor,1997-10-16

EBOOK Developing Learning In Professional Education      *Exploring New Horizons for Decolonial Social Work Education*  
Carolyn Noble, Annaline Caroline Sandra Keet, 2024-11-01 This book presents current scholarship designed to decolonize reform and confront the Euro centric dominance in social work education and practice This compact volume strings together new content from internationally recognised authors in the field of social work to address this need Decolonising social work seeks to weaken the effect of colonialism and create opportunities to promote traditional practices in contemporary settings Its focus is to draw attention to the effects of globalisation and the universalization of social work education methods of practice and international development that fail to embrace and recognise local knowledges and methods by bringing new and fresh perspectives to social work It can also be seen as a significant contribution to social work s more critical stance and long standing struggle to challenge the hegemonic Euro centric epistemology With decoloniality becoming a global imperative this collection brings together case studies from world scholars and decolonial voices in order to explore opportunities challenges and trends to decolonize through culturally relevant curricula including Social Work and Decolonisation Student Social Workers Understanding of the Concepts of Culture Cultural Identity and Decolonisation Developing Curriculum for Criminal Justice Social Work from the Field New Directions in Trauma Work Cultural Trauma Theory as an Instrument to Contextualise and Address Histories of Pain in Global Communities Analysing and Understanding Intersections Using Nayak s Intersectional Model of Reflection in Social Work Teaching Decolonizing Social Work Education and Curriculum Utilizing Cultural Competemility and Professionalism Approach Exploring New Horizons for Decolonial Social Work Education is essential reading for practitioners policy makers instructors researchers and other social work professionals The book may be used as a supplemental text for social work courses The national and international focus of the volume will be highly relevant to all social work programmes across the globe
