Footsteps to the Cross was an opportunity for me to use my gift and passion for writing in a way that I pray is pleasing to our Lord The idea for the book came to me after hearing an old song by Bill Anderson titled Where Have all the Heroes Gone and reading the words of two other songs Footsteps of Jesus by Asa Everett and Mary Slade and I Want to be Just Like You by Phillips Craig and Dean The thought occurred to me that too many of us pay a type of homage to people who have gifts talents or abilities that have brought them fame and fortune without paying attention to whether those people have used God's gifts to honor Him or if they are simply interested in self The purpose of the book is to encourage each of us to evaluate our own lives to determine if we are emulating Christ like values or if we are also more concerned with self **From Captivity**

to Fame Or the Life of George Washington Carver Raleigh Howard Merritt, 1929 *The Seed Underground* Janisse Ray, 2012-07-06 There is no despair in a seed There's only life waiting for the right conditions sun and water warmth and soil to be set free Everyday millions upon millions of seeds lift their two green wings At no time in our history have Americans been more obsessed with food Options including those for local sustainable and organic food seem limitless And yet our food supply is profoundly at risk Farmers and gardeners a century ago had five times the possibilities of what to plant than farmers and gardeners do today we are losing untold numbers of plant varieties to genetically modified industrial monocultures In her latest work of literary nonfiction award winning author and activist Janisse Ray argues that if we are to secure the future of food we first must understand where it all begins the seed The Seed Underground is a journey to the

frontier of seed saving It is driven by stories both the author's own and those from people who are waging a lush and quiet revolution in thousands of gardens across America to preserve our traditional cornucopia of food by simply growing old varieties and eating them The Seed Underground pays tribute to time honored and threatened varieties deconstructs the politics and genetics of seeds and reveals the astonishing characters who grow study and save them WHAT IF...? Carlton Harry Clunn,2015-05-01 WHAT IF WHAT IF GOD IS REAL AND I CAN PROVE IT By Carlton Harry Clunn What if Carlton Harry Clunn said he KNOWS God is real not he believes God is real Many of you might be inclined to say Prove it That is precisely the purpose of this book Clunn intends to submit enough evidence that you will not be able to equivocate or deny that God exists All the things that you are about to read are true Clunn has not exaggerated or embellished any of what you are about to encounter with the exception of the pretense of his being an attorney and presenting the case to you the jury It will seem at times that what has happened in Clunn's life is not of this world The fact is many of the things you will read are not However they are true nonetheless In an attempt to show that he is no one special Clunn has also related some of his other life experiences Some of them are good some humorous and some downright bad all hopefully entertaining or informative Miracles are only done in order to reveal God and His character to us They don't happen to everyone but sometimes what happens in one person's life touches those around them May that be the case with you This book is not about religion It is about encounters with God and the adventures that come with having a real relationship with Him

Reflections on Life II Staci Stallings,2007-09-01 Packed with 81 remarkable stories Reflections on Life II Notes from the Journey will encourage you to find God's path for your life and follow it Learn how to trade an ordinary life for one of extraordinary love and abundance in God through God and with God If you're living small this book will inspire you to live big to reach for everything God wants for your life and to do all you do with bravery integrity and most of all love **Appleseed**
