Fever Sweat Tales From A Seething Mind:

Fever Sweat Mel Cartagena, 2005-10-01 Fever Sweat behold the clarity of the mind clouded by fever See the lonely man invoke his dead father as he works the courage to do a bad thing watch what happens when a man who fought in life to have his own way discovers the price of having a conscience in death observe the evolved vampire at work selfishness taking shape in the California desert one mans trash becomes anothers treasure with a vengeance an avenging nemesis expresses himself with hand sketches true love blooms after a twisted chase a desperate source of survival plays a mean joke on a needy soul the ghosts of Woodstock past teach a lesson to the greedy corporate maggots and Jesus himself is made vulnerable by curiosity Fever Sweat imagination fogged by high temperatures reinterpreted through nightmare visions collected in the form of tales

Fandango and Other Stories Alexander Grin, 2020-01-07 In a bucolic idyll a terrorist agonizes over the act of violence he is about to commit On a remote island in the South Pacific the investigation of a case of mass suicide reveals further mysteries In a far flung colony a cynical trio sends an unwitting man into the wilderness in search of a chimera Mixing romance and high adventure intrigue and the fantastic these magnificent tales by one of Russia s most enduringly popular writers deftly probe the depths of human nature and desire Fandango and Other Stories presents a selection of essential short fiction by Alexander Grin Russia s counterpart to Robert Louis Stevenson Edgar Allan Poe and Alexandre Dumas By turns a sailor a dockworker a vagrant a gold prospector a lumberjack a soldier a deserter an agitator an exile a prisoner and a runaway Grin wrote seven novels and over three hundred short stories that transport the reader to a realm of pure art and imagination His ingenious plots explore conflicts of the individual and society in a romantic world populated by a cast of eccentric cosmopolitan characters Fandango and Other Stories includes works drawn from across the entirety of Grin s varied career to encompass the range and sophistication of his writing Bryan Karetnyk s elegant translations bring Grin s distinctive voice to a new generation of readers

The Kingdom of Slender Swords Hallie Erminie Rives, 2022-06-03 The Kingdom of Slender Swords by Hallie Erminie Rives is an adventurous tale set in the country of Japan in the Meiji period The sacrifice of the girl Haru may seem unreal but such is the dominant idea of duty and sacrifice among the Japanese that in certain emergencies it is not at all unlikely that we should behold her real prototype in life The description of the Imperial Review at Tokyo and its patriotic significance vividly recalls one s own impression of this spectacle In the chapters of this novel the author seems always to have had such high ideals before her and the result is that besides being an exciting and agreeable reading the book contains elements of serious and instructive consideration which can not but contribute toward establishing better and healthier knowledge between the East and West of the Pacific Excerpt All that Japanese April day she had been in a state of tremulous excitement She had crept from her berth at dawn to see the hazy sun come up in a Rosicrucian flush as weirdly soft as a mirage to strain her eyes for the first filmy feather of land Long before the gray green wisp showed on the horizon the sight of a lumbering junk with its square sail laced across with white

stripes and its bronze seamen with white loin cloth and sweat band about the forehead naked and thewed like sculptures as they swayed from the clumsy tiller had sent a thrill through her And as the first far peaks etched themselves on the robin s egg blue as impalpable and ethereal as a perfume she felt warm drops coming with a rush to her eyes **Hermead:**
