Roswell, New Mexico**

# German Pow In New Mexico

**R. Douglas Hurt**

## **German Pow In New Mexico:**

A German POW in New Mexico Walter Schmid,2005-06-15 Walter Schmid a member of Rommel s Afrika Korps was one of hundreds of thousands of POWs interned in the United States during World War II Drafted into the German army at twenty he had fought for only five months when captured in Tunisia in May 1943 Schmid was sent first to POW camps in Oklahoma Gruber Bixby and McAlester and was soon transferred to New Mexico in July 1944 Walter Schmid worked in southern New Mexico s Mesilla Valley picking cotton and harvesting melons alongside Mexican American laborers He recalls playing trumpet in the camp orchestra and watching Sunday soccer games between the teams of rival POW camps Based on his diary and the letters he sent home to his German girlfriend whom he later married Schmid s memoir was published in Germany in 2000 This abbreviated English translation begins with his capture in North Africa and his voyage to the United States and ends with his work experience in England where he was transferred after almost three years of captivity in the United States and his return to Germany in 1947

**A German POW in New Mexico** Walter Schmid,2005-06-15 First published in Germany in 2000 Schmid s experiences in the Southwest during WWII offer a unique glimpse of America as it looked to an enemy soldier

New Mexico in World War II Richard Melzer and John Taylor,2021 In 1941 New Mexico was an agrarian state with just over half a million people many of whom lived without electricity running water indoor plumbing or paved roads However the state provided more military volunteers per capita including eight Medal of Honor winners than any other state and had the highest casualty rate per capita in the country New Mexico provided essential resources ranging from oil and coal to potash and copper The state is often remembered for being the location where the first nuclear weapon was designed and tested in 1945 but more important at the time were the development of the proximity fuze and the testing of the top secret Norden bombsight The state also housed German and Italian prisoners of war and in one of the darkest moments in US history incarcerated American citizens of Japanese descent in several concentration camps

**From German Prisoner of War to American Citizen** Barbara Schmitter Heisler,2014-11-29 Among the many German immigrants to the United States over the years one group is unusual former prisoners of war who had spent between one and three years on American soil and who returned voluntarily as immigrants after the war Drawing on archival sources and in depth interviews with 35 former prisoners who made the return the book outlines the conditions that defined their unusual experiences and traces their journeys from captive enemies to American citizens Although the respondents came from different backgrounds and arrived in America at different times between 1943 and 1945 their experiences as prisoners of war not only left an indelible impression they also provided them with opportunities and resources that helped them leave Germany behind and return to the place where we had the good life

*Buried Treasures* Richard Melzer,2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history

Prisoners of War Arnold Krammer,2007-11-30 America s

current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

**Axis Prisoners of War in Kentucky** Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking

college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

**Sanatoriums of New Mexico** Richard Melzer,2014-06-02 Tuberculosis also known as consumption the White Plague or simply TB was the number one killer in the United States in the late 19th and early 20th centuries Many physicians of the era advised their patients to chase the cure for tuberculosis in the Southwest where the regions clean dry fresh air high altitude and sunshine offered relief for most and recovery for some New Mexico called the well country was particularly eager to promote itself as a mecca for lungers with the coming of the railroad to the territory in 1880 and the creation of many new hospitals known as sanitariums or sanatoriums sans which specialized in the treatment of TB This is a brief history of New Mexicos sans their patients and the doctors nurses and staff who served them during the golden age of the TB industry from the turn of the 20th century to the eve of World War II

**Axis Prisoners of War in Tennessee** Antonio S. Thompson,2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee

**Texas and Texans in World War II** Christopher B. Bean,2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

**The Enemy in Our Hands** Robert C. Doyle,2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in

our nation's military history Military expert Robert C Doyle's *The Enemy in Our Hands America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America's major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history's conquerors are judged *Men in German Uniform* Antonio Thompson, 2010-11-16 Examining the largest prisoner of war handling operation in U S history this book offers a meticulous account of the myriad history this book offers a meticulous account of the myriad problems as well as the impressive successes that came with problems as well as the impressive successes that came with housing 371 000 German POWs on American soil during World War II Antonio Thompson draws on extensive archival research to probe the various ways in which the U S government strove to comply with the Geneva Convention's mandate that enemy prisoners be moved from the war zone and given food shelter and clothing equal to that provided for American soldiers While the prisoners became a ready source of manpower for the labor starved American home front and received small wages in return their stay in the United States generated more than a few difficulties which included not only daunting logistics but also violence within the camps Such violence was often blamed on Nazi influence and control however as Thompson points out only a few of the prisoners were actually Nazis Because the Germans had cobbled together military forces that included convicts their own POWs volunteers from neutral nations and conscripts from occupied countries the bonds that held these soldiers together amid the pressures of combat dissolved once they were placed behind barbed wire When these men in German uniform who were not always Germans donned POW garb their former social racial religious and ethnic tensions quickly reemerged To counter such troubles American authorities organized various activities including sports arts education and religion within the POW camps some prisoners even participated in an illegal denazification program created by the U S government Despite the problems Thompson argues the POW housing program proved largely successful as Americans maintained their reputation for fairness and humane treatment during a time of widespread turmoil **What They Didn't Teach You About World War II** Mike Wright, 2009-01-21 Packed with personal anecdotes and details you won't find anywhere else this is the secret history of World War II A fast moving overview stuffed with interesting factoids and historical tidbits Casual readers will find themselves carried along and hardened military buffs will learn much that is new Library Journal It's almost guaranteed to make you so interested in the subject you'll want to learn By including hundreds of interesting anecdotes and

facts Mike Wright not only piques our interest repeatedly he also gives areal feel for the war era Manchester Journal Inquirer An excellent overview with interesting chapters on spies POWs censorships and the building of the atomic bomb Wright s style is accessible The Post and Courier

**The Great Plains During World War II** R. Douglas Hurt,2008-06-01 An in depth examination of the effects of World War II on the Great Plains states brings to life the voices and experiences of the residents of the region in recounting the stories of the daily concerns of ordinary people

Treason in the Rockies Paul N. Herbert,2021-04-13 A look at one U S Army private s attempt to free Nazi soldiers from a Colorado prisoner of war camp during World War II Harvard honor alumnus Dale Maple had a promising future but his obsession with Nazi Germany led to his downfall Classmates often accused him of pro Nazi sentiments and one campus organization even expelled him After graduation he enlisted in the U S Army only to be relegated to a unit of soldiers suspected of harboring German sympathies He helped two German POWs escape imprisonment at Camp Hale and flee to Mexico The fugitives ran out of gas seventeen miles from the border and managed to cross it on foot only to be arrested and returned to American authorities Convicted and sentenced to death for treason Maple awaited his fate until President Franklin Roosevelt commuted his sentence to life imprisonment Ultimately he was released in 1950 Paul N Herbert narrates the engrossing details of this riveting story A well documented account of Maple s escapade set against a background of World War II s treatment of POWs and German sympathizers The Denver Post

**Selling Guantánamo** John Hickman,2013-05-14 In the aftermath of 9 11 few questioned the political narrative provided by the White House about Guant namo and the steady stream of prisoners delivered there from half a world away The Bush administration gave various rationales for the detention of the prisoners captured in the War on Terror they represented extraordinary threats to the American people possessed valuable enemy intelligence and were awaiting prosecution for terrorism or war crimes Both explicitly and implicitly journalists pundits lawyers academics and even released prisoners who authored books about the island prison endorsed elements of the official narrative In Selling Guant namo John Hickman exposes the holes in this manufactured story He shines a spotlight on the critical actors including Rumsfeld Cheney and President Bush himself and examines how the facts belie the official accounts He chastises the apologists and the critics of the administration arguing that both failed to see the forest for the trees

Controlling Sex in Captivity Matthias Reiss,2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by

perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war *New Mexico Historical Review* Lansing Bartlett Bloom, Paul A. F. Walter, 1974

**Encyclopedia of Immigration and Migration in the American West** Gordon Morris Bakken, Alexandra Kindell, 2006-02-24 To read some sample entries or to view the Readers Guide click on Sample Chapters Additional Materials in the left column under About This Book Immigration from foreign countries was a small part of the peopling of the American West but an important aspect in building western infrastructure cities and neighborhoods The Encyclopedia of Immigration and Migration in the American West provides much more than ethnic groups crossing the plains landing at ports or crossing borders this two volume work makes the history of the American West an important part of the American experience Through sweeping entries focused biographies community histories economic enterprise analysis and demographic studies this Encyclopedia presents the tapestry of the West and its population during various periods of migration The two volumes examine the settling of the West and include coverage of movements of American Indians African Americans and the often forgotten role of women in the West s development Key Features Represents many of the American Indian tribes and bands that constitute our native heritage in an attempt to reintegrate the significance of their migrations with those of later arrivals Examines how African Americans and countless other ethnic groups moved west for new opportunities to better their lives Looks at specific economic opportunities such as mineral exploration and the development of instant cities Provides specific entries on immigration law to give readers a sense of how immigration and migration have been involved in the public sphere Includes biographies of certain individuals who represent the ordinary as well as extraordinary efforts it took to populate the region Key Themes American Indians Biographies Cities and Towns Economic Change and War Ethnic and Racial Groups Immigration Laws and Policies Libraries Natural Resources Events and Laws The Way West The Encyclopedia of Immigration and Migration in the American West brings new insight on this region stimulates research ideas and invites scholars to raise new questions It is a must have reference for any academic library *Annals of Wyoming* ,2006

eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the German Pow In New Mexico full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of German Pow In New Mexico eBooks, including some popular titles.

### FAQs About German Pow In New Mexico Books

**What is a German Pow In New Mexico PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Pow In New Mexico PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Pow In New Mexico PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Pow In New Mexico PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Pow In New Mexico PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
