## **George Gissing At Work A Study Of His Notebook Extracts From My Reading:**

*George Gissing at Work* Pierre Coustillas, Patrick Bridgwater, 1988      **George Gissing at Work** Pierre Coustillas, 1988

**George Gissing and the Woman Question** Christine Huguet, 2016-04-22 Approaching its subject both contextually and comparatively *George Gissing and the Woman Question* reads Gissing's novels, short stories and personal writings as a crux in European fiction's formulations of gender and sexuality. The collection places Gissing alongside nineteenth and twentieth century authors as diverse as Paul Bourget, Ella Hepworth Dixon, May Sinclair and Theodore Dreiser, theorizing the ways in which late Victorian sexual difference is challenged, explored and performed in Gissing's work. In addition to analyzing the major novels, essays make a case for Gissing as a significant short story writer and address Gissing's own life and afterlife in ways that avoid biographical mimetics. The contributors also place Gissing's work in relation to discourses of subjectivity and intersubjectivity, identity, public space, class and labour, especially literary production. Increasingly viewed as a key chronicler of the late Victorian period's various redefinitions of sexual difference, Gissing is here recognized as a sincere, uncompromising chronicler of social change.

**The Heroic Life of George Gissing, Part I** Pierre Coustillas, 2015-09-30

This ambitious three-volume biography on Gissing examines both his life and writing chronologically and in close detail. Part I covers Gissing's early life up until his establishment as a writer of moderate critical success.

[A Garland For Gissing](#)

, 2021-11-01 The crown upon the continuing vitality and popularity of Gissing studies in the final decade of the twentieth century was the publication of *The Collected Letters of George Gissing* 1990-97. The editors of that mammoth undertaking, Paul Mattheisen, Arthur Young and Pierre Coustillas, had long been an inspiration to the younger generation of Gissing scholars, and their presence at the International George Gissing Conference at Amsterdam in September 1999 explained the success of the encounter between Gissing's older and younger critics. Ever since the reappraisal of Gissing's works began to get under way in the early 1960s through the publication of many new editions of the works and ground-breaking critical studies by Arthur Young, Jacob Korg and Pierre Coustillas, it has become impossible to ignore the high status he now enjoys by rights, which resembles the position granted to him long ago by his contemporaries as one of the leading English novelists of the late nineteenth century. This collection of essays is remarkable for its emphasis on women's issues addressed in Gissing's novels, ranging from the inadequate education of women to the struggle for greater female independence within and without marriage. Several contributors seek to define the precise nature and quality of Gissing's achievement and his place in the canon, and in the process they open up fascinating new opportunities for future research.

**The Oxford Encyclopedia of British Literature** David Scott Kastan, 2006-03-03 From folk ballads to film scripts, this new five-volume encyclopedia covers the entire history of British literature from the seventh century to the present, focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland. In five hundred substantial essays written by major scholars, the *Encyclopedia of British Literature* includes biographies of nearly four hundred individual authors and a hundred topical

essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit [www.oup.com/us/ebl](http://www.oup.com/us/ebl)

*George Gissing's American Notebook* George Gissing,1993 Gissing's American Notebook is a detailed record of the books he read quotations that struck him ideas for stories and names and addresses of periodicals and their editors and publishers Given the paucity of letters or personal documents relating to the year Gissing spent in America the publication of the American Notebook almost the last of his writings to appear in print should interest Gissing scholars and general readers alike for the light it may throw upon biographical and professional questions connected with this crucial period when he started his career as a writer

*Gissing and the City* J. Spiers,2005-11-01 *Gissing and the City Cultural Crisis and the Making of Books in Late Victorian England* addresses the late Victorian cultural crisis and aesthetic revolt in urban life politics literature and art by special reference to the experience of the shocks of the new urban environment and literary and artistic responses It does so through interdisciplinary discussion of the novels of George Gissing whose work is particularly linked to the city and the crisis of urban experience especially in the archetypal modern imperial city

**A Man of Many Parts** Barbara Rawlinson,2006-01-01 This comprehensive study of George Gissing's short stories and related non fiction is essential reading for students of nineteenth century realism For the first time readers will be able to follow the development which transformed Gissing's unremarkable early stories into the very individual tales that elevated his work to the vanguard of realistic short fiction Gissing's American period is notable for its accumulation of themes that were repeatedly refined and adapted for his later work causality emerging as the dominant voice On his return to England shifting political and philosophical beliefs expressed in his non fiction had a vital impact on his second phase of short fiction and the part played by realism in the author's short stories and his writings on Charles Dickens added further dimensions to his work as a whole By the final phase of Gissing's remarkable development it is evident that his interest in the concept of causality as the major force in his short work had been replaced by a more challenging preoccupation with the human psyche This introduced philosophical sociological and psychological dimensions to Gissing's work that established him in the field of short fiction as a leading exponent of late nineteenth century realism

**George Gissing's Memorandum Book** George Gissing,1996

**Novel Pedagogy** Liwen Zhang,2024-10-01 Is the novel a category of knowledge that merits serious study Even if the novel has shed the stigma of being mindless entertainment one might easily assume that reading a novel is not studying unless one reads closely and carefully preferably from a scholarly edition or for a scholarly purpose *Novel Pedagogy* explores how Victorian writers envisioned the novel's potential to become knowledge long before the form's ascendance into the ivory tower Liwen Zhang argues that Victorian novelists' constant critique of schooling on the one hand and their frequent invocation of deep knowledge on the other are not self contradictory

Instead of offering a blissful escape from education writers such as William Thackeray Charles Kingsley Charles Dickens Elizabeth Gaskell George Eliot and George Gissing seek to offer uniquely novelistic pathways to knowledge Novel Pedagogy offers a new model of novelistic epistemology by showing how the novel unlike other educational genres reflects on the unpleasant realities of learning and of not learning amid the ubiquity of ineffective textbooks reluctant students and false motivations

*George Gissing* Pierre Coustillas,2005 George Gissing the definitive bibliography is an extraordinary work Over 600 pages long and stuffed with unimaginably recherche detail its effect will be to run professional bibliographers of whom Pierre Coustillas is not one green with envy

New Grub Street George Gissing,2007-09-14 New Grub Street is the only one of George Gissing s two dozen novels never to have gone out of print and has long been recognized as the most important novel of the nineteenth century on the subject of the writing professions Indeed no novel in the English tradition even remotely approximates the thoroughness sophistication and clear sightedness with which New Grub Street explores the social and economic contexts in which writing publishing and reading take place The critical introduction to this edition gives an account of Gissing s life and times and an overview of the most important stylistic and thematic features of New Grub Street special attention is given to the writing and publishing professions in late Victorian England emphasizing the range of social and economic positions that writers occupied during the period This Broadview edition also includes a rich selection of historical material on the literary world of London through the centuries authorship as a profession and Gissing s life and work

**Collected Works of George Gissing on Charles Dickens** George Gissing,2004

**Unsettled Accounts** Simon J. James,2003-12-17 Simon J James examines how Gissing s work reveals an unhappy accommodation with money s underwriting of human existence and culture and how daily life in all its forms moral intellectual familial and erotic is transcended or made irrelevant by its commodification

**Sounding Modernism** Julian Murphet,2017-03-08 This volume brings together a range of essays by eminent and emergent scholars working at the intersection of modern literary cinema and sound studies The individual studies ask what specific sonorous qualities are capable of being registered by different modern media and how sonic transpositions and transferences across media affect the ways in which human subjects attend to modern soundscapes Script groove electrical current magnetic imprint phonographic vibration as the contributors show sound traverses these and other material platforms to become an insistent ground note of modern aesthetics one not yet adequately integrated into critical accounts of the period This collection also provides a commanding and wide ranging investigation of the conditions under which modernists tapped technically into the rhythms echoes and sonic architectures of their worlds

The Collected Letters of George Gissing: 1902-1903 George Gissing,1990 For many years the only Gissing letters available to the public were those in the modest selection of letters to his family published in 1927 In the following years a good number were published separately in such places as journals memoirs and sales catalogues but like the single and small groups of unpublished letters scattered in libraries around the world they remained in practical terms inaccessible

Even though in recent years small groups of letters to individual correspondents have come into print the rapidly growing numbers of Gissing readers and scholars now feel the need for access to his letters in an edition comparable to those of his contemporary novelist friends Thomas Hardy and Joseph Conrad In this edition all the Gissing letters that could be found published and unpublished have been brought together from all known sources private and public collections journals newspapers memoirs biographies and sales catalogues The important advantage is not only that they have at last been brought together but also that they are placed chronologically and given a uniform editorial context which provides a coherence lacking in letters separately published A significant feature of this edition is that it also contains whenever they are available letters to Gissing which are of great help in recording his life during the times when his own letters have been lost or destroyed With the recent publication of Gissing s diary his commonplace book and other smaller pieces this edition becomes the final major publication of Gissing papers known to exist and certainly the most significant record of his life his mind and his art It will be of crucial importance to any future biographers and of the greatest value to those who want to study Gissing s novels in relation to his life

**George Gissing** Francesco Badolato,2005 **The Poetry of George Gissing** George Gissing,1995 This first edition of Gissing s poems is based upon a transcription of the MS notebook Verses 1869 to 1882 held by the Beinecke Library of Rare Books and Manuscripts at Yale University and a variety of other sources printed or autograph The volume consists of over 50 titles ranging from youthful experiment to the achievement of maturer years An introduction points out the intimate and revealing links between Gissing s life and letters particularly during the fateful spring and summer of 1876 and his subsequent journey to America This volume provides a unique insight into the heart and mind of a talented late Victorian young man determined to chart for himself a career as a poet man of letters

## **George Gissing At Work A Study Of His Notebook Extracts From My Reading Introduction**

In today's digital age, the availability of George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing George Gissing At Work A Study Of His Notebook Extracts From My Reading versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for

a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of George Gissing At Work A Study Of His Notebook Extracts From My Reading books and manuals for download and embark on your journey of knowledge?

### **FAQs About George Gissing At Work A Study Of His Notebook Extracts From My Reading Books**

1. Where can I buy George Gissing At Work A Study Of His Notebook Extracts From My Reading books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
