CINCINNATI'S GERMAN HERITAGE

(Continued from other side)

The first Germans arrived in Cincinnati in 1768, and after 1793 Martin Baum, known as the father of German immigration to Cincinnati, recruited many early German arrivals. In 1805 American Revolution veteran Major David Ziegler became Cincinnati's first mayor. Mass migration began in the 1830s with Cincinnati's boom in the meatpacking and shipping industries, especially from northern Germany. It accelerated after the 1848 Revolution in Prussia, and many of the refugees, or "forty-eighters," assumed community leadership roles here. The last major wave of German immigration were Danube-Swabians in the mid-20th century. The city's symbol, the Tyler-Davidson Fountain, was created in Cincinnati's sister city Munich; other landmarks of German heritage include the Over-the-Rhine district, the Roebling suspension bridge, Cincinnati's brewing tradition, and many of its street names.

*German Monuments in the Americas* Hans A. Pohlsander,2010 This book looks at the many transatlantic bonds which have linked and still link Germany and the United States German immigrants to the Americas brought with them a good deal of cultural baggage They cultivated their German heritage in their schools churches and clubs They expressed pride in this heritage by erecting monuments to Goethe or Schiller Beethoven or Wagner Alexander von Humboldt or Turnvater Jahn They claimed Friedrich Wilhelm von Steuben Carl Schurz Gustave Koerner and John A Roebling as their own But German born or German trained sculptors did not limit

themselves to German subjects They also paid tribute to America by creating sculptures of Benjamin Franklin George Washington Thomas Jefferson Abraham Lincoln and others who occupy a place of honor in American history While a few German monuments can be found in Canada and in Latin America the number of German monuments in the United States is surprisingly large These monuments illustrate the contribution often overlooked or ignored of the German American community to American society and American cultural life *Cincinnati German Street Names Project* German-American Citizens League of Greater Cincinnati.
