capitalized on mortal risk and benefited from the chaos that ensued **The Story of the Rockefeller Foundation**

Raymond B. Fosdick, 2017-09-29 Since its original publication in 1952 Fosdick's book has been the single most reliable treatment of one of the most important philanthropies in the United States and indeed the world Fosdick served as president of the foundation for twelve years from 1936 to 1948 when it was the largest grant making endowment in the world As Steven Wheatley notes in his valuable new introduction in part The Story of the Rockefeller Foundation was intended as an instrument of institutional self defense When it was written the foundation community was under mounting political attack from the right and the book was meant to help balance the Scales by cataloging the foundation's good works As a deliberate self portrait the book conceals as much as it reveals while in the process it reveals a good deal about the author Fosdick sees politics like bureaucracy as perhaps an avoidable problem and not an inevitable consequence of foundation activity He sees foundations as engaging in the application of scientific technical and organizational solutions to public problems through a venture capitalist approach to discovering how to resolve them Fosdick's higher ground approach became established philanthropic practice far beyond the Rockefeller Foundation Consequently this volume is significant as an institutional history as well as a charter for American foundations **Saga Time** John Fulford Vicary, 1887 **Times of Harvest: The**

**End Times Saga Short Story Collection** Cliff Ball, Times of Harvest is an End Times short story collection based off the End Times Saga series of novels Jonathan Tsosie an Arizona Navajo who becomes a Christian as a youth while spending a summer with a Christian family in Phoenix Becomes a law enforcement officer for the Nation as an adult Helps fellow Christians avoid government authorities Laura Hall A high school student who is the senior class treasurer for her school Is a dedicated Christian Ends up at Camp 13 when the government rounds up all the Christians Jon Ryan The family doctor for the Atwoods in Nebraska Starts his career around the time the United States Health Service comes into being Skips around government regulations for many years before the government finds out Xavier Doolittle The head of the Secret Service at the White House Is a backsliding Christian and we read about the back story of what led him in that direction Burned

The Saga of the Lion and the Lamb JZ Z Greiner, 2018-05-17 Erik Christian Denman was a youthful genius general in the Royal Danish Army who went rogue after the Danish occupation by Nazis in WWII Leading a group of elite saboteurs and assassins to uncountable and legendary victories in the final months of 1944 he made a series of strange decisions that seemingly put him and his men in mortal danger With him as a brilliant militarist and fearsome combatant coveted by nation states across Europe his men wondered if Danish General Denman was a gifted warrior who would lead them to continued victories or a genius madman who would get them killed With questions haunting him about life that man had yet to answer and might never answer General Denman was not certain he was the godsend saint people believed him to be or the spawn of Satan he feared he might be In December of 1944 in the midst of

battle his men realized that they had a very very dangerous man on their hands Deliberately idealized and idyllic to depict his diametrically opposed selves graphically General Denman's cast of characters are likeable men and women to be enjoyed and admired as they live through his saga with him often pulling him in opposing directions or supporting him lovingly Plagued by remorseful doubt and whipped to the core body and soul General Denman struggled to continue to do his dirty job While he performed superbly like us he was unaware of how he had impacted their lives General Erik Christian Denman made his way among people who did not understand him with his God Who did not understand him in a world that did not understand him like the rest of us Eventually the disconnected pieces of the puzzle of his life formed a complete picture Though he was once tormented by the unwelcome assaults of despair and resignation his end of days was an affirmation of hope and a celebration of his virtue

*The Fields of Anarchy: A Great War Saga* Gaurav Garg, 2025-05-16 From the simmering tensions of pre war Europe to the mud soaked trenches of the Western Front the forgotten colonial battlefields of East Africa and the revolutionary streets of Petrograd *The Crimson Tide of War* plunges into the heart of World War I Follow the intertwined destinies of five individuals a British journalist chasing truth amidst propaganda a patriotic German student whose idealism shatters in the crucible of combat a Serbian operative fighting for his nation's survival a compassionate French nurse battling death daily and a German officer waging a lonely guerrilla war in Africa Their lives are irrevocably altered by the war to end all wars Witness their struggles for survival their moral dilemmas and their desperate search for meaning as empires crumble and a new world order struggles to be born from the ashes From the assassination in Sarajevo to the Treaty of Versailles this epic historical saga captures the immense human cost and the enduring spirit of a generation caught in the unforgiving machinery of global conflict Will they find their fragile dawn or will the echoes of war silence them forever
