George VI:

King George VI Sir John Wheeler Wheeler-Bennett,1958 From the moment of his accession to the close of his life King George was faced with a series of major emergencies the aftermath of the abdication the Czechoslovak crisis the six searing years of war followed by the grim austerity and grave problems of the post war reconstruction period In all these vital events the King played his own considerable part with an outstanding devotion to duty sparing himself nothing and eventually succumbing to the strain of the burden of his office **George VI and Elizabeth** Sally Bedell Smith,2023-04-04 A revelatory account of how the loving marriage of King George VI and Queen Elizabeth saved the monarchy during World War II and how they raised their daughter to become Queen Elizabeth II based on exclusive access to the Royal Archives from the bestselling author of Elizabeth the Queen and Prince Charles An intimate and gripping portrait of a royal marriage that survived betrayal tragedy and war Amanda Foreman bestselling author of Georgiana Duchess of Devonshire Granted special access by Queen Elizabeth II to her parents letters and diaries and to the papers of their close friends and family Sally Bedell Smith brings the love story of this iconic royal couple to vibrant life This deeply researched and revealing book shows how a loving and devoted marriage helped the King and Queen meet the challenges of World War II lead a nation solidify the public's faith in the monarchy and raise their daughters Princess Elizabeth and Princess Margaret When King Edward VIII abdicated the throne in 1936 shattering the Crown's reputation his younger brother known as Bertie assumed his father's name and became King George VI Shy sensitive and afflicted with a stutter George VI had never imagined that he would become King His wife Elizabeth a pretty confident and outgoing woman who became known later in life as the Queen Mum strengthened and advised her husband With his wife's support guidance and love George VI was able to overcome his insecurities and become an exceptional leader navigating the country through World War II establishing a relationship with Winston Churchill visiting Franklin and Eleanor Roosevelt in Washington and in Hyde Park and inspiring the British people with his courage and compassion during the Blitz Simultaneously George VI and Elizabeth trained their daughter Princess Elizabeth from an early age to be a highly successful monarch and she would reign for an unprecedented seventy years Sally Bedell Smith gives us an inside view of the lives struggles hopes and triumphs of King George VI and Elizabeth during a pivotal time in history

King George VI - An Intimate and Authoritative Life of the King by One Who Has Had Special Facilities Taylor Darbyshire,2011-06-14 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Life and Times of George VI** Keith Middlemas,1974 Although as King he became the epitome of a nation united in the Second World War George VI spent the first forty years of his life in the shadow of his elder brother the dashing Prince of Wales later Edward VIII Born while Queen Victoria still ruled George became like his father a naval officer He fought at Jutland learned to fly and in the twenties as Duke of York took the first keen royal interest in

industrial conditions Yet he was shy naturally retiring and suffered from a debilitating stammer until the Abdication forced him into the exalted positions he had dreaded he was known to the public chiefly for the promise of succession held out by his family Inheriting a throne shaken by his brother's abdication King George schooled himself rigorously to the duties of kingship and quickly resorted to the prestige of the monarchy He faced two great questions how in spite of the deep social division of the thirties he could inspire his country in the war with Germany and more difficult how to adjust the ideal and practice of monarchy to the demands of the more open society after 1945 In this sympathetic portrait George VI appears in private life as head of a royal family far less austere than in his father's time and as King endowed with great courage humility and commonsense he was perhaps more genuinely loved by his people because better understood than any of his predecessors Publisher **George VI** Denis Judd, 2012-03-08 George VI was the man not born to be king He nonetheless rescued the British monarchy in the aftermath of the abdication crisis and cemented its prestige with his well judged performance during World War II and the Blitz In this acclaimed biography Denis Judd tells the story of Prince Bertie's transformation into King George VI including his struggle with a crippling shyness and sense of inadequacy exacerbated by the stammer which was the focus of the Oscar winning film *The King's Speech* His marriage to the self assured and supportive Elizabeth Bowes Lyons and his unexpected accession to the throne in 1936 changed the direction of the young prince's life for good Once on the throne it was he who bore the weighty responsibility for restoring the nation's confidence in their monarchy following his elder brother's abdication and for maintaining morale during the darkest days of World War II when together with Winston Churchill his dignified presence functioned as a beacon of reassurance to civilians and military alike Denis Judd provides a fascinating if sometimes controversial reassessment of the man who quite unexpectedly came to occupy an extraordinary position in a time of unprecedented change King George VI Hourly History, 2017-04-13 In Britain the phrase an heir and a spare refers to the imperative for members of the royal family to provide both an heir to take on their title and a spare In this equation King George VI was the spare the second son of King George V and Mary and never expected to sit on the throne King George VI or Albert as he was known prior to his kingship had a career in the Royal Navy and served during the First World War before King Edward VIII's decision to abdicate his throne Determined to restore the British Royal Family in the eyes of the people King George VI played a pivotal role in the victory of the allied nations in the Second World War Inside you will read about Early Years Prince Albert in the Navy The Great War The Reign and Abdication of King Edward VIII Becoming King George VI The Second World War Post War Years And much more King George VI ruled long enough to oversee the tumultuous post war years in Britain the collapse of the British Empire and the emergence of the Commonwealth Succeeded by his daughter Elizabeth at just 55 years old King George VI had a deep sense of honor and duty and was completely dedicated to his turbulent role as King *George VI* Patrick Howarth, 1987 Biografie van de Engelse koning 1895 1952 **The King's Speech, The Life of King George VI and Lionel Logue, The Speech**

and The Film , George VI (Penguin Monarchs) Philip Ziegler,2014-12-04 Written by Philip Ziegler one of Britain s most celebrated biographers George VI is part of the Penguin Monarchs series short fresh expert accounts of England s rulers in a collectible format If Ethelred was notoriously Unready and Alfred Great King George VI should bear the title of George the Dutiful Throughout his life George dedicated himself to the pursuit of what he thought he ought to be doing rather than what he wanted to do Inarticulate and loathing any sort of public appearances he accepted that it was his destiny to figure conspicuously in the public eye gritted his teeth battled his crippling stammer and got on with it He was not born to be king but he made an admirable one and was the figurehead of the nation at the time of its greatest trial the Second World War This is a brilliant touching and sometimes funny book about this reluctant public figure and the private man Philip Ziegler is the author of the authorised biographies of Mountbatten Harold Wilson and Edward Heath His other books include The Duchess of Dino William IV The Black Death and most recently Olivier Initially a diplomat he worked for many years in book publishing before becoming a full time writer **King George VI** Sir John Wheeler Wheeler-Bennett,1959 The Life and Times of King George VI, 1895-1952.
