

George Bush An Intimate Portrait

James Barber

George Bush An Intimate Portrait:

George Bush Fitzhugh Green,1989 George Bush the man remains today among the best kept secrets in Washington This is remarkable given his nearly forty years in a career that has spanned war business community service politics and high government positions He is still somewhat of an enigma even to the millions who have watched him strive for the presidency This up to date account of the adventures personal qualities and achievements of George Bush contains surprises The quiet genial President has experienced disaster danger disappointment and defeat on his way to the White House They have offset his long string of successes and tempered his natural ebullience Bush is seen through the eyes of a biographer whose life has intersected periodically with that of the President his family and his numerous professional doings Green s observation began during his boyhood as a neighbor and friend of Barbara Pierce now Bush and her siblings it continued through similar schooling a tour in the U S Navy a test period in Texas and involvement in Bush s political efforts Indeed for over 50 years Green has followed George Bush s path This portrait of a president is enlivened by the fruits of more than 400 personal interviews with friends and colleagues of Bush his family and many acquaintances from the nation and abroad *Laura Bush* Ronald Kessler,2007-04-10 An authorized portrait of America s First Lady offers a rare glimpse inside the private world of Laura Bush the beliefs and attitudes that shape her life and her influence on the president and his administration

Obama: An Intimate Portrait Pete Souza,2017-11-07 Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza s behind the scenes images and stories in this 1 New York Times bestseller with a foreword from the President himself During Barack Obama s two terms Pete Souza was with the President during more crucial moments than anyone else and he photographed them all Souza captured nearly two million photographs of President Obama in moments highly classified and disarmingly candid Obama An Intimate Portrait reproduces more than 300 of Souza s most iconic photographs with fine art print quality in an oversize collectible format Together they document the most consequential hours of the Presidency including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission alongside unguarded moments with the President s family his encounters with children interactions with world leaders and cultural figures and more Souza s photographs with the behind the scenes captions and stories that accompany them communicate the pace and power of our nation s highest office They also reveal the spirit of the extraordinary man who became our President We see President Obama lead our nation through monumental challenges comfort us in calamity and loss share in hard won victories and set a singular example to be kind and be useful as he would instruct his daughters This book puts you in the White House with President Obama and is a treasured record of a landmark era in American history *The Presidency of George H. W. Bush* John Robert Greene,2015-06-19 After George H W Bush lost his re election bid to Bill Clinton in 1992 John Robert Greene s verdict on the 41st president of the United States was that he brought no discredit to the office and was both patient and prudent making few mistakes In the years since the

release of Greene's profile of the senior Bush deemed by Publishers Weekly the essential introduction to Bush's abbreviated but still consequential tenure in office a wealth of materials about Bush's presidency has become available even as distance has sharpened our perspective on the Bush years In this significantly expanded second edition of *The Presidency of George H W Bush* Greene takes full advantage of newly released documents to revisit Bush's term to consider his post presidency accomplishment and to enhance and clarify our understanding of his place in history Such milestones as the fall of the Berlin Wall the reunification of Germany the fall of the Soviet Union the savings and loan crisis and the transition to the Clinton administration receive renewed and far more detailed treatment here as do the ramifications of George H W Bush's positions and policies Greene also devotes ample attention to Bush's post presidency including his relationship with his son President George W Bush as well as the development of his close friendship with Bill Clinton The elder Bush emerges from this reappraisal as a considerably more activist president with a more activist administration than was previously assumed Greene's concise and readable account drawing on the contents of the Bush Library the papers of James A Baker III and personal interviews shows us the 41st president and thus an important chapter in American history in a new and more revealing light

The Bushes Peter Schweizer, Rochelle Schweizer, 2005-01-04 Based on hours of unprecedented interviews with members of the Bush family *The Bushes* tells the inside story of the unique dynasty at the heart of American power As well as laying out the secretive family's inner workings this intimate and fascinating group portrait probes into such sensitive matters as their dealings in the oil business George W's turbulent youth and Jeb's likely run for the presidency in 2008 In this first full scale biography Peter and Rochelle Schweizer insightfully explore the secrets of the Bushes rise from obscurity to unprecedented influence The family's free flowing pragmatic and opportunistic style consciously distinguishes them from previous political dynasties they consider themselves the un-Kennedys But with their abiding emphasis on loyalty and networking the Bushes continuing success seems assured making this book essential reading for anyone who cares about America's future

George Bush Judith T. Marcus, 2018-01-16 In the first full biography of the former president award winning historian and biographer Herbert S Parmet draws from George Bush's personal papers to look at the man who led America through the end of the Cold War Enriched by access to Bush's private diaries the book provides an intimate portrait of the forty first president and corrects many long held misconceptions about him Parmet shows George Bush within the context of a half century of American life and politics at a time when great changes swept the nation Parmet traces Bush's life from his New England youth through World War II from his leadership of the CIA through his vice presidency and presidency through his loss of the 1992 presidential election to Bill Clinton This book will be of interest to readers of politics and political biographies

The Family Kitty Kelley, 2004-09-14 From the First Lady of unauthorized tell all biography this is the first real inside look at the most powerful and secretive family in the world From Senator Prescott Bush's alcoholism to his son George Herbert Walker Bush's infidelities to George Walker Bush's religious conversion shady financial deals and

military manipulations Kitty Kelley captures the portrait of a family that has whitewashed its own story almost out of existence

The Bush Dyslexicon Mark Crispin Miller, 2002 A particularly astute analysis of the television coverage of the campaign the election and the political aftermath Newsday

George Bush and the Guardianship Presidency David Mervin, 2016-07-27 A clearly written provocative analysis of the Bush presidency that draws on extensive interviews with White House staff The Budget crisis of 1990 and the Gulf war receive particular attention as defining events in Bush's incumbency demonstrating the strengths and weaknesses in his approach to presidential leadership This book not only casts light on Bush's record in office it also helps to resolve methodological problems that arise in the study of the presidency generally

The Presidential Character James David Barber, 2017-10-03 Dr James David Barber's well known provocative examination of who has the potential to be voted into the highest office in the land and why is being reissued as the newest addition to the Longman Classics in Political Science series Arguing that patterns in a person's character world view and style can allow us to anticipate their performance as president The Presidential Character offers explanations and predictions of the performance of presidents and presidential candidates Drawing on historical biographical and psychological research Dr Barber hoped to help voters make judicious choices in determining the country's highest leaders Revisiting this classic work in today's important presidential election season begs a reconsideration of Barber's probing and enduring query What should we look for in a president

Destiny and Power Jon Meacham, 2016-10-18 1 NEW YORK TIMES BESTSELLER In this illuminating USA Today biography Pulitzer Prize winning author Jon Meacham chronicles the life of George Herbert Walker Bush Destiny and Power reflects the qualities of both subject and biographer judicious balanced deliberative with a deep appreciation of history and the personalities who shape it The New York Times Book Review ONE OF THE WASHINGTON POST'S TEN BEST BOOKS OF THE YEAR A BEST BOOK OF THE YEAR The New York Times Book Review Time NPR St Louis Post Dispatch Drawing on President Bush's personal diaries on the diaries of his wife Barbara and on extraordinary access to the forty first president and his family Meacham paints an intimate and surprising portrait of an intensely private man who led the nation through tumultuous times From the Oval Office to Camp David from his study in the private quarters of the White House to Air Force One from the fall of the Berlin Wall to the first Gulf War to the end of Communism Destiny and Power charts the thoughts decisions and emotions of a modern president who may have been the last of his kind This is the human story of a man who was like the nation he led at once noble and flawed From the Pacific to the presidency Destiny and Power charts the vicissitudes of the life of this quietly compelling American original Meacham sheds new light on the rise of the right wing in the Republican Party a shift that signaled the beginning of the end of the center in American politics Destiny and Power is an affecting portrait of a man who driven by destiny and by duty forever sought ultimately to put the country first

The Raising of a President Doug Wead, 2005 B T Local 01 23 2010 26 00

The A to Z of the Reagan-Bush Era Richard S. Conley, 2009-09-28 The 1980s and early 1990s were remarkable for the triumph of

conservatism in the United States and its closest allies The victories of Presidents Ronald Reagan and George H W Bush in the United States were complemented by the electoral successes of Margaret Thatcher in the United Kingdom and Brian Mulroney in Canada The relationship between Reagan and Bush and their conservative counterparts was particularly important in providing a united front on foreign policy whether the target was the Soviet Union Communist insurgencies in Africa or Latin America or Iraqi dictator Saddam Hussein The Reagan Bush era witnessed some of the most dramatic events of the latter half of the 20th century the collapse of the Soviet Union a presidential assassination attempt political scandal a stock market crash military invasions and the explosion of the space shuttle Challenger The A to Z of the Reagan Bush Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues *American Dynasty* Kevin Phillips, 2004-09-30 An acerbic withering account of the ascent of the Bush family to the pinnacle of the American political and social elite and the implications of the dynasty's hold on power for democracy in America With an unerring instinct for fakery and humbug Phillips traces the convoluted trail of Bush mendacity through three generations The picture he paints of a family willing to do ANYTHING to hold power and a country so craven as to vote for it is both very funny and completely dismaying in equal measure Character in Chief: The Personality and Character of Current and Past Presidents John M. Berez, Ph.D., 2000-12 Using analytic skills honed to a sharp edge with years of psychotherapy experience John Berez explores such contemporary issues as Was Nixon a wife beater Was Dubya smart enough to be president Is Gore too uptight to lead the free world Did the 2000 election boil down to a choice between personality and competence Skillfully Berez explores the relationship between character and personality helping the reader understand how a man with the moral integrity of Jimmy Carter could bungle the presidency and a man like Clinton with so little character could manage it so successfully Drawing on three decades of teaching and therapy Berez burrows beneath the surface of personality and character to reveal the real person working in the Oval Office With penetrating insight and concise writing the author acquaints the reader with the real people behind the pageantry of the presidency This book clearly disentangles the contradictions of Bill Clinton's presidency by examining his split personality Berez explains and clinically documents Clinton's dual personalities a sociopathic personality Slick Willy and a codependent personality Baptist Billy Resulting from Clinton's two world childhood these personalities are only loosely connected and operate serially to control his behavior Like many adult children of alcoholics ACA Clinton seeks by turn to please or to manipulate Baptist Billy told voters I feel your pain and he did but Slick Willy said he didn't inhale and didn't have sex with that woman Character in Chief is must reading for anyone interested in politics in general and the presidency in particular With fairness and compassion Berez will lead you to a deeper understanding of our great democracy and the people who lead it **The American Presidents Ranked by Performance, 1789-2012, 2d ed.** Charles F. Faber, Richard B.

Faber,2012-06-15 This is a revision and an updating of the first edition published in 2000 Presidents from Washington to Obama not included are William Henry Harrison and James A Garfield because of very short terms are rated in five categories Foreign Relations Domestic Programs Administration and Intergovernmental Relations Leadership and Decision Making and Presidential Comportment Each president is evaluated on his effectiveness in each area and a final analysis is provided for the scores combined The presidents are then ranked overall The most overrated and underrated chief executives are identified Each entry includes biographical and political information as well as an analysis of their overall behavior and status

Betrayed Earl Ofari Hutchinson,2019-03-13 In this timely and eye opening book noted political analyst and media commentator Dr Earl Ofari Hutchinson traces the root cause of the White House s failure to protect the rights of African Americans Drawing extensively from public and private presidential papers private correspondence personal interviews and national archive documents Hutchinson gives a rich historical account of the racial philosophy policies and practices of successive presidents from Warren G Harding to Bill Clinton Franklin D Roosevelt is one example The popular view is that Roosevelt was a Mend to blacks because of his enactment of New Deal programs But he was also a prisoner of the biased racial thinking of his times He refused to actively support antilynching legislation and repeatedly curried political favor with racist southern Democrats Lyndon B Johnson is yet another example He is known as a champion of civil rights but Hutchinson details two crucial moments when Johnson shrank from using the full force of executive power to push Congress to enact new and tougher federal criminal civil rights statutes to punish racist violence In this book Hutchinson reveals that no American president has ever signed into law a federal antilynching bill despite a 50 year campaign by the NAACP for presidential and congressional action He documents how Nixon Reagan and Bush rolled back civil rights and affirmative action failed to fully enforce equal protection provisions of the Fourteenth Amendment against police abuse and racial violence encouraged conservative legal obstructionism and fueled the rise of a repressive domestic security state These actions in turn have reinforced institutionalized racism and continued the historical pattern of devaluing black lives in law and public policy Finally Hutchinson warns that the century old failure by the White House to enforce federal law to protect black lives still has dangerous consequences for American society

Michael Beschloss on the Cold War Michael Beschloss,Strobe Talbott,2018-11-06 Riveting accounts of the Cold War power struggles from the New York Times bestselling author and nation s leading presidential historian Newsweek The Crisis Years A national bestseller on the complex relationship between President John F Kennedy and Soviet Premier Nikita Khrushchev this definitive history covers the tumultuous period from 1960 through 1963 when the Berlin Wall was built and the Bay of Pigs invasion and the Cuban Missile Crisis brought the United States and Soviet Union to the brink of nuclear war David Remnick The New Yorker Impressively researched and engrossingly narrated Los Angeles Times Mayday On May Day 1960 Soviet forces downed a CIA U 2 spy plane flown by Francis Gary Powers two weeks before a crucial summit This forced President Dwight Eisenhower to

decide whether to admit to Nikita Khrushchev and the world that he had secretly ordered the flight Drawing on previously unavailable CIA documents diaries and letters as well as the recollections of Eisenhower s aides Beschloss reveals the full high stakes drama One of the best stories yet written about just how those grand men of diplomacy and intrigue conducted our business Time At the Highest Levels Cowritten with Strobe Talbott At the Highest Levels exposes the complex negotiations between President George Bush and Soviet Premier Mikhail Gorbachev In December 1989 the Berlin Wall had fallen millions across the Eastern Bloc were enjoying new freedoms and the USSR was crumbling But a peaceful end to the Cold War was far from assured requiring an unlikely partnership as the leaders of rival superpowers had to look beyond the animosities of the past and embrace an uncertain future Intimate and utterly absorbing The New York Times **Politics and Psychology** Joan Offerman-Zuckerberg,2012-12-06 The world is a different place today Much of this has to do with the increasing volume and clarity of the people s collective voice The power and pressing desire in man for autonomy self determination and change are emerging as a demand As a consequence Communist governments are giving way to democratic re structuring Europe is being recrafted and the Cold War is slowly thawing Simultaneously back home our government is becoming increasingly bogged down by media created political images and psychodramas lacking in substance and value the degree of exposure somehow determined more by commercial appeal inherent sensationalism than merit The newborn child Le the budding democracies is looking eagerly to Uncle Sam as a role model throughout the world people are quoting our political scriptures our proclamations our Bill of Rights and yet as models we seem sorely lacking Given this climate this book intends to address a number of contemporary themes the role of the media symbolization idealization and projection on political choice the roles of group fantasy and the more rational force of II group governance on political elections the personalities of our presidents and leaders their psychic vulnerabilities their public versus private personas and how this division interacts with the complex unraveling of historical events for example Jimmy Carter s response to crises in Afghanistan and Iran Michael Dukakis and the 1988 campaign George Bush s emergence as president John F Kennedy and his private versus public personas Anwar Sadat as myth and symbol **The Presidential Character** James Barber,2019-10-17 A book entitled The Presidential Character is more timely and necessary than ever This new issue of James David Barber s classic work appears almost 50 years after its first publication and yet reads like a roadmap to the 2020 presidential election Its subtitle Predicting Performance in the White House is an apt reflection on the election of 2016 With a revised and updated foreword by George C Edwards III that brings in the Trump Administration this book argues that patterns in a person s character world view and political style can allow us to anticipate his or her performance as president How would Barber have categorized Donald J Trump who appears to defy every presidential type and norm This question suggests one of the most provocative and appealing reasons for students scholars and voters to re read The Presidential Character at this particular juncture What should we look for in a president This text offers explanations and predictions of

the performance of past presidents and presidential candidates with many cautionary tales looking forward Features Presents a revised and updated foreword by presidential scholar George C Edwards III Distinguished Professor of Political Science at Texas A M University that includes the advent of the Trump Administration and highlights the book s classic and enduring contributions Includes predictions of presidential performance from Nixon to Bush Analyzes the media s role in providing information about the political candidates and in shaping public opinion of them Draws on historical biographical and psychological research to help voters make judicious choices in determining the country s highest leaders Encourages citizens to be actively involved scholars critics and participants in their government

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **George Bush An Intimate Portrait**

In a world inundated with screens and the cacophony of instantaneous interaction, the profound energy and mental resonance of verbal art often disappear into obscurity, eclipsed by the continuous assault of noise and distractions. FAQs About George Bush An Intimate Portrait Books

What is a George Bush An Intimate Portrait PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George Bush An Intimate Portrait PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Bush An Intimate Portrait PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George Bush An Intimate Portrait PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Bush An Intimate Portrait PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
