fell back into her old ways thieving and fighting to make ends meet The 1970s brought police corruption and brutality to Eileen s doorstep When Harry was banged up Eileen carried on the family business alone and found herself on the wrong side of the law again Yet throughout a catalogue of trouble this defiant London bad girl of the old school always kept her defiant sense of humour Borstal Girl is a true story of shocking violence and survival that pulls no punches but it is also a secret criminal history of a London long past There is no other female memoir like it *Film Review* ,1999 **More**
