Ian Nash Collected Writings:

The Collected Works Ian Fleming, 2023-12-30 Ian Fleming's *The Collected Works* presents a comprehensive anthology of his influential writings encapsulating the thrilling escapades of his most famous creation James Bond alongside narratives that reveal the breadth of his literary prowess. The collection showcases Fleming's masterful command of suspense and vivid characterization rooted in the post World War II context when his works emerged as escapist fiction that resonated with a world grappling with the complexities of modernity. His deft prose infused with technological intrigue and exotic locales not only captures the imagination but also reflects Cold War anxieties and the shifting paradigms of masculinity. Fleming, a former intelligence officer, drew upon his extensive experiences in both military service and the realm of journalism to craft his narratives. His keen understanding of espionage and human psychology shines through in his writing, making his works compelling both as entertainment and as commentary on the sociopolitical landscapes of his time. Fleming's unique perspective was shaped by a life filled with adventure and a passion for storytelling which he seamlessly wove into his fiction. For readers and scholars alike, *The Collected Works* serves as an essential exploration of Fleming's literary legacy and the evolution of the spy genre. It is a must-read for anyone intrigued by the intersection of captivating storytelling and the reflections of a tumultuous era appealing to a wide audience that spans both casual readers and critical analysts. *The Collected Works of Walter Pater, Vol. IX: Correspondence* Walter Pater, 2023 *Correspondence* is the ninth volume in the ten-volume *Collected Works of Walter Pater*. This volume presents for the first time all of Pater's known correspondence fully annotated, offering a complete overview of Pater's academic, professional, and personal lives. *Reconstructing Modernism* Ashley Maher, 2020-03-12 *Reconstructing Modernism* establishes for the first time the centrality of modernist buildings and architectural periodicals to British mid-century literature. Drawing upon a wealth of previously unexplored architectural criticism by British authors, this book reveals how arguments about architecture led to innovations in literature as well as to redesigns in the concept of modernism itself. While the city has long been a focus of literary modernist studies, architectural modernism has never had its due. Scholars usually characterize architectural modernism as a parallel modernism or even an incompatible modernism to literature. Giving special attention to dystopian classics *Brave New World* and *Nineteen Eighty-Four*, this study argues that sustained attention to modern architecture shaped mid-century authors' political and aesthetic commitments. After many writers deemed modernist architects to be agents for communism and other collectivist movements, they squared themselves and literary modernist detachment and aesthetic autonomy against the seemingly tyrannical utopianism of modern architecture. Literary aesthetic qualities were reclaimed as political qualities. In this way, *Reconstructing Modernism* redraws the boundaries of literary modernist studies rather than simply adding to its canon; it argues that the responsibility for defining literary modernism for the mid-century public was shared by an incredible variety of authors: Edwardians, modernists, satirists, and even anti-modernists. *Australian Book Review*, 1978 *Romanticism*,

Self-Canonization, and the Business of Poetry Michael Gamer, 2017-02-17 This is the first book to examine how Romantic writers transformed poetic collections to reach new audiences In a series of case studies Michael Gamer shows Romantic poets to be fundamentally social authors working closely with booksellers intimately involved in literary production and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity Exploding the myth of Romantic poets as naive unworldly or unconcerned with the practical aspects of literary production this study shows them instead to be engaged with intellectual property profit and loss and the power of reprinting to reshape literary reputation Gamer offers a fresh perspective on how we think about poetic revision placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers

The Technopolitics of Communication in Modern India Pragya Dhital, 2024-12-12 This book offers a groundbreaking account of the role of media technologies in Indian nationalism and democracy From the Brexit referendum in 2016 to the phenomenon of Trumpism there has been much speculation about the role played by new media in an apparent return of illiberal politics and primordial identities Dhital argues these developments could best be understood by not taking identity for granted as a static and exclusive form of affiliation She also emphasises how the technical and material are interwoven into human thought and action rather than acting upon them externally She accordingly focuses on the technopolitical means by which groups have been ventriloquised during critical periods in Indian political history across various media from newspapers and magazines to radio broadcasts speeches and online platforms Chapters cover prison writing produced during the emergency of 1975-77 regulation of public speech during the 2014 general election and the Citizenship Amendment Act protests of 2019-20 Through these case studies Dhital works towards an alternative more reflexive basis for popular representation one that does not sacralise the people and assume power in their name

The Cambridge History of Literary Criticism: Volume 7, Modernism and the New Criticism George Alexander Kennedy, 1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction

A Dilemma of English Modernism Michael J. K. Walsh, 2007-02 Presents a first history of the artist and his work within the literary and sociocultural context of contemporary London Paris Milan and New York This work also emphasizes a re-evaluative positioning of Nevinson's work within a modernist framework in literature and art in the first half of the twentieth century in northwest Europe

You'll Die Laughing Harry Reade, 1988

The Ordeal of Warwick Deeping Mary Grover, 2009 The Ordeal of Warwick Deeping seeks to demonstrate that the way cultural hierarchies are established shapes the nature of the products generated Although commentators on mass culture have stressed the homogenous identity of popular texts the mechanical nature of their production and the passivity of their consumers Deeping's novels imply that readers are aware of and resistant to such characterizations Q D Leavis identified this resistance but she and other self-appointed members of the cultural elite failed to recognize that the game of drawing cultural distinctions blunted the exercise of the very quality on

which the self appointed umpires based their claim to cultural superiority moral intelligence and discrimination

BOOK JACKET **Passion's Fortune** Joseph McAleer,1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the firm s 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were Managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It s a fascinating read for anyone who s ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century

APAIS 1992: Australian public affairs information service , **The Essence of Liberty** Wilma King,2006 Before 1865 slavery and freedom coexisted tenuously in America in an environment that made it possible not only for enslaved women to become free but also for emancipated women to suddenly lose their independence Wilma King now examines a wide ranging body of literature to show that even in the face of economic deprivation and draconian legislation many free black women were able to maintain some form of autonomy and lead meaningful lives The Essence of Liberty blends social political and economic history to analyze black women s experience in both the North and the South from the colonial period through emancipation Focusing on class and familial relationships King examines the myriad sources of freedom for black women to show the many factors that along with time spent in slavery before emancipation shaped the meaning of freedom Her book also raises questions about whether free women were bound to or liberated from gender conventions of their day Drawing on a wealth of untapped primary sources not only legal documents and newspapers but also the diaries letters and autobiographical writings of free women King opens a new window on the world of black women She examines how they became free educated themselves found jobs maintained self esteem and developed social consciousness even participating in the abolitionist movement She considers the stance of southern free women toward their enslaved contemporaries and the interactions between previously free and newly freed women after slavery ended She also looks closely at women s spirituality disclosing the dilemma some women faced when they took a stand against men even black men in order to follow their spiritual callings Throughout this engaging history King underscores the pernicious constraints that racism placed on the lives of free blacks in spite of the fact that they were not enslaved The Essence of Liberty shows the importance of studying these women on their own terms revealing that the essence of freedom is more complex than the mere absence of shackles

An Agrarian Proposal Rebecca Judge,Charles Taliaferro,2022-12-02 An Agrarian Proposal examines how the communitarian perspectives shared among colonial New

England's settlers and the farming methods they employed can be adapted to cultivate contemporary agricultural practices policies and ethical commitments Together these promote sustainable farming and land stewardship even as they valorize farming as a vital locus for cultivating virtue In contrast to the celebration of libertarian ideals and the general distrust of government regulation characterizing the writings of many prominent modern agrarian writers who follow the tradition of Jefferson and the Southern agrarians *An Agrarian Proposal* explores how faith based commitments shared among colonial New England's settlers resulted in resource distribution and stewardship practices that created a sustainable approach to land and resource management *An Agrarian Proposal* adds to contemporary considerations of the ethics and practices of agrarianism by exploring a time and place where regulation was deemed a necessary means of fostering good land stewardship and where a faith based communitarianism challenged individualism to promote sustainable land practices by individuals farming New England's rocky and isolated fields

Defend the Realm Christopher Andrew, 2009-11-03 For over 100 years the agents of MI5 have defended Britain against enemy subversion Their work has remained shrouded in secrecy until now This first ever authorized account reveals the British Security Service as never before its inner workings its clandestine operations its failures and its triumphs

Modernism's Second Act: A Cultural Narrative I. Nadel, 2012-12-17 European modernism underwent a massive change from 1930 to 1960 as war altered the cultural landscape This account of artists and writers in France and England explores how modernism survived under authoritarianism whether Fascism National Socialism or Stalinism and how these artists endured by balancing complicity and resistance

A Cultural History of Ideas in the Modern Age Stefanos Geroulanos, 2025-05-15 PRAISE FOR A CULTURAL HISTORY OF IDEAS VOLUMES 1-6 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE 2023 AAP PROSE AWARDS WINNER BEST HUMANITIES REFERENCE WORK Ideas defined the twentieth century they and their reflections shaped practices social life knowledge and governance They played out in policies in street debates in histories of the past and future in school curricula in revolts in art in medical care They offered up reasons to fight work and spend ideals to trust in violence to inflict or oppose algorithms to program This book confronts the challenge of the narrative symbolic institutional and conceptual architecture of the twentieth century mostly in the Euro American West To this day our thought is defined by terms that the twentieth century set in motion from modernity to the age of extremes from nationalism to internationalism to decolonization from dada to poststructuralism from the expanding university to neoliberalism and the end of history This book tracks nine categories Knowledge The Human Self Ethics and Social Relations Politics and Economies Nature Religion and the Divine Language Poetry Rhetoric The Arts and History It completes the six volume *A Cultural History of Ideas* by asking in what ways the twentieth century fundamentally addressed and altered each of these categories The 6 volume set *A Cultural History of Ideas* is part of *The Cultural Histories Series* Titles are available in print for individuals or for libraries needing just one subject or preferring a tangible reference for their shelves or as part of a fully

The Radical Rhetoric of the English Deists James A. Herrick, 1997 Focusing on the works of lesser known yet influential Deists the author examines the 70 year polemic between the Church of England and the English Deists illuminating the rhetorical war which raged between them He contends that Deism owes its significance to these skilled controversialists

Ambiguous Angels Catherine Jagoe, 2023-04-28 The contradictory nature of the work of Benito Pérez Galdós Spain's greatest modern novelist is brought to the fore in Catherine Jagoe's innovative and rigorous study Revising commonly held views of his feminism she explores the relation of Galdós's novels to the woman question in Spain arguing that after 1892 the muted feminist discourse of his early work largely disappears While his later novels have been interpreted as celebrations of the emancipated new woman Jagoe contends that they actually reinforce the conservative bourgeois model of frugal virtuous womanhood the angel of the house Using primary sources such as periodicals medical texts and conduct literature Jagoe's examination of the evolution of feminism makes Ambiguous Angels valuable to anyone interested in gender culture and narrative in nineteenth century Europe The contradictory nature of the work of Benito Pérez Galdós Spain's greatest modern novelist is brought to the fore in Catherine Jagoe's innovative and rigorous study Revising commonly held views of his feminism she explores the relation of Galdós's n
