*Dangerous Gifts* Mary Jo Putney, 2012-10-18 DANGEROUS GIFTS A shy mortal girl rashly accepts a faery lord's offer of beauty and charm. Then he comes to claim a terrible price: the loss of her new love and everything she holds dear. Praise for Mary Jo's *Lost Lords* series: Romance at its best. Julia Quinn: Exquisitely and sensitively written. Library Journal starred review: Intoxicating and not to be missed. Romantic Times: 4 Stars Top Pick. 25,000 Words. *Tales of the Enchanted Islands of the Atlantic* Thomas Wentworth Higginson, 2024-04-17 *Tales of the Enchanted Islands of the Atlantic* by Thomas Wentworth Higginson is a collection of myths, legends, and folktales inspired by the islands of the Atlantic Ocean. Higginson, an American author, historian, and minister, compiled stories from various cultures and traditions surrounding islands such as Atlantis, the Azores, the Canaries, and others. The book delves into the rich tapestry of folklore and mythology associated with these islands, exploring themes of magic, adventure, heroism, and the supernatural. From tales of lost civilizations to encounters with mythical creatures, each story offers a glimpse into the imagination and cultural heritage of the people who inhabited or explored these islands throughout history. **Messages from God** Inez Brinkley, 2010-05-10 These are messages given by God to me over the last eight years or so. It is my prayer that these words will minister to all who read them. Sharper Than A Serpent's Tooth Simon R. Green, 2006-02-28 My name is John Taylor. I'm a PI for hire in the Nightside, the dark and corrupt city within the city of London. Where the sun never shines and where pleasure and horror are always on sale for the right price. Not a nice place to visit or a nice place to live. So you wouldn't think I would care that it was about to be destroyed by none other than my very own long missing, not quite human mom. But I do. I was born here. I live here, and I got friends here. They might not all be acceptable in polite company, but they're my friends. Nonetheless, I know that I'm the only one who can stop her. The trick is how to do it without fulfilling this prophecy that says whatever action I take, not only is the Nightside doomed, but the rest of the world will soon follow. A Dragon's Desire Shiloh Walker, 2022-07-18 You will wander, you will roam. SORIN. He is Zmeu, one of the great dragons of myth. As a young dragon, he was told an important truth: Dragons do not fall in love. They definitely do not fall in love with mortal women. It's a lesson Sorin takes to heart. He might have had a mortal mother, but mortals had also killed her, leaving him alone. A dragon grown, he dwells in an impenetrable castle, living a dragon's best life. He dances with fae swan maidens, steals baubles from unknowing kings, scoffs at mortals stumbling through life, wasting time on war, hate, love. Then love finds him. In the village of his birth, a woman teaches him a truth his dragon family hadn't: it's rather easy for a dragon to find love. Ever seeking solace, ever seeking home. Easy to love, yes. But understanding the woman who steals his heart? Not so easy. He doesn't realize it at the time, his arrogance leading him to assume he knew best. After all, he was a dragon. Sorin's arrogance led to her death and a curse. Hundreds of years later, living in the New World as the world prepares for war, he is almost numb to the curse that haunts him still. You will wander, you will roam, they'd said. He did. But seeking solace, seeking home. Home and solace were lost to him every bit as much as his love. As penance, he

guards the mortals in his territory as she had protected those under her care He ll hold off the coming war as long as possible When the time comes to take up a sword or breathe fire he will It s little comfort but his lost love would expect him to protect So he does One night a sudden awareness yanks him from deepest sleep Chasing the faint magical trail he finds a woman battling for her life Just before a killing strike he sees her eyes eyes of haunting green The eyes of the woman he d loved the eyes of the woman he d killed
