what the cards are trying to tell you This book is perfect for the beginner all you need to read the tarot is this book and a deck of cards preferably the standard Rider decks you can find anywhere We start you immediately practicing our unique easy and fun exercises with your cards You will spend your time playing with your cards not memorizing rules and dogma from some book of archaic superstition and vague cards meanings You see this is not yet another book of Tarot card meanings How boring is that We will start your hands on learning immediately you will be playing with your Tarot cards as they reveal the future to you You learn by doing not by memorizing outdated lies and superstitions This is our official Tarot academy textbook the same one we use to turn beginners into professionals This hands on time and practice is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more and more reliant on them for card meanings Here is what you will by reading this book What your cards are telling you every time you ask a question What various meanings your cards can have how else can 78 cards describe the thousands of things that could happen to you on any given day How to cast a spread and actually get reliable answers The best spreads to use how to use them and when to use them for any occasion What the cards traditionally mean and why that is important but not more important than what your intuition is telling you right now The difference between average Tarot readers and masters is their ability to hear their inner voice and see how card meanings adapt to the question being asked We help you instinctively see exactly how cards blend influence and aspect other cards and how to answer ANY question even if you have never picked up a deck We do this through unique exercises and games taught nowhere else in the world Click on the Look Inside link above to see exactly how you will quickly and easily master the Tarot This is a highly interactive workbook You don t just read this book and put it on the shelf you practice what you learn in real time and you see results instantly from your education The more you practice the better your results will be and the more you will understand your cards We even have TONS of free videos every week and audio lessons to supplement your education at our easy tarot lessons website This book is the best way to start learning the tarot When you have completed this book and you want to read cards better than most professional tarot readers you will ever meet you will want to pick up a copy of Advanced Tarot Secrets That book will help you get 3 5 times more information from every spread you cast than anyone you know and it will teach you the deepest secrets of distance divination and manifestation Best of all unlike any other professionally published tarot book this book comes with complete support If you ever get lost stuck or bored we are here to help You can find us inside the book Thanks for checking out The Easiest Way to Learn the Tarot EVER We are here to help you This is all we do *Basic Guide for Learning Tarot Cards* Renee Hayes,2021-03-14 Basic Guide for Learning Tarot Cards Quickly and Easily to Learn Tarot Cards Tarot has long been met with superstition and was once seen as the preserve of hippies with a fondness for the occult and chintzy fortune teller stereotypes Now the art of reading the tarot is back in style Although tarot is becoming more mainstream learning Tarot can still seem intangible and confusing What is tarot where does it come from and what do the cards mean I still remember I felt

so overwhelmed when I started my tarot journey But don't panic Tarot fundamentals are easy to understand I've broken down everything a beginner should know in this simple Tarot for beginner's book to learn Tarot fast so you can do your first reading in a week *I Can Read Tarot* Elisa Sofo, 2020-02-05 A beginner's tarot book with full colour photos of all seventy-eight cards from the Rider Waite deck surrounded with many key terms relative to each individual card providing a quick and easy reference guide This book covers a selection of topics related to the tarot and answers some of the most frequently asked questions posed by beginners

Learning Tarot Reversals Joan Bunning, 2003-11-01 Think of the last time you did a tarot reading or had one How many of the cards were reversed Close to half Well of course So why do so many books treat reversed cards in what is basically a cursory manner Joan Bunning to the rescue with *Learning Tarot Reversals* finally reversed cards get the attention they deserve Traditionally reversed cards are read as the polar opposite of what the upright card represents While this method of reading has its place the effect of reversed cards their number groupings and where they fall in a tarot spread can deepen any reading and bring subtle nuances into play Bunning points out that a reversed card can also indicate a build up to lack of or decline from the event or condition represented by that card Linking cards together based on the presence of reversed cards thus gives a reading a natural flow of high points and low points without abrupt transitions In a format usually reserved for upright cards Bunning describes every reversed card in the deck with a brief description of the upright meaning and more detail about the reversed meaning Following the format of her best selling *Learning the Tarot* Bunning who is a masterful teacher presents lessons that build on each other smoothly allowing a student to progress to increasingly complex readings and understanding with ease Bunning also includes a handy section of keywords for easy reference

has increased in popularity possibly because of the uncertain times we are living in or because it is a part of a larger trend towards mindfulness. No matter the reason you are drawn to the Tarot with the information in this book you can easily learn how to read and use the cards. We'll explore the 22 cards of the Major Arcana, the trump cards of the Tarot deck. These cards represent the life lessons or archetypal themes in our lives. The symbology and meanings associated with the Major Arcana can be complex and in this book you'll find complete descriptions of their illustrations and traditional symbols. We also explore common themes that are asked of the Tarot such as Health, Love, Career, Finance, and Spiritual meanings including keywords to remember. Next we introduce the 56 cards of the Minor Arcana, the minor cards. These cards of the Tarot represent those day to day experiences in life. Represented by numbers or pips, the Minor Arcana is outlined in four Suits: The Cups, The Swords, The Coins, and The Wands. These cards are found represented by Ace through 10s as well as Court Cards or Page, Knight, Queen, and King. We'll learn how these Minor Arcana cards relate to each other in terms of which Suit they are and common interpretations for each card. Finally you'll find sample spreads and techniques for dealing and reading your Tarot cards. The rewards you'll obtain by being able to confidently shuffle and cast cards will be worth the time and effort you put into learning Tarot. One of the most important factors to consider is your reason for wanting to learn Tarot. Use this reason to motivate you to develop a personal relationship with each of the Major cards and then onto the Minor. In this book you'll learn The History of Tarot, How to choose your first deck and clear energies, Breakdown of the Major and Minor Arcana, Introduction to The Fool's Journey, Techniques for Reading Tarot, Practice Spreads, Sample Readings, And so much more. In this book you will discover how to create a connection to the Tarot and develop your skills of intuition as you work with the cards. It's this connection that you will rely upon to form your own opinions and explanations of the readings you provide for yourself and others. Get your copy of Tarot For Beginners today.

Learning Tarot Spreads Joan Bunning, 2007-01-24

Each tarot reader has a unique style that they hone over time into the fine art of divining the future. In this essential guide to arranging cards into prophetic patterns, Joan Bunning has compiled a veritable encyclopedia of tarot spreads with great appeal for accomplished readers who want to explore further as well as novices with their very first deck. What sets Joan Bunning apart from every other writer on the subject of tarot is her ability to take a rather complicated esoteric system and break it down into manageable, clear and easily learned parts. Chapters include spreads for relationships, family, love, money, health, work, and even specific time periods. Sample spreads are comprehensive, ranging from many-card Gypsy spreads to quick and easy Three Card Draws. She also gives the reader reference charts, exercises, and structured tarot lessons.
