Fifty Contemporary Poets Alberta T. Turner, 1977 **The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **W.D. Ehrhart in Conversation** Jean-Jacques Malo, 2017-08-08 W D Ehrhart named by Studs Terkel as the poet of the Vietnam War has written and lectured on a wide variety of topics and has been a preeminent voice on the Vietnam War for decades Revered in academia he has been the subject of many master s theses doctoral dissertations journals and books for which he was interviewed Yet only two major interviews have been published to date This complete collection of unpublished interviews from 1991 through 2016 presents Ehrhart s developing views on a range of subjects over three decades Authors on Writing B. Tomlinson, 2005-03-01 Drawing on some 3 000 published interviews with contemporary authors Authors on Writing Metaphors and Intellectual Labor reveals new ways of conceiving of writing as intellectual labor Authors metaphorical stories about composing highlight not interior worlds but socially situated cultures of composing and apparatuses of authorship Through an original method of interpreting metaphorical stories Tomlinson argues that writing is both an individual activity and a collective practice a solitary activity that depends upon rich sustained and complex social networks institutions and beliefs This new book draws upon interviews with writers including Seamus Heaney Roald Dahl Samuel Beckett Bret Easton Ellis John Fowles Allen Ginsburg Alice Walker and Gore Vidal Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979 **We Need to Talk** Michael Theune, Bob Broad, 2017-10-24 We evaluate poems constantly as workshop leaders competition judges and journal editors But how do we judge the success of verse in these contexts The authors propose an innovative method by which anyone involved in the assessment of poetry can be more transparent about how they value verse This book foregrounds the ethical and professional obligations of poets teachers and critics to conduct axiological inquiry so they can discover and publish what they value We Need to Talk suggests why and how people who care about poetry should communally explore and document their shared and conflicting values This is the first book to provide the background and theory as well as a practical working model for the communal empirical evaluation of creative writing **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and

Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

The Poet's Work Reginald Gibbons, 1989-02-15 This anthology brings together essays by 20th century poets on their own art some concern themselves with its deep sources and ultimate justifications others deal with technique controversies among schools the experience behind particular poems The great Modernists of most countries are presented here Paul Valéry Federico García Lorca Boris Pasternak Fernando Pessoa Eugenio Montale Wallace Stevens as are a range of younger less eminent figures from the English speaking world Seamus Heaney Denise Levertov Wendell Berry The reader will find here a lively debate over the individualistic and the communal ends served by poetry and over other issues that divide poets inspiration and craft the use or the condemnation of science traditional and organic form Alan Williamson New York Times Book Review

The Muse of Abandonment Lee Upton, 1998 The Muse of Abandonment examines personal and cultural forms of abandonment in the poetry of Charles Wright Russell Edson Jean Valentine James Tate and Louise Glück These poets register the tremors of the post modern exhaustion of universals and a conflicted desire for authenticating presences The first book to study these poets as members of a generation The Muse of Abandonment analyses the poets recasting of confessional and surrealistic legacies and discusses their reflections on coercion of thought and behavior and an atmosphere in contemporary culture that would trivialize private sensibility

The Stuff of Literature E. A. Levenston, 1992-04-08 The total meaning of a work of literature derives not only from what the words mean but from what the text looks like This stuff of literature graphic substance or the physical raw material is explored here in Levenston's comprehensive survey Levenston discusses the main literary genres of poetry drama and fiction and the extent to which they may be said to exist primarily in written or spoken form or both He then examines spelling punctuation typography and layout the four graphic aspects of a text which an author can manipulate for additional meanings Also explored are the problems raised for translators by graphically unusual texts and by the possibility of producing graphically unusual translations and some of the solutions that have been found A wealth of examples and analysis is offered including poetry from Chaucer to Robert Graves and e e cummings fiction such as Tristram Shandy Ulysses and Finnegans Wake works from Samuel Richardson to Ronald Sukenik drama from Aristophanes to Bernard Shaw and Shakespeare Attention is also paid to graphic contributions in other literary traditions from the Hebrew of the book of Psalms to Guillaume Apollinaire's Calligrammes

[Frank Stanford](#) James McWilliams,2025-07-01 The full throated biography fans have been yearning for Kirkus Starred Review April 2025 When twenty nine year old Frank Stanford put three bullets in his chest on June 3 1978 he ended a life that had been inextricably linked with poetry since childhood Deeply influential but largely unknown outside his corner of the poetry world this prodigy of the American South inspired a cult following that has kept his reputation and work flickering on the periphery of the American literary tradition ever since The Life and Poetry of Frank Stanford offers for the first time a comprehensive study of Stanford s life and work introducing to a broad readership poetry that remains both captivating to poets and in its celebration of everyday experience over academic erudition accessible to those who rarely read poetry Stanford s poems range from one line to his 15 283 line epic The Battlefield Where the Moon Says I Love You The vital thread running through all of his poetry is an ear for language that vies with Walt Whitman in its expansiveness and generosity Stanford s omnivorous attraction to vernacular particularly Black and rural vernacular centered on an admiration for the

marginalized and eccentric Blending the Southern Gothic of Faulkner and O Connor with a racially egalitarian vision his poetry thrives on the stories and traditions of the oppressed and forgotten The themes that preoccupied Stanford s prolific output language sex death class geography commercialism surrealism film race also preoccupied the poet in his daily life which was marked by heavy drinking philandering mental instability emotional abuse and through it all an inveterate desire for beauty Constantly attentive to this tension biographer James McWilliams traces the short and painfully complicated life of this hidden talent who left a lifetime s worth of poetry that through its grounding in the mundane achieved a vision of the transcendent Catalog of Copyright Entries, Third Series Library of Congress.
