Remembering a Great American Hero Marian Anderson Emile Henwood,2020-12-28 There is a massive amount of historical information available about Marian Anderson in over twenty biographies her extensive personal papers at the University of Pennsylvania Library the National Marian Anderson Historical Society s Residence Museum various PBS documentaries the Smithsonian Institute the Internet and undocumented verbal stories that have circulated in her home town of Philadelphia for years Researching her long 96 year life was an exciting privilege but time consuming Those who may remember Marian Anderson as simply a great singer are probably missing 90% of what this trailblazing humanitarian s contribution to our society really accomplished Readers of this condensed chronological compilation can now more quickly realize and learn to appreciate the teachable lessons of Marian Anderson s well lived long life possibly in just one or two sittings stimulating further future study of her from the above sources and the list of books included in the Appendix At one time the press consistently covered Marian Anderson and she was written into history books but that is no more If students do not learn about her and people don t talk about her they forget Through a series of events in March of 2019 I discovered the National Marian Anderson Historic Society that is headquartered in the Anderson Family s home that is now an official historic residence museum in my hometown of Philadelphia It took me a few more visits to begin to absorb what is there After each visit I left with mixed feelings of awe newfound respect and embarrassment How could I having lived in Philadelphia for so long not far from the very home Marian Anderson purchased in 1924 now a museum in a neighborhood I

went through frequently have absolutely no idea that I was passing in the vicinity of such greatness After reading Marian Anderson s autobiography my hunger to know more lead me to discover over twenty other biographies from excellent books for school children up to several well researched works by distinguished scholars It is with the latter academic group that I have principally drawn on to compile and condense the information presented in this book along with additional expert creditable eyewitness sources not previously publicly disclosed

*I Wouldn'T Have It Any Other Way* Samuel Myers Sr.,2010-09-30 When it comes to the final analysis all of us has a story to tell The problem is that to tell it takes a lot of will and patience And when you think about it willingness and patience are not some things that a lot of people have I titled this book I Wouldnt Have It Any Other Way This title was not just chosen there is a reason behind me coming up with this title After reading this book no doubt many are saying within yourselves How in Gods world did he arrive at this title after having experienced all of the things that he has experienced When I look at my parents siblings and those that have shared many of the same experiences that I have I decided to use all of these things as a stepping stone not as a stumbling block I viewed these occurrences through the eyes of God When I did I said that I would not have it any other way All of the different things that I personally have been through have enabled me to draw closer to God Having such an intimacy with God has caused me to get to places in Him that I never imagined I am mindful of the passage of scripture that is found in Romans 8 28 This scripture says that And we know that all things work together for the good to them that love God to them who are the called according to his purpose This being said I feel that all things that were mentioned in the content of this book both the good and not so good have happened for my betterment These are the things from my days of my infancy to this present time With that being said it was in the plan of God that I was born to Boston and Evelyn Myers The things that they went through under the sharecropping system and the Jim Crow laws have helped me to value God and the things of God The loss of my mother at an early age caused me to put my trust in God for my survival The woodpile experience helped me to prepare for the establishment of a genuine relationship with God Lastly the union with Mary Elizabeth was not an accident This most definitely was in the plan of God My three sons that came out from this union was also in the plan of God What can I say I cannot say anything but that I Will Not Have It Any Other Way
