I Went To The Bay:

I Went to the Bay Ruth Miller, 2000-01-15 A curious boy goes looking for frogs and discovers much much more **Wild**
Monterey Bay: Up Close and Personal: Stories of Memorable Wildlife Encounters Jodi Frediani, Katlyn Taylor, 2024-10-25 Wild Monterey Bay is a collection of over 40 first person accounts in response to the question What is your most memorable wildlife encounter in Monterey Bay Read stories from people from all walks of life who have incredible stories about the rich wildlife and vast ecosystem that is Monterey Bay This book is a celebration of the bay and the people who interact with it About This Book Storytelling is human nature We started this project in 2016 with the hope that we could capture through personal stories the essence of what it s like for both people and wildlife in Monterey Bay Scientists have been studying this place for decades and people have written books about life on its shores Unless you combine the two the humans and the wildlife it s hard to get the full perspective of how amazing this place really is We interviewed forty people for this project from many different walks of life Some were just short term visitors and others have lived on the shores of Monterey Bay for generations Their stories involve at least twenty five different species from microscopic plankton to the largest animal to have ever lived on earth the blue whale We originally captured storytellers biographical information by asking them interview questions so their responses best reflect what was relevant to them at that time But forty people is a significant number to keep up with over the course of eight years A number of the stories also reference a specific timeline relevant to when the storytellers were interviewed To help provide context the dates of all interviews are listed on the top left of the story photo that begins each story Wild Monterey Bay is a celebration of wildlife and people Now we have finally turned these illustrated stories into a book for people to enjoy for years to come and we hope you will enjoy it Foreword by Carl Safina Praise for Wild Monterey Bay Connecting with wildlife is such an important way to build empathy for the natural world This is a delightful collection of stories about inspiring encounters with ocean life everything from bioluminescent plankton to great whales I hope it encourages everyone to get outdoors and explore for themselves Julie Packard Executive Director Monterey Bay Aquarium This is a treasure trove Gorgeous compelling photos illustrate pages brimming with stories of close encounters with creatures from white sharks to plankton all told in different voices and from different perspectives From the teacher watching city kids fall in love with the ocean to the biologist wrangling seals for tagging to the photographer documenting an orca teaching her baby to hunt all of these tales some funny some sad some quirky give you an intimate picture of Wild Monterey Bay you ll find nowhere else Whether you already live in this magical place or are only an armchair visitor this book will deepen your appreciation of this unique critical habitat and inspire you to protect what is surely one of the richest marine ecosystems on Earth Sy Montgomery Author of Soul of the Octopus and Secrets of the Octopus An inspiring exploration of the relationship between one of the world s most extraordinary marine environments and the people whose lives are deeply touched by it and who work to protect it LIZ CUNNINGHAM Author of Ocean Country

Human encounters with wildlife wake us up to the fact that we live in their world and these stories make that notion so real This is Monterey Bay at its most raw alive and deserving of its rightful protection Enjoy DAN HAIFLEY Retired Executive Director O'Neill Sea Odyssey and Save Our Shores

On The Dixie: A Humorous Account of Growing Up in Kemp's Bay, South Andros, Bahamas Mina E. Miller-Dawes, 2017-11-30 Do you want to get a jump start on the news for the day Well then you need to go to the Dixie The Dixie was the thoroughfare for travel from one end of the community of Kemp's Bay to the other It was also the connecting link to communities south and north of Kemp's Bay Most of the homes were located on or near the Dixie so that anyone passing through the settlement via the Dixie could be observed by most of the inhabitants Being on the Dixie was the equiv
