Leaves In Her Shoes:

The Leaves in Her Shoes J. L. Jacobs,1992 **The Outfielder** Joseph A. Richman,Carl L. Steinhouse,2011-11-04 Dr Bernie Feld a well known and successful psychiatrist in New York City embarked on a journey to uncover the horrible secrets of his fathers past as an inmate in Auschwitz and learn the tragic fate of his mother who seemingly abandoned him at age twelve The quest almost destroyed his medical career and the relationship with the woman he loved From childhood Feld knew his father was a survivor of the infamous Auschwitz but not much more certainly not the horrible secrets his father harbored As a young boy and a teenager Bernies real dream was to become a major league baseball player It was not the usual childs daydream because Bernie had the talent drive desire and the passion to become a professional However Bernies father now a tailor in New York forbade Bernie from pursuing baseball and an athletic scholarship A Holocaust survivor his father had been a former inmate doctor at the Auschwitz Now he pushed Bernie into becoming a doctor impressing on Bernie how he sacrificed his own chance to for a medical career in America to send his son to the finest medical school to become a successful doctor just as he his father had been in Germany before the Holocaust A fateful meeting with an Israeli Mossad agent however caused Bernie Feld to abandon his lucrative New York psychiatry practice and his patients and destroy the relationship with the woman he loved by embarking on a quest to Israel to uncover the truth He found an ostracized Auschwitz survivor exiled to a remote and lonely Judean Desert who reluctantly revealed the horror of the Gestapo roundup of his fathers family and the incomprehensible and devastating facts about what his father did in Auschwitz as an inmate doctor Further he also learned for the first time what had actually happened to his mother who had supposedly abandoned him Feld now faced the daunting task of trying to put back together his shattered life The Works of Francis Rabelais François Rabelais,1851 *Battles of the British Navy: from A.D. 1000 to 1840* Joseph ALLEN (of Greenwich Hospital.),1849

My Train Leaves at Three Natalie Guerrero,2025-07-15 By a striking new voice in fiction an electric coming of age novel that explores grief family sexuality and love as an ambitious young woman from Washington Heights tries to make it on Broadway Guerrero leaves the reader not just enthralled and delighted but waiting with bated breath for what she will conjure up next Xochitl Gonzalez author of Anita de Monte Laughs Last After her sister Nena s sudden death Xiomara an Afro Latina singer and actress born and raised in Washington Heights is numb With her sister gone Xiomara painfully close to thirty is living in a tiny apartment with her ultra Catholic Puerto Rican mother and having the same shitty sex with the same

shitty men that she's been entertaining for years. Behind on rent despite two minimum wage jobs, one of which involves singing show tunes while serving pancakes to tourists at Ellen's Stardust Diner, Xiomara is bitingly cynical, especially in her grief and barely treading water. But when a once-in-a-lifetime opportunity falls into her lap, the chance to audition for Manny Santos, the most charismatic director of the moment, Xiomara sees a second chance to pursue the dream she thought she'd lost. Meanwhile, something about Santi, a new co-worker at the print shop where she spends half of her days photocopying other performers' headshots, starts to tug at the threads of her apathy. Nothing is simple, and soon Xiomara finds herself interacting with the ugliest sides of the industry and the powerful men who control it. Sometimes the closer you are to your dreams, the further away you become from yourself, and as Xiomara grapples with this hard truth, she is forced to ask herself if she has what it takes to build a new shiny life without losing the truth of her old one. With hopeful spirit and unapologetic energy, *My Train Leaves at Three* is a coming-of-age story about the balancing act between moving on and moving forward.

Until Leaves Fall in Paris Sarah Sundin, 2022-02-01 Winner of the 2022 Christy Award for Historical Romance. With meticulous historical research and an eye for both mystery and romance, Sundin rises to the top of World War II fiction in this latest novel. Library Journal starred review: As the Nazis march toward Paris in 1940, American ballerina Lucie Girard buys her favorite English language bookstore to allow the Jewish owners to escape. Lucie struggles to run Green Leaf Books due to oppressive German laws and harsh conditions, but she finds a way to aid the resistance by passing secret messages between the pages of her books. Widower Paul Aubrey wants nothing more than to return to the States with his little girl, but the US Army convinces him to keep his factory running and obtain military information from his German customers. As the war rages on, Paul offers his own resistance by sabotaging his product and hiding British airmen in his factory. After they meet in the bookstore, Paul and Lucie are drawn to each other, but she rejects him when she discovers he sells to the Germans. And for Paul to win her trust would mean betraying his mission. Master of WWII era fiction, Sarah Sundin invites you onto the streets of occupied Paris to discover whether love or duty will prevail. This potent synthesis of history, love, and faith will delight romance readers. Publishers Weekly: A compelling exploration of the seemingly simple good things that end up requiring great sacrifice and having far-reaching impacts. Booklist starred review. *When Leaves Listen* Katie Feavel, 2019-08-03 *When Leaves Listen*, the first book in a planned series, blends the magic of Madeleine L'Engle's *A Wrinkle in Time*, the metaphysical undertones of Phillip Pullman's *His Dark Materials*, and a flare of the dystopian adventure found in Suzanne Collins' *The Hunger Games*.
