Fifties Style Then Now

Paul Betts, Greg Eghigian

Fifties Style Then Now:

The 1950s William H. Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture **Historical Dictionary of the 1950s** Bloomsbury Publishing, 2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the tensions of the 1960s Retro Elizabeth E. Guffey, 2006-11-15 Drawing upon a wealth of original research and entertaining anecdotal material Guffey unearths the roots of the term retro and chronicles its evolving manifestations in culture and art throughout the last century **1950s American Style: A Reference Guide (soft cover)** Daniel Niemeyer, 2013 Facets of the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more **Yesterday** Tobias Becker, 2023-12-05 Nostalgia supposedly is the sphere of the sentimentalist But also and most definitely it is a force in the creation of the present and future and thus worth careful thought Yesterday argues that nostalgia s critics defend an idea of progress as naive as the longing they denounce while conflating nostalgia itself with historical whitewashing Interior Design Since 1900 (Fourth) (World of Art) Anne Massey, 2020-04-14 Newly updated and overflowing with color this well established history of interior design describes and illustrates each movement and change in taste throughout the twentieth century Interior design experienced an extraordinary amount of changes in taste and style during the twentieth century From William Morris and the Arts and Crafts movement to expressionism postmodernism and green design Interior Design Since 1900 charts them all Featuring more than two hundred color illustrations of interiors from around the world this book reveals the fundamental changes in style that occurred throughout the century The 1900s saw the emergence of professional designers and a growing appetite to

redesign homes to keep up with popular fashion In recent decades the focus has shifted toward public spaces and sustainable design In this survey Anne Massey explores the social political economic and cultural contexts of these developments This book has been a classic introduction to interior design for almost thirty years The new fourth edition is brought up to date with a chapter on transnational design encompassing midcentury modernist work in Singapore and Sri Lanka as well as more recent interior spaces including luxury hotels in Dubai and a contemporary art museum in Cape Town Through this book Massey shows how a shared language of design and cutting edge technology are reshaping interiors around the globe

A Companion to Contemporary Design since 1945 Anne Massey, 2019-04-22 A critical overview of contemporary design and its place within the broader context of art history *A Companion to Contemporary Design since 1945* introduces readers to a collection of specially commissioned essays exploring the complex areas of design that emerged through the latter half of the twentieth century design history design methods design studies and more recently design thinking The book delivers a thoughtful overview of all design disciplines and also strives to stimulate inter disciplinary debate and examine unconsidered convergences among design applications in different fields By offering a new perspective on design the articles assembled here present a challenging account of the boundaries between design history and its cognate disciplines especially art history The volume comprises five sections Time Place Space Objects and Audiences that discuss environments for design and how we interact with designed objects and spaces Notable features include 24 new essays reflecting the current state of design history and theory and examining developments on a global basis Contributions by eminent scholars and practitioners from around the globe Enriched throughout with illustrations *A Companion to Contemporary Design since 1945* provides a new and thought provoking revision of our conception and understanding of contemporary design that will be essential reading for students at both undergraduate and graduate levels as well as researchers and teachers working in design history theory and practice and in related fields

Makin' Toons Allan Neuwirth, 2007-04-02 From the first drawing board sketch to wriggling TV character *Makin Toons* illustrates the thrills and challenges of making animated cartoon movies as told by the industry s most successful creators Cartoon lovers everywhere will be treated to 47 personal interviews with animation artists and industry leaders ranging from *Shrek* director Andrew Adamson to *Rugrats* producer Gabor Csupo These and dozens of other fascinating firsthand accounts chronicle the behind the scene antics and commercial dynamics behind such blockbusters as *The Simpsons* *South Park* *Beauty and the Beast* and *Dragon Tales* to name just a few Author Allan Neuwirth an accomplished animation artist and writer himself spices the book with insightful comments hilarious anecdotes and a true toon artist s sense of humor He also includes 75 never before published concept drawings character designs storyboards and much more Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more

While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

BOOM! - a baby boomer memoir, 1947-2022 Ted Polhemus, 2012-01-04 Sex Drugs and Rock n Roll Straight from the fridge I Love Lucy meets The Sopranos in The Twilight Zone From Elvis to Johnny Rotten Neptune New Jersey with Greetings from Asbury Park to Swinging London Some say it all happened in the 60s but in BOOM anthropologist and social historian Ted Polhemus shows how the roots of our post modern age go back to the heady years just after WWII If you like Mad Men Blade Runner American Graffiti Blow up The Wild One wish you'd caught Monk at Minton's Playhouse in 1947 Springsteen at The Stone Pony or The Pistols in London in 1976 or not Ted Polhemus other works include Streetstyle Fashion Anti fashion Style Surfing and Body Styles

The Glamour System S. Gundle, C. Castelli, 2006-04-18 In the twentieth century glamour has often been associated with the cinema and its stars though fashion high society popular music shopping glossy magazines and advertising have all sought to harness its allure The authors explore the origins and uses of the aura of glamour and trace its history and power as a language of visual seduction

As Seen on TV Karal Ann Marling, 1996-03-01 From the painting by numbers fad to the public fascination with the First Lady's apparel to the television sensation of Elvis Presley to the sculptural refinement of the automobile Marling explores what Americans saw and what they looked for in the 1950s with a gaze newly trained by TV

TV by Design Lynn Spigel, 2008 From the Publisher While critics have long disparaged commercial television as a vast wasteland TV has surprising links to the urbane world of modern art that stretch back to the 1950s and 60s during that era the rapid rise of commercial television coincided with dynamic new movements in the visual arts a potent combination that precipitated a major shift in the way Americans experienced the world visually TV by Design uncovers this captivating story of how modernism and network television converged and intertwined in their mutual ascent during the decades of the cold war Whereas most histories of television focus on the way older forms of entertainment were recycled for the new medium Lynn Spigel shows how TV was instrumental in introducing the public to the latest trends in art and design Abstract expressionism pop art art cinema modern architecture and cutting edge graphic design were all mined for staging techniques scenic designs and an ever growing number of commercials As a result TV helped fuel the public craze for trendy modern products such as tailfin cars and boomerang coffee tables that was vital to the burgeoning postwar economy And along with influencing the look of television many artists including Eero Saarinen Ben Shahn Saul Bass William Golden and Richard Avedon also participated in its creation as the networks put them to work designing everything from their corporate headquarters to their company cufflinks Dizzy Gillespie Ernie Kovacs Duke Ellington and Andy Warhol all stop by in this imaginative and winning account of the ways in which art television and commerce merged in the first decades of the TV age

Fifties Style Richard Horn, 1985

North American Women Artists of the Twentieth Century Jules Heller, Nancy

G. Heller, 2013-12-19 First Published in 1997 North American Women Artists of the Twentieth Century A Biographical Dictionary was created to fill a gap of there being a comprehensive reference work like this available even though the bibliography in English on various aspects of the history of women artists has grown exponentially during the past ten years As researchers the editors have been frustrated many times by being unable to locate basic information about many of the artists included in this volume especially those working outside the United States This leads directly to another reason for producing this particular kind of reference book to try and create a better understanding between and among the artists and art audiences in these countries *Pain and Prosperity* Paul Betts, Greg Eghigian, 2003 The turn of the millennium has stimulated much scholarly reflection on the historical significance of the twentieth century as a whole Explaining the century's dual legacy of progress and prosperity on one hand and of world war genocide and mass destruction on the other has become a key task for academics and policymakers alike Not surprisingly Germany holds a prominent position in the discussion What does it mean for a society to be so closely identified with both inflicting and withstanding enormous suffering as well as with promoting and enjoying unprecedented affluence What did Germany's experiences of misery and abundance fear and security destruction and reconstruction trauma and rehabilitation have to do with one another How has Germany been imagined and experienced as a country uniquely stamped by pain and prosperity The contributors to this book engage these questions by reconsidering Germany's recent past according to the themes of pain and prosperity focusing on such topics as welfare policy urban history childbirth medicine racism political ideology consumerism and nostalgia

Classic Modern Deborah Dietsch, 2000 There is no hotter style today than the cooler than cool work of modern designers and architects from the 1940s and 50s Endlessly inventive and eminently livable mid century modernism has an optimism and confidence born of postwar abundance and a spirited elegance that appeals powerfully fifty years later In CLASSIC MODERN design expert Deborah Dietsch introduces readers to the basic tenets of modern design and explains how the simple yet inspired forms typical of this style were so readily disseminated into mainstream American culture Filled throughout with enticing examples of mid century pieces from such timeless designers as Charles and Ray Eames Eero Saarinen Arne Jacobsen and George Nelson this beautiful book recaptures the excitement of the period's brilliant designs

New York Magazine, 1987-06-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New Socialist**, 1986 *Googie Redux* Alan Hess, 2004-10-14 The book that helped spark the retro craze for fifties architecture and introduced the term googie to the world is back First published by Chronicle in 1986 this key survey of mid century coffee shop and commercial architecture is still the standard work on the subject Googie Redux is

a thoroughly revised and expanded edition of the classic and perennial top selling book that rekindled the craze for 1950s coffee shop and commercial architecture Long derided by critics as popular folly the style so named after John Lautner's eccentric Los Angeles coffee shop was emblematic of Southern California's car oriented architecture By the time of the first edition's debut these buildings were being demolished by the score Alan Hess 1985 Chronicle book did much not only to educate legitimize and popularize the style that characterized this endangered architecture but it helped spark a resurgence of interest into midcentury modern design Completely revised and significantly expanded in both text and images some of them recently unearthed for this edition this redesigned package features is still an entertaining and informative look at the rise fall and resurgence of the commercial architecture that changed the American landscape Includes a greatly expanded guided tour of the iconic buildings in Southern California

Design in the USA Jeffrey L. Meikle, 2005-07-28 From the Cadillac to the Apple Mac the skyscraper to the Tiffany lamp the world in which we live has been profoundly influenced for over a century by the work of American designers But the product is only the end of a story that is full of fascinating questions What has been the social and cultural role of design in American society To produce useful things that consumers need Or to persuade them to buy things they don't need Where does the designer stand in all of this And how has the role of design in America changed over time since the early days of the young Republic Jeffrey Meikle explores the history of American design from the hand crafted furniture and artifacts of the early nineteenth century through the era of industrialization and the mass production of the machine age to the information based society of the present covering everything from the Arts and Crafts movement to Art Deco modernism to post modernism the MOMA to the Tupperware bowl Beautifully illustrated *Design in the USA* also includes suggestions for further reading a timeline and a list of relevant museums and web sites It is an excellent source of information for anyone seeking to uncover the imagination and industry behind American design

Fifties Style Then Now Introduction

In today's digital age, the availability of Fifties Style Then Now books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fifties Style Then Now books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fifties Style Then Now books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fifties Style Then Now versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fifties Style Then Now books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fifties Style Then Now books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fifties Style Then Now books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fifties Style Then Now books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fifties Style Then Now books and manuals for download and embark on your journey of knowledge?

FAQs About Fifties Style Then Now Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fifties Style Then Now is one of the best book in our library for free trial. We provide copy of Fifties Style Then Now in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fifties Style Then Now. Where to download Fifties Style Then Now online for free? Are you looking for Fifties Style Then Now PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Fifties Style Then Now. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Fifties Style Then Now are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library

for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Fifties Style Then Now. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Fifties Style Then Now To get started finding Fifties Style Then Now, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Fifties Style Then Now So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Fifties Style Then Now. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Fifties Style Then Now, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Fifties Style Then Now is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Fifties Style Then Now is universally compatible with any devices to read.
