Learning Journey On The Red Road:

Welcome to the Oglala Nation Akim D. Reinhardt, 2015-09-01 Popular culture largely perceives the tragedy at Wounded Knee in 1890 as the end of Native American resistance in the West and for many years historians viewed this event as the end of Indian history altogether The Dawes Act of 1887 and the reservation system dramatically changed daily life and political dynamics particularly for the Oglala Lakotas As Akim D Reinhardt demonstrates in this volume however the twentieth century continued to be politically dynamic Even today as life continues for the Oglalas on the Pine Ridge Reservation in southwestern South Dakota politics remain an integral component of the Lakota past and future Reinhardt charts the political history of the Oglala Lakota people from the fifteenth century to the present with this edited collection of primary documents a historical narrative and a contemporary bibliographic essay Throughout the twentieth century residents on Pine Ridge and other reservations confronted resisted and adapted to the continuing effects of U S colonialism During the modern reservation era reservation councils grassroots and national political movements courtroom victories and losses and cultural battles have shaped indigenous populations Both a documentary reader and a Lakota history *Welcome to the Oglala Nation* is an indispensable volume on Lakota politics

The Red Road and Other Narratives of the Dakota Sioux Samuel Mniyo, Robert Goodvoice, 2020-02-01 This book presents two of the most important traditions of the Dakota people the Red Road and the Holy Dance as told by Samuel Mniyo and Robert Goodvoice two Dakota men from the Wahpeton Dakota Nation near Prince Albert Saskatchewan Canada Their accounts of these central spiritual traditions and other aspects of Dakota life and history go back seven generations and help to illuminate the worldview of the Dakota people for the younger generation of Dakotas also called the Santee Sioux The Good Red Road an important symbolic concept in the Holy Dance means the good way of living or the path of goodness The Holy Dance also called the Medicine Dance is a Dakota ceremony of earlier generations Although it is no longer practiced it too was a central part of the tradition and likely the most important ceremonial organization of the Dakotas While some people believe that the Holy Dance is sacred and that the information regarding its subjects should be allowed to die with the last believers Mniyo believed that these spiritual ceremonies played a key role in maintaining connections with the spirit world and were important aspects of shaping the identity of the Dakota people In *The Red Road and Other Narratives of the Dakota Sioux* Daniel Beveridge brings together Mniyo and Goodvoice s narratives and biographies as well as songs of the Holy Dance and the pictographic notebooks of James Black Jim Sapa to make this volume indispensable for scholars and members of the Dakota community

Putting the Local in Global Education Neal W. Sobania, 2023-07-03 The position taken in this volume is that domestic off campus study can be just as powerful a transformative learning experience as study overseas and

that domestic programs can equally expand students horizons their knowledge of global issues and processes their familiarity and experience with cultural diversity their intercultural skills and sense of citizenship This book presents both the rationale for and examples of study away an inclusive concept that embraces study abroad while advocating for a wide variety of domestic study programs including community based education programs that employ academic service learning and internships With the growing diversification regionally demographically culturally and socio economically of developed economies such as the US the local is potentially a doorstep to the planet and presents opportunities for global learning Moreover study away programs can address many of the problematic issues associated with study abroad such as access finance participation health and safety and faculty support Between lower costs the potential to increase the participation of student cohorts typically under represented in study abroad the lowering of language barriers and the engagement of faculty whose disciplines focus on domestic issues study at home can greatly expand the reach of global learning The book is organized in five sections the first providing a framework and the rationale for domestic study way programs addressing administrative support for domestic vs study abroad programs exploring program goals organization structure assessment and continuous improvement and considering the distinct pedagogies of experiential and transformative education The second section focuses on Semester Long Faculty Led Programs featuring examples of programs located in a wide variety of locations from investigations into history immigration culture and the environment through localities in the West and the Lowcountry to exploring globalization in L A and New York Section three highlights five Short Term Faculty Led Programs While each includes an intensive immersive study away experience two illustrate how a 7 10 day study away experience can be effectively embedded into a regular course taught on campus The fourth section on Consortium Programs describes programs that are either sponsored by a college that makes its program available to consortium members and non members or is offered by an independent non for profit to which institutions send their students The final section on Community Engagement and Domestic Study Away addresses the place of community based education in global learning and provides examples of academic programs that employ service learning as a tool for collaborative learning focusing on issues of pedagogy faculty development and the building long term reciprocal relationship with community partners to co create knowledge The book is intended for study abroad professionals multicultural educators student affairs professionals alternative spring break directors and higher education administrators concerned about affordably expanding global education opportunities

American Warrior Gary O'Neal, David Fisher, 2013-05-14 The epic story of one of America s greatest soldiers Ranger Hall of Fame member O Neal who served his country for 40 years Part Native American he combined technical skills with a fierce warrior spirit and earned several honors

Legend of the Rainbow Warriors Steven McFadden, Ven. Dhyani Ywahoo, 2005-07-13 Legend of the Rainbow Warriors is a journalist s account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time One dominant myth is formed by

advertising images of vast luxurious wealth the myth of materialism Another myth is conjured in the bloody sorrowful images that pervade movies music and computer games the myth that the world is hate filled and chaotic beyond redemption The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect freedom and responsibility As drawn from dozens of historical accounts the Legend of the Rainbow Warriors relates that when the Earth becomes desperately sick people of all colors and faiths will unite and rise to face the overwhelming challenges with insight honesty caring sharing and respect Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted eye opening and soul inspiring

Learning Journey on the Red Road Floyd Looks for Buffalo Hand,1998 Learning Journey on the Red Road is based upon my traditional upbringing as a spiritual interpreter and the teachings of my ancestors handed down to me by my elders to deliver to the people It is a procedure a circle of life for Indian people for school children and for anyone regardless of religion or ethnic background who has a desire to attain a higher level of learning Learning Journey on the Red Road is about the spiritual beliefs that have sustained the Lakota people since the beginning of time It is about my vision of the White Buffalo Calf Lady the Virgin Mary her prophecies for all mankind and my role as her messenger of peace love and harmony among the people of the world The Sacred Pipe teaches that we are now in the time of the Seventh Fire or Seventh Generation a time of profound earth changes also foretold in the Book of Revelations and in the ancient Hebrew teachings of the Kabbala North America known to its original inhabitants as Turtle Island holds the roots of these changes Here the supreme law is the woman Her three sons Buddha Christ and Mohammed have brought their children here to work together and honor the physical energies given to them by the Great Spirit to protect the water our blood to the Asian people the air that we breathe to the Europeans the fire our heart spirit to the Africans and the earth our flesh to the Indian people of Turtle Island These covenants were violated by each nationality in their own lands Now during this critical time in the history of the Indian people and all of mankind we must look to the traditional holistic ways of this island and learn the common sense of bonding with Mother Earth and all living things We must heed the warnings of the seven angels seven separate energy forces like the angel of fire El Nino Now in the time of the Seventh Fire we need to come together in one mind one heart and one spirit before it is too late Book jacket *The Red Road (?ha?kú Lúta)* Four Arrows,2020-08-01 The diversity and Inclusion movement in corporations and higher education has mostly fallen short of its most authentic goals This is because it relies upon the dominant worldview that created and creates the problems it attempts to address Rediscovering and applying our original Indigenous worldview offers a remedy that can bring forth a deeper and broader respect for diversity and a different way to understand and honor it This book offers a transformative learning opportunity for preserving diverse environments at every level one that may be a matter of human survival Praise for The Red Road Linking Diversity and Inclusion Initiatives to Indigenous Worldview Four Arrows has combined his internationally respected scholarship on Indigenous worldview with

experience based story telling to help bring forth a more effective way to actualize authentic respect for diversity especially as it relates to transformational curricula in higher education Had humanity begun this project long ago Nature would not have to be bringing us back into balance so radically now Tom McCallum White Standing Buffalo M tis Michif speaking elder Cree Sundance Lodge Keeper and author Five hundred years of colonization has divided humanity separated us from our relatives and reduced them to objects to be exploited for commerce and greed We are now steeped in multiple life threatening crises and staring at extinction The road of violence extermination and extinction has been paved by colonizing the land diverse cultures our minds and the future The Red Road Linking Diversity and Inclusion Initiatives to Indigenous Worldview by Four Arrows provides a path to the future a path of peace with signposts from Indigenous world views that recognize that we are interconnected and are all members of one Earth family Our highest duty our Dharma is living in harmony with all our relations Vandana Shiva Scholar Physicist environmental activists and recipient of the Alternative Nobel Peace Prize the Right Livelihood Award Director of NAVDANYA and author of over 20 books including Oneness vs the 1% and Who Really Feeds the World
