one of skating's best instructors shares with readers the steps that she and many of her students learned on their way to becoming elite competitive skaters. Most instruction books available on ice skating tend to focus on advanced jumps or spins, assuming the reader will learn the basics through professional instruction. *Ice Skating Steps to Success* however covers fundamental skills in a way that's easy to understand and apply. Part of the highly popular Steps to Success Series, this book includes 11 steps/chapters that progress from basic to intermediate skills. It features over 300 illustrations that make it possible to learn proper form and technique. Readers will learn how to attain the posture and control required for basic skills, use standard methods of gaining forward and backward speed, execute four different methods of stopping, fall properly and get up easily, change direction without loss of control, and control the skate edges in order to prepare for advanced maneuvers including jumps, spins, and footwork. With *Ice Skating Steps to Success*, beginning and recreational skaters will develop a solid foundation of skills to help them gain confidence in their abilities and enjoy the sport more.

[Knight of the Ice 10](#) Yayoi Ogawa, 2022-04-12 THE WHOLE WORLD IS WATCHING With barely more than a month to go before the Olympics, Kokoro finally bites the bullet and gets surgery on his ankle. Now he wants Chitose to undergo the operation; her heart needs even if it means she won't be by his side at the Olympics to cast the spell for him. But while Kokoro's recovering and Chitose's fretting over whether or not to go through with her own procedure, skaters from around the world start to arrive in Sochi. Kokoro is already in for the challenge of his life, and things are about to get even more complicated when Team Kijinami runs into another unexpected hurdle.
