George Antheil Ballet Mekanique:

The First performance of the Ballet mécanique by George Antheil, 1926 *Antheil's Ballet mecanique* George Antheil, 1992 *A Modern Mosaic* Townsend Ludington, 2000 Examines the impact of the modernist art movement on American popular culture in a collection of critical essays **The Player Piano and Musical Labor** Allison Rebecca Wentz, 2022-06-14 By the early 20th century the machine aesthetic was a well established and dominant interest that fundamentally transformed musical performance and listening practices While numerous scholars have examined this aesthetic in art and literature musical compositions representing industrialized labor practices and the role of the machine in music remain largely unexplored Moreover in recounting the history of machines in musical recording and reproduction scholars often tend to emphasize the phonograph rather than player piano despite the latter's prominence within the newly established musical marketplace Machines and their music influenced multiple areas of early 20th century musical culture from film scores to popular music and even the concert hall But the opposite was also true industrialized labor practices changed the musical marketplace and musical culture as a whole As consumers accepted mechanical replacements for what previously required an active human laborer ghostly mechanical performers labored tirelessly in parlors businesses and even concert halls Although the player piano failed to maintain a stronghold in the recorded music marketplace after 1930 the widespread acceptance of recording technologies as media for storing and enjoying music indicates a much more fundamental societal shift This book explores that shift examining the rise and fall of the player piano in early 20th century society and connecting it to the digital technologies of today **Arts & Decoration**, 1927 *Classical* Brad Hill, 2005 Presents brief entries covering the history significant artists styles and influence of classical music **The Letters of T. S. Eliot** T. S. Eliot, 2013-07-16 T. S. Eliot writes the letters contained in this volume during a period of weighty responsibilities as husband and increasing demands as editor and publisher He cultivates the support of prominent guarantors to secure the future of his periodical *The Monthly Criterion* even as he loyally looks after his wife Vivien now home after months in a French psychiatric hospital Eliot corresponds with writers throughout Great Britain Europe and the United States while also forging links with the foremost reviews in London Berlin Paris Madrid and Milan He generously promotes many other writers among them Louis Zukofsky and Edward Dahlberg and manages to complete a variety of writings himself including the much loved poem *A Song for Simeon* a brilliant introduction to Wilkie Collins's *The Moonstone* and many more div *Bartók and the Grotesque* Julie A. Brown, 2007-01-01 In *Bluebeard's Castle* 1911 *The Wooden Prince* 1916 17 *The Miraculous Mandarin* 1919 24 rev 1931 and *Cantata Profana* 1930 Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body In this book Julie Brown argues that Bartók's concerns with stylistic hybridity high low East West tonal atonal modal the body and the grotesque are interconnected All three were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók

was composing *The Film Experience* Timothy Corrigan, Patricia White, 2012-01-03 A comprehensive introduction to film that recognizes students as movie fans and helps them understand the art form's full scope. The authors situate their strong coverage of the medium's formal elements within the larger cultural contexts that inform the ways we watch film from economics and exhibition to marketing and the star system. Blackwells *Modernism and the Practice of Proletarian Literature* Simon Cooper, 2019-12-20 This book tests critical reassessments of US radical writing of the 1930s against recent developments in theories of modernism and the avant garde. Multidisciplinary in approach it considers poetry, fiction, classical music, commercial art, jazz and popular contests such as dance marathons and bingo. Relating close readings to social and economic contexts over the period 1856-1952 it centers in on a key author or text in each chapter providing an unfolding chronological narrative while at the same time offering nuanced updates on existing debates. Part One focuses on the roots of the 1930s proletarian movement in poetry and music of the nineteenth and early twentieth centuries. Part Two analyzes the output of proletarian novelists considered alongside contemporaneous works by established modernist authors as well as more mainstream popular titles *They Shot, He Scored* James K. Wright, 2019-04-30 Eldon Davis Rathburn 1916-2008 one of the most multi-dimensional, prolific and endlessly fascinating composers of the twentieth century wrote more music than any other Canadian composer of his generation. During a long and productive career that spanned seventy-five years Rathburn served for thirty years as a staff composer with the National Film Board of Canada. 1947-76 scored the first generation of IMAX films and created a diverse catalogue of orchestral and chamber works. With the aid of extensive archival and documentary materials *They Shot He Scored* chronicles Rathburn's life and works beginning with his formative years in Saint John, New Brunswick and his breakthrough in Los Angeles in connection with Arnold Schoenberg and the LA Philharmonic Orchestra. The book follows his work at the NFB, his close encounters with some of the most celebrated international figures in his field and his collaboration with the team of innovators who launched the IMAX film corporation. James Wright undertakes a close analytical reading of Rathburn's film and concert scores to outline his methods, compositional techniques, influences and idiosyncratic approach to instrumentation as well as his proto-postmodern proclivity for borrowing from diverse styles and genres. Authoritative and insightful *They Shot He Scored* illuminates the extraordinary career of an unsung creative force in the film and music industry *Musical News and Herald*, 1925 *100 Silent Films* Bryony Dixon, 2017-10-07 *100 Silent Films* provides an authoritative and accessible history of silent cinema through one hundred of its most interesting and significant films. As Bryony Dixon contends, silent cinema is not a genre; it is the first 35 years of film history, a complex negotiation between art and commerce and a union of creativity and technology. At its most grand, on the big screen with a full orchestral accompaniment, it is magnificent, permitting a depth of emotional engagement rarely found in other fields of cinema. Silent film was hugely popular in its day and its success enabled the development of large-scale film production in the United States and Europe. It was the start of our fascination with the moving image as a

disseminator of information and as mass entertainment with its consequent celebrity culture The digital revolution in the last few years and the restoration and reissue of archival treasures have contributed to a huge resurgence of interest in silent cinema Bryony Dixon's illuminating guide introduces a wide range of films of the silent period 1895-1930 including classics such as *The Birth of a Nation* 1915 *The General* 1926 *Metropolis* 1927 *Sunrise* 1927 and *Pandora's Box* 1928 alongside more unexpected choices and represents major genres and directors of the period Griffith Keaton Chaplin Murnau Sjström Dovzhenko and Eisenstein together with an introductory overview and useful filmographic and bibliographic information

Untwisting the Serpent Daniel Albright, 2000 Modernist art often seems to give more frustration than pleasure to its audience Daniel Albright shows that this perception arises partly because we usually consider each art form in isolation rather than collaboration

Dudley Murphy, Hollywood Wild Card Susan Delson, 2006 Follows the life of Hollywood's first independent filmmaker known for *The Emperor Jones* and *Ballet mécanique*
