Working Through Life Fifty Days to Jubilee Justin Frederick Benade, 2013-06-17 It all started when I started school grade one when my teacher tied me to a chair From there my life was hard I was bullied right through my school days made fun of and teased It was really hard for me as a child I am still trying to work out why do children do it Dont they see what they are doing is really breaking children down in spirit and in life This book shows how I dealt with it every day Nowhere in the Bible does it say that life would be easy I met so many people who went through what I went through Everyone deals with it in a different way I concentrated on the word of God I was talking to a teenager one day and she had so many problems Thats when I decided to change my poetry book to a fifty day diary to

help people overcome the obstacles in their life By writing this book I hope people will see what they missed in life By casting all your burdens on to God you will be healed It is not an easy road to walk and it never will be But with God by your side you will make it I also did some research and found that not a lot of people can concentrate for long on something Thats why I only made it fifty days So that people can take time out afterwards and think about the path they walked alone without God by their side My aim in writing this book is that people would see that with God by their side anything is possible and that they can overcome the biggest obstacle in life and that nothing can hold them back

50 Days In Dr. Joseph E. Preble,2023-03-27 Becoming a Christian is wonderful but living the life of a Christian is so much more To dedicate oneself to the service of the Lord is one of the most wholesome experiences anyone can imagine Yet with their newfound faith many lack the knowledge of how to properly live the Christian life This can be true for anybody but even more so for the incarcerated Christian who has to deal with the hatred violence and misery that prison culture so often brings them Many end up impeded in the advancement of their faith Having lived the life himself and overcome its challenges by the grace of God this book is written by an inmate for other inmates and it details how to begin to understand what it means to be a Christian how to follow God s will for your life and how to triumph through the difficulties and setbacks prison plays on those of the faith trying to find God in seemingly godless circumstances Not only will this fifty day journey be life changing but also it will help you come to terms with the past give you hope for the future and guide you

in developing a proper understanding of God's will for your life. Ultimately it will lead you to the healthy relationship God so desires for you to have with him. This is for those truly looking to know God, to worship him, and to bring him glory with their lives both in prison and afterward.
