Ask the Dust John Fante, 2010-05-18 Ask the Dust is a virtuoso performance by an influential master of the twentieth century American novel It is the story of Arturo Bandini a young writer in 1930s Los Angeles who falls hard for the elusive mocking unstable Camilla Lopez a Mexican waitress Struggling to survive he perseveres until at last his first novel is published But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears and Bandini forever rejects the writer s life he fought so hard to attain

The Road to Los Angeles John Fante, 2010-05-18 I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead My first job was ditchdigging a short time after I graduated from high school Every night I couldn t sleep from the pain in my back We were digging an excavation in an empty lot there wasn t any shade the sun came straight from a cloudless sky and I was down in that hole digging with two huskies who dug with a love for it always laughing and telling jokes laughing and smoking bitter tobacco Wait Until Spring, Bandini John Fante, 2010-05-25 He came along kicking the snow Here was a disgusted man His name was Svevo Bandini and he lived three blocks down that street He was cold and there were holes in his shoes That morning he had patched the holes on the inside with pieces of cardboard from a macaroni box The macaroni in that box was not paid for He had thought of that as he placed the cardboard inside his shoes

Dreams from Bunker Hill John Fante, 2010-05-18 My first collision with fame was hardly memorable I was a busboy at Marx s Deli The year was 1934 The place was Third and Hill Los Angeles I was twenty one years old living in a world bounded on the west by Bunker Hill on the east by Los Angeles Street on the south by Pershing Square and on the north by Civic Center I was a busboy nonpareil with great verve and style for the profession and though I was dreadfully underpaid one dollar a day plus meals I attracted considerable attention as I whirled from table to table balancing a tray on one hand and eliciting smiles from my customers I had something else beside a waiter s skill to offer my patrons for I was also a writer

The Bandini Quartet John Fante, 2004 One of the great outsider figures of twentieth century literature John Fante possessed a style of deceptive simplicity full of emotional immediacy and tremendous psychological point Among the novels short stories and screenplays that comprised his career Fante s crowning accomplishments were for many his four stories about a certain uncomplicated character from the hills of Abruzzi Collected together in one volume for the first time The Bandini Quartet tells of Arturo Bandini Fante s fictional alter ego an impoverished young Italian American who armed with only a Jesuit high school education and the insane desire to write novels escapes his suffocating home in Colorado to seek glory in a Depression era Los Angeles This edition also includes the first ever UK publication of Dreams From Bunker Hill the brilliant and final novel which a blind and wheelchair bound Fante nearing his death bed dictated to his wife Joyce
