**Schools as Dangerous Places** Tom A. O'Donoghue,2007 The lack of serious study on how dangerous schools as institutions can be is a little surprising given that the matter was put squarely on the research agenda in persuasive fashion by Waller back in 1932 The lack of response to the possibilities opened up means that a vibrant research agenda still awaits construction This book will stimulate debate on the matter from the historical perspective It consists of fifteen chapters drawing on historical case studies from the United States Canada England Ireland Scotland and Australia written by international scholars in the field These chapters are helpfully grouped into three sections The first section focuses on certain dangers to which pupils were exposed in the past and on certain dangerous practices which they promoted The

second section examines dangers to which teachers were exposed in the past along with dangerous practices which they themselves promoted In the final and third section the chapters explore the dangers to which teachers and students were exposed in the past at the university level Throughout the book the emphases range from dangers emanating from the institutions themselves and the patterns of relationships that developed in them to what occurred due to particular ideologies and practices connected with sport sex religion and science Schools as Dangerous Places delivers a historical perspective of schools in a manner that is most unusual This unique study helps us examine education through a very different lens The Codes of Advertising Sut Jhally, 2014-05-22 This book examines the commercial speech of advertising as a cultural phenomenon whose social significance far exceeds its economic influence Jhally argues that by selling viewing time to advertisers television converts audiences into laborers who work for the media in the same way that workers do in a factory By watching commercial messages on TV viewers actively create symbolic meaning but also generate profit for the media in return for the wage of entertainment *Women of Other Worlds* Helen Merrick, Tess Williams, 1999 Feminist science fiction is a rich space at the intersection of popular literature and feminist thought This book examines this phenomenon collecting work from all aspects of feminist SF fiction poetry criticism fan writing even a recipe It presents an international sampler of a vibrant form of women's writing *The Reader, the Body, and the Book* Natasha Anderson, 2025-05-15 How do books dazzle disgust or delight audiences What entices readers to track characters trials and tribulations Why do stories echo across the ages with their intensity Books with vibrant somatic elements prompt us to identify with protagonists who fall in love flee from pursuers and fight for survival enhancing the awareness of our own bodies This transatlantic diachronic study of 19th century literature analyzes the rising complexity of sensorimotor descriptions in four major Victorian novels Anne Brontë's *The Tenant of Wildfell Hall* Charlotte Brontë's *Villette* Henry James's *The Portrait of a Lady* and Thomas Hardy's *Tess of the d'Urbervilles* Based on phenomenological insights of French philosophers Maurice Merleau-Ponty and Paul Ricœur this groundbreaking research on visceral reading experiences in British and U.S. American fiction illuminates the immersive appeal of bodily motions and sensations in books film adaptations and digital resources of the 21st century *Ecocriticism in Japan* Hisaaki Wake, Keiichi Suga, Yuki Masami, 2017-11-30 What can ecocriticism do when engaging with Japanese literature and culture This edited volume *Ecocriticism in Japan* attempts to answer this question The contributors place themselves inside the domestic fields of production of works of art and express their concerns and ideas for the English speaking spheres of the world Taking up subjects ranging from the eleventh century novel *The Tale of Genji* an early twentieth century writer Taoka Reiun the post WWII atomic bombing literature by women the internationally renowned Abe Kobo the Nobel laureate Oe Kenzaburo the world widely popular writer Murakami Haruki the Minamata writer Ishimure Michiko and the anime artist Miyazaki Hayao to the recent TV anime *Coppelion* a production that foresaw a devastating nuclear disaster after the Great East Japan Earthquake this volume extricates and discusses innate complex values of Japanese people and culture in terms of
