Learning To Serve Jesus As A Role Model:

Learning to Serve Terry D. Powell, Lay Action Ministry Program (Englewood, Colo.), 1989 "Please Teach Me How To Become A Real Man of God" DR. CARLOS MOORE, 2016-02-19 This book will explain the natural process of Boys growing into Men Do not be confused by the size of a Male and call him a Man because he may still be a Boy Women today find it very hard to meet their mates for marriage This problem is getting worse day by day and I truly believe the cause is in direct proportion to the way parents are raising their boys If male and female marriages decrease then birth of children may decrease and that is tragic to the human race This book will explain to the reader some very basic steps on how to raise a boy and how to treat a man Women will learn a lot about their future mate as well as women will learn how to treat and cooperate with their present mate *Learning to Serve* Robert Samms, 2012-07-15 *Unleashing Dunamis* Dr. Lydia L. Chou, 2021-02-19 Wise singles will shine and lead many to righteousness like the stars forever and ever Daniel 12 3 God loves each single adult seeing them as precious worthy and complete in Christ He always has their best interests in mind and holds their earthly and heavenly security within his hands All single adults including those never married divorced and widowed will reap satisfaction in life when they unleash their dunamis as God intends such as when they trust in God the Lord becomes their everlasting strength Isaiah 26 4 The blessed assurance of eternally good life is theirs to embrace God is faithful and true Revelation 19 11 Nowhere in life is there anything that reaches higher and achieves more than the love and wisdom of Christ As church leaders reach their potential for God they can transfer their knowledge and experience to singles so that they can attain the life they were made to live It will be a privilege and an honor to provide what singles need for unleashing their dunamis May God bless the church and all wise singles *Stop! Think; Are You Killing Your Pastor?* Ira Gilbert, Many believers who are sheep have put so much on our pastor s shoulders When we neglect our own responsibility as sheep to help shape mold build the Body of Christ as well as to help guide new converts of faith As a pastor I did not have a notion about God s sheep so I began my journey to discover how to shepherd God s sheep Much to my surprise I found many different kinds of sheep faithful and unfruitful sheep gossiping sheep lying sheep sheep who cannot be trained dishonest sheep messy sheep faithful sheep blessed sheep loving sheep and more We have so many different types of sheep of various levels of faith and commitment but there is hope in the Body of Christ Are you blessing to your pastor and leaders Are you a sheep who brings joy or pain This story is one of feelings and how our feelings cannot drive our relationship with God because we have the mind of Christ When we allow our minds to be in control then we are unfruitful to God and will become a tool for the enemy to plant seeds of bitterness Our emotions are true but they are an enemy to your purpose and the Will of God *Philippians* Dr. David Jeremiah, 2020-08-18 Experience joy in any situation Follow Dr Jeremiah through the letter of Philippians in a chapter by chapter study that will help you understand what it meant to the people at the time it was written and what it means to Christians today The believers in Philippi were experiencing both concern for Paul while he

was in prison and spiritual discouragement Paul wrote this loving letter to encourage them in their faith and to remind them that there was a greater future in store for him and for them outside this world Paul even admits the tension he feels between living to continue sharing the gospel and dying so he can be with Christ This mindset allowed Paul to remain joyful in the midst of suffering and he knew the same would be true of the Philippi believers as well Each of this study s twelve lessons is clearly organized to include Getting Started An opening question to introduce you to the lesson Setting the Stage A short reflection to explain the context of the study Exploring the Text The Scripture reading for the lesson with related study questions Reviewing the Story Questions to help you identify key points in the reading Applying the Message Questions to help you apply the key ideas to their lives Reflecting on the Meaning A closing reflection on the key teachings in the lesson

ABOUT THE SERIES The Jeremiah Bible Study Series captures Dr David Jeremiah s forty plus years of commitment in teaching the Word of God In each study you ll gain insights into the text identify key stories and themes and be challenged to apply the truths you uncover to your life By the end of each study you ll come away with a clear and memorable understanding of that Bible book Each study also contains a Leader s Guide

Why Guys Need God Mike Erre,2008-01-01

Is the Christian community doing a good job of presenting the message of Jesus in a compelling way to men Women greatly outnumber men in attendance and active participation in American churches Pastor Mike Erre offers a solution for this imbalance a thoroughly biblical and engaging theology of manhood that is missing in many churches today This call to move past cultural definitions of masculinity goes straight to the heart of the issue Creation men and women bear the image of God in unique and surprising ways The fall men cannot experience significance on their own so their lives often feel meaningless and empty Redemption God redeems a man s work his sexuality and his relationships Unmasking unhelpful stereotypes of masculinity this presentation of godly manhood inspires men to more effectively grow in Christ s image and empowers women to understand and encourage the men in their lives

What's Right with the Church Elmer L. Towns,2009-09-15

The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism They knew that they were followers of the living Lord Jesus Christ They were members of a thing called the church Through the centuries the church has been the most powerful transforming force in history Yet in America many observe it as anemic and powerless Author Elmer Towns contends that there is good news there are many things that are still right with the church What Is Right with the Church affirms the positive things that are present in the church today and what will carry it forward as a transforming force This book is not a defense of the traditional church nor does it run to embrace all new forms of worship Rather this book examines the biblical nature of church allowing the best to come forth It is not a book about old churches new churches or home churches It is a book about what is right about every true church no matter the expression history or culture A growing number of people are not aware of the enduring strengths of the church The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith

in this new century they must be established on foundational biblical truths and core values And when this happens the church thrives as a transforming force A Touch of Love from Heaven Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident **Study Jesus' Teachings** Susan L.
