Fidel Castro Leader Of Cubas Revolution:

The Declarations of Havana Fidel Castro, 2018-11-27 In response to the American administration's attempt to isolate Cuba Fidel Castro delivered a series of speeches designed to radicalize Latin American society As Latin America experiences more revolutions in Venezuela and Bolivia and continues to upset America's plans for neo liberal imperialism renowned radical writer and activist Tariq Ali provides a searing analysis of the relevance of Castro's message for today *My Life* Ignacio Ramonet, Fidel Castro, 2009-06-09 Fidel Castro is perhaps the most charismatic and controversial head of state in modern times A dictatorial pariah to some he has become a hero and inspiration for many of the world's poor defiantly charting an independent and revolutionary path for Cuba over nearly half a century Numerous attempts have been made to get Castro to tell his own story but only now in the twilight of his years has he been prepared to set out the details for the world to read Drawing on more than one hundred hours of interviews with journalist Ignacio Ramonet a knowledgeable and trusted interlocutor this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times From publisher description *Fidel By Fidel: An Interview With Dr. Fidel Castro Ruz* Fidel Castro, Jeffrey M. Elliott, 2015-12-03 Dr Jeffrey M Elliot and former Rep Mervyn M Dymally here contribute a lengthy revealing interview with Cuban President Fidel Castro discussing a wide ranging series of topics dealing with local and international politics and economics as well as the future of Cuba the third world Central and South America and the United States [Fidel Castro Reader](#) Fidel Castro, David Deutschmann, 1999 Fidel's devotion to the word is almost magical Gabriel Garcia Marquez Here at last is a comprehensive selection of the speeches of one of the world's greatest orators Fidel Castro This anthology presents the unfolding process of the Cuban Revolution from the euphoria of the early years through to the economic crisis that devastated the island following the collapse of the socialist bloc The Fidel Castro Reader includes a chronology of the Cuban Revolution and an extensive glossary making it an essential reference for scholars researchers and general readers Fidel Castro led the guerrilla movement in Cuba that overthrew the Batista dictatorship in 1959 Since then the Cuban president has been the nemesis of ten U S administrations **Cartas Del Presidio** Fidel Castro, 2007 Early in Ann Louise Bardach's Cuban voyage she came across Cartas de Presidio or The Prison Letters of Fidel Castro Edited by Luis Conte Aguero who was the recipient of most of these letters they are cited in every important work from Hugh Thomas opus Cuba to Tad Szulc's Fidel biography and everything in between and since These twenty one letters nine to Conte Aguero six to his late sister and close collaborator Lidia one to his wife Mirta one to his comrade in combat Melba Hernandez letters one to the great scholar Jorge Manach are regarded as the single most valuable and revelatory document regarding Fidel Castro and the Cuban Revolution Never before published in English these letters were written when Castro was imprisoned for his failed attack on the Moncada from 1953 to 1955 and reveal a man of spectacular ambition and steely determination A man who despite being incarcerated to serve a lengthy prison term never wavers in his confidence that he will one day rule Cuba **Ché** Fidel

Castro,2006 Castro s own description of the historic political partnership that changed the face of Cuba and Latin America He vividly portrays Che the man the revolutionary and the thinker recounting in detail his last days with Che in Cuba and giving a frank assessment of the Bolivian mission *Fidel Castro Speaks* Fidel Castro,1970 **Fidel Castro** Tom Gibb,2001 Discusses the life and times of Fidel Castro who became dictator of Cuba in 1959 and how he reorganized the country into a Communist state **Fidel and Religion** Fidel Castro,Betto (Frei),1987 Castro affirms the compatibility of Marxist revolution and religion and reminisces about growing up Catholic Comrade of the Revolution FIDEL. CASTRO,2021-09 You cannot kill ideas Fidel for the Third World was not merely another leader He was the mirror of its aspirations That mirror will never be shattered From the Introduction Fidel Castro s speeches were classrooms for the revolution Through these speeches Fidel came before the people to explain the conjuncture and problems the government faced with honesty and by putting them into historical context Each of his speeches is a tour de force of explication a history lesson a sociology lesson a political lesson and even a lesson on literature Fidel reached back to revolutionaries from an earlier time and dug into the data produced by the government The traditions experiences and oral histories of national liberation and Marxism Leninism articulated by Fidel came alive as he spoke to new audiences engaged in building a socialist experiment just miles away from the heart of the empire Fidel Castro launched a battle of ideas in defense of socialist thought and the permanent mobilization of the people s consciousness The speeches collected in this book carry forward the battle of ideas that framed the last decades of Fidel s life until he left us on 26 November 2016 at the age of ninety *Fidel Castro and the Cuban Revolution* Carlos Alberto Montaner,2017-10-24 Perhaps the foremost social analyst and journalist on Cuban affairs Carlos Alberto Montaner has written a definitive study of the Cuban regime from the vantage point of the Cuban dictator This is not simply a history of Cuban communism but rather a personal history of its leader Fidel Castro Montaner s extraordinary knowledge of the country and its politics prevents the work from becoming a psychiatric examination from afar Indeed what personal irrationalities exist are seen as built into the fabric of the regime itself and not simply as a personality aberration Fidel Castro and the Cuban Revolution is not an apologia for past United States involvement in Cuban affairs The author is severe in his judgments of such participation Nor is he sparing in his sense of the betrayal of the original purposes of the Revolution of 1959 manifested in the character and policies of Fidel Castro As the work progresses from a study of the victims to a study of the beneficiaries of the Cuban Revolution it leaves the reader with a deep sense of the tragedy of a revolution betrayed but not one that could have easily been avoided Montaner is an exile like the great Alexander Herzen before him His decision to live in Europe was made by choice not of necessity He sees his role as critical analyst not as restoring the status quo ante A most valuable aspect of this book is its intimate reevaluation of Fulgencio Batista Whatever the reader s judgment of Montaner s work no one can read it and be dismissive of the effort It is a work of intimacy even though written in exile and hence must be viewed as an important effort to understand the
