Idea Of Prostitution

Josefina Erikson

Idea Of Prostitution:

The Idea of Prostitution Sheila Jeffreys, 1997 There are at least two competing views on prostitution prostitution as a legitimate and acceptable form of employment freely chosen by women and men s use of prostitution as a form of degrading the women and causing grave psychological damage In The Idea of Prostitution Sheila Jeffreys explores these sharply contrasting views

The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch, 1909 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Ivan Bloch, 2021-04-22 The author s aim in writing this book was to write a complete Encyclop dia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormalities should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity

The Sexual Life of Our Time in Its Relation to Modern Civilization Iwan Bloch, 1914

Criminalising the Client Josefina Erikson, 2017-06-09 In 1998 Sweden was the first country in the world to criminalise the purchase of sexual services but not the sale of sex The law represented a new prostitution regime that problematised power relations in prostitution as inherently gendered and hierarchical and made the male buyers of sexual services responsible for the act of prostitution The Swedish case is critically important to the study of gendered institutional change and has been of empirical interest and global debate Using the feminist institutionalism approach to the analysis this study offers new insights to the Swedish case and provides a new analytical framework for micro level analysis of institutional change that addresses the struggle for meaning institutionalization of new gendered ideas and the strategic actions of feminist actors

The Sexual Life of Our Time in Its Relations to Modern Civilization; In Two Volumes Iwan Bloch, 2023-09-22 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

The Oxford Handbook of the History of Crime and Criminal Justice Paul Knepper, Anja Johansen, 2016 The Oxford Handbook of the History of Crime and Criminal Justice provides a systematic and comprehensive examination of recent developments across criminology and criminal justice

Chapters examine methodological and theoretical approaches to criminology on going debates and controversies and contemporary issues such as drug trafficking terrorism and the intersections of gender race and class in the context of crime and punishment

Sex and the City Philip Hubbard, 2019-06-04 This title was first published in 2000 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private sites are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities

Third Sector Organizations in Sex Work and Prostitution Isabel Crowhurst, Susan Dewey, Chimaraoke Izugbara, 2021-03-30 Third Sector Organizations in Sex Work and Prostitution is about sex work and prostitution third sector organizations TSOs non governmental and non profit organizations that provide support services to and advocate for the well being of people operating in the sex industries With a focus on three vast and extremely diverse regions Africa the Americas and Europe this book provides a unique vantage point that shows how interlinked these organizations histories and configurations are TSOs are fascinating research sites because they operate as zones of contestation which translate their understandings of sex work and prostitution into different support practices and advocacy initiatives This book reveals that these organizations are not external to normative power but participate in it and are subject to it conditioning how they can exist who they can reach out to where and what they can achieve Third Sector Organizations in Sex Work and Prostitution is a resource for scholars policymakers and activists involved in research on and work with third sector organizations in the fields of sex work and prostitution gender and sexuality and human rights among others

The Lifework of a Labor Historian: Essays in Honor of Marcel van der Linden , 2018-10-16 The Life Work of a Labor Historian Essays in Honor of Marcel van der Linden eds Ulbe Bosma and Karin Hofmeester presents the latest developments in the history of labor and capitalism As part of Global Labor History Jan Lucassen Magaly Rodrigues Garcia Sidney Chalhoub and Willem van Schendel discuss new concepts of work and workers including sex workers slaves in Brazil and voluntary communal laborers in North East India while Andreas Eckert shows the relevance of area studies Jürgen Kocka presents a history of capitalism and its critics to date Pepijn Brandon analyzes Marx's ideas on the link between free and coerced labor and Jan Breman looks at the effects of capitalism on rural solidarity through the lens of Tocqueville

The Subject of Prostitution Jane Scouler, 2015-12-22 The Subject of Prostitution offers a distinctive analysis of the links between prostitution and social theory in order to advance a critical analysis of the relationship of law to sex work Using the lens of social theory to disrupt fixed

meanings the book provides an advanced analytical framework through which to understand the complexity and contingencies of sex work in late modernity The book analyses contemporary citizenship discourse and the law's ability to meet the competing demands of empowerment by sex workers and protection by radical feminists who view prostitution as the epitome of patriarchal sexual and economic relations Its central focus is the role of law in both structuring and responding to the problem of prostitution By developing a distinctive constitutive approach to law the author offers a more advanced analytical framework from which to understand how law matters in contemporary debates and also suggests how law could matter in more imaginative justice reforms This is particularly pertinent in a period of unprecedented legal reform both internationally and nationally as legal norms simultaneously attempt to protect empower and criminalise parties involved in the purchase of sexual services The Subject of Prostitution aims to overcome the current aporia in these debates and suggest new ways to engage with the subject and law As such The Subject of Prostitution provides an advanced theoretical resource for policymakers researchers and activists involved in contemporary struggles over the meanings and place of sex work in late modernity

Report Philadelphia (Pa.). Committee on Municipal Charities,1913 *Street-Level Workers as Institutional Entrepreneurs* Olivia Mettang,2022-11-14 Introducing the institutional logics perspective to street level analysis this book examines how street level workers deal with the institutional logics that guide their organization whether they follow or challenge them While doing so the book develops a theoretical framework to study street level workers institutional agency within organizations from different institutional backgrounds The book conceptualizes street level workers as institutional entrepreneurs and presents an original process model to capture deinstitutionalization efforts in street level discourse This ordinal model accounts for embedded agency and institutional entrepreneurship as well as for more gradual moves towards deinstitutionalization through the hybridization of institutional logics The author tests the model empirically using interview data and discusses how street level workers diverge from the institutional logic of their organization in almost two thirds of their statements indicating a tendency towards institutional entrepreneurship The book finally combines two literature strands institutionalism and implementation research showing how street level workers may be perceived as institutional entrepreneurs This book will appeal to students scholars and researchers of political science public policy public administration and organizational studies as well as to practitioners and policy makers interested in a better understanding of institutional entrepreneurs street work and the institutional logics perspective

The Routledge Research Companion to Geographies of Sex and Sexualities Gavin Brown, Kath Browne, 2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the field in the decades to come

Global Sex Workers Kamala Kempadoo, Jo Doezema, 2018-10-24 Global Sex Workers presents the personal experiences of sex workers around the world Drawing on their individual narratives it explores international struggles to uphold the rights of this often marginalized group

The Arena, 1909 **Journal of Social Hygiene**, 1916 Over There Maria Hohn, Seungsook Moon, 2010-11-30 Essays explore the social impact of Americas global network of military bases by examining interactions between U S soldiers and members of host communities in South Korea Japan Okinawa and West Germany

Gender Violence Laura L. O'Toole, Jessica R. Schiffman, Margie L. Kiter Edwards, 2007-08 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple 0s A Doomsday Reader brings together pronouncements edicts and scriptures written by prominent apocalyptic movements from a wide range of traditions and ideologies to offer an exceptional look into their belief systems Focused on attaining paradise millenarianism often anticipates great cosmic change While most think of religious belief as motivating such fervor Daniels comparative approach encompasses secular movements such as environmentalism

and the Montana Freeman and argues that such groups are often more political than religious in nature The book includes documents from groups such as the Branch Davidians the Order of the Solar Temple Heaven s Gate and white supremacists Each document is preceded by a substantive introduction placing the movement and its beliefs in context This important overview of contemporary politics of the End will remain a valuable resource long after the year 2000 has come and gone
