Id Love You Even If:

Heloise and Bellinis Arrigo Cipriani,1991 This charmingly inventive deliciously improbable seriocomic novel opens at eleven o'clock in the morning of July 14 in the year 2000 on the Avenue d'Angleterre in Beirut Private George Smith of the American Peace Keeping Forces in Lebanon is breathlessly chasing a hand grenade which he threw in the line of duty down the street It seems he forgot to pull the pin At that very moment one Heloise Svejek is crossing the street from east to west bearing an empty coffin on her shoulder From this unlikely encounter is born one of the great love stories of the first year of the twenty first century not completely unworthy of that of Heloise's namesake nine centuries earlier Private Smith is a reasonably sane soldier as sane at least as any oversized American of mixed Swedish and Austro-Hungarian descent from Alabama who has not been with a beautiful for two years can be Now Smith knows inevitably and irrevocably why fate has posted him to this godforsaken city He disappears with Heloise for all the right reasons but for General Custer Private Smith's commanding officer when you're gone for five days you're gone for good fellow and Washington is so informed When news spreads that Smith is not dead but only hopelessly in love the plot does not merely thicken but gets downright sticky What will Custer tell the President What will he tell George's next of kin and how will he get back the posthumous award for unusual bravery he sent her And yes what about this Heloise they are all drooling over In page after page chapter after chapter these and countless other cosmic questions are discussed and dealt with with mixed results as the author is quick to point out Interspersed with the chapters are intermezzi in which the author muses and comments on George Heloise life love Harry's Bar his father Giuseppe peach nectar and champagne cocktails aka bellinis and Cousin Wanda not to mention Abelard himself the inquisitive inflexible and highly unimaginative friend of the author to whom the intermezzi are addressed

After the fall of the goddess of justice temple assassin Aral Kingslayer lost his purpose in life and turned to the bottle. Reluctant to resume the role of an assassin he turned her down. But now Aral has learned that one of the few people willing to help him in his darkest days has been imprisoned by Maylien's uncle King Thauvik. It was the death of Thauvik's half brother that earned Aral the name Kingslayer and now he is thrust into a war that will see no end until he lives up to his name.

What Might Have Been F. L. Murnahan, Jr., 2009-05-13 I thought about Beth's words concerning Melissa as well as going straight home. I'd never been unfaithful and it bothered me that Beth maintained such thoughts in her mind. As for Melissa there'd been a time not too far past when I'd had deep hopes and dreams about the two of us getting married sharing our lives as we watched our

children grow and yes even having a child together But those dreams had been shattered in a matter of seconds like a piece of glass and it seemed senseless to dwell on what might have been but I couldn't refrain from thinking that it should have been Melissa giving birth to our first child instead of Beth
