Identidades Sujetos Y Subjetividades:

Identidades, sujetos y subjetividades Leonor Arfuch, 2002 La cuestión de las identidades tan presente en la actualidad es abordada en este libro a partir de un original replanteo teórico que enfatiza su cualidad simbólica relacional e intersubjetiva y de penetrantes análisis de sus prácticas experiencias singulares del arte experiencias colectivas de la memoria desafíos de la diferencia sexual que muestran en su particularidad que la identidad no es algo dado que se tiene o se pierde sino una arena móvil de permanente confrontación y pugna hegemónica teórica cultural teórica y política *Identidades, sujetos y subjetividades*, 2010

Sujetos y subjetividades Oriana Bernasconi, Carla Fardella, Sebastián Rojas Navarro (editores), 2022-01-01 Durante su transcurso las ciencias sociales se han visto cautivadas una y otra vez por la pregunta acerca del sujeto y la subjetividad Ya sea que esta fascinación fuera motivada por un afán de comprensión de diferenciación de liberación o de intervención diversas autoras y autores se han detenido en la pregunta por el sujeto y los efectos que sus diversas composiciones provocan en la vida social De variados movimientos intelectuales y sociales hemos aprendido que el ser humano no es neutral Creerlo neutral y universal es de hecho lo que ha limitado su problematización Los mundos tecnocráticos pero también vergonzosamente desiguales y distópicos que vivimos nos demandan terminar con ese inmovilismo disfrazado de neutralidad Politics of Children in Latin American Cinema María Soledad Paz-MacKay, Omar Rodríguez, 2019-10-14 Politics of Children in Latin American Cinema explores the trend of portraying children and adolescents in a subjective adult constructed point of view in Latin American cinema This trend in which the filmmakers are able to express their own anxieties while subordinating the child's draws new political implications to these constructions of children's subjective character Chapters in this volume touch on intersectional historic contexts such as the Brazilian judicial system Mexico's youth protest Venezuelan social crisis the Southern Cone's post dictatorships and race and gender issues in Peru Ecuador and Argentina to elucidate these implications and how they affect child agency Contributors to this book argue for children's increased agency in film and in society as they analyze films in which children have more active roles These films mirror the shift toward filmmaking that emphasizes innovative narratives and aesthetic techniques that allow children to be portrayed as social commentators rather than passive figures Scholars of Latin American studies film studies history sociology race studies and gender studies will find this book particularly useful Pretérito imperfecto Leonor Arfuch, Gisela Catanzaro, 2008 *Identidades, sujetos, subjetividades* Gisela Catanzaro, Paola Di Cori, Mario Pecheny, 2021-08-03 La cuestión de las identidades tan presente en la actualidad es abordada en este libro a partir de un original replanteo teórico que enfatiza su cualidad simbólica relacional e intersubjetiva y de penetrantes análisis de sus prácticas experiencias singulares del arte experiencias colectivas de la memoria desafíos de la diferencia sexual que muestran en su particularidad que la identidad no es algo dado que se tiene o se pierde sino una arena móvil de permanente confrontación y pugna hegemónica teórica cultural teórica y política Leonor Arfuch es Doctora en Letras por la Universidad de Buenos Aires y profesora e

The Politics of Sexuality in Latin America Javier

Corrales, Mario Pecheny, 2010-05-24 The city of Buenos Aires has guaranteed all couples regardless of gender the right to register civil unions Mexico City has approved the Cohabitation Law which grants same sex couples marital rights identical to those of common law relationships between men and women Yet a gay man was murdered every two days in Latin America in 2005 and Brazil recently led the world in homophobic murders These facts illustrate the wide disparity in the treatment and rights of lesbian gay bisexual and transgender LGBT populations across the region The Politics of Sexuality in Latin America presents the first English language reader on LGBT politics in Latin America Representing a range of contemporary works by scholars activists analysts and politicians the chapters address LGBT issues in nations from Cuba to Argentina In their many findings two main themes emerge the struggle for LGBT rights has made significant inroads in the first decade of the twenty first century though not in every domain or every region and the advances made were slow in coming compared to other social movements The articles uncover the many obstacles that LGBT activists face in establishing new laws and breaking down societal barriers They identify perhaps the greatest roadblock in Latin American culture as an omnipresent system of heteronormativity wherein heterosexuality patriarchy gender hierarchies and economic structures are deeply rooted in nearly every level of society Along these lines the texts explore specific impediments including family dependence lack of public spaces job opportunities religious dictums personal security the complicated relationship between leftist political parties and LGBT movements in the region and the ever present closets which keep LGBT issues out of the public eye The volume also looks to the future of LGBT activism in Latin America in areas such as globalization changing demographics the role of NGOs and the rise of economic levels and education across societies which may aid in a greater awareness of LGBT politics and issues As the editors posit to be democratic in the truest sense of the word nations must recognize and address all segments of their populations

Psychoanalysis as Social and Political Discourse in Latin

America and the Caribbean Paola Bohórquez, Verónica Garibotto, 2022-06-16 This book offers a regional intersectional and

transnational perspective of psychoanalysis in Latin America and the Caribbean that illuminates psychoanalysis's role as social and political discourse through a collection of original interventions in the fields of psychoanalysis cultural studies psychology anthropology health sciences history and philosophy The authors contribute to discussions about the applicability of psychoanalytic concepts to reading Latin American and Caribbean sociopolitical phenomena as well as how these regionally specific dimensions challenge and transform traditional psychoanalytic notions Firstly the book offers a regional overview of psychoanalysis as a discourse that reflects on the imbrication between the psychic and the sociopolitical Secondly it showcases intersectional perspectives that illuminate psychoanalysis's potentials and limitations in addressing contemporary problematics around race gender sexuality and class Finally the book attests to the area's role in advancing psychoanalysis as a transnational discipline By providing both a balanced regional overview and an interdisciplinary perspective the volume will be essential for all psychoanalysts and scholars wanting to understand the place of psychoanalysis in Latin American and Caribbean discourse

Las identidades nacional populares Mauricio Schuttenberg, 2018-03-13 La asunción de Kirchner al gobierno nacional en 2003 trajo consigo la implementación de una política transversal que incluyó algunos movimientos piqueteros en sus filas y abrió un período signado por importantes cambios en las acciones y alineamientos de varias organizaciones Este libro estudia la evolución de tres de esas organizaciones el Movimiento Evita el Movimiento Libres del Sur y el Movimiento de Unidad Popular variantes de una identidad nacional popular que convergen y resignifican diversas tradiciones políticas El autor hace un recorrido por la historia de dichas organizaciones por las mutaciones internas que se produjeron ante distintas coyunturas y por la particular reconfiguración de esas identidades nacional populares proponiendo repensar en el contexto actual las formas de articulación entre las diversas identidades de izquierda y el peronismo

New Approaches to Latin American Studies Juan Poblete, 2025-05-30 *New Approaches to Latin American Studies Culture and Power Vol 2* provides an examination of the new and defining approaches that have emerged in the field of Latin American Studies in the last decade since 2014 Like its predecessor this second volume of *New Approaches to Latin American Studies* is organized using the concept of a turn as in linguistic or cultural turn and aims to help both students and faculty in an eminently interdisciplinary space like Latin American Studies find new ways of conceptualizing objects and research Original contributions from experts in their fields provide a discussion that is not meant to be fully comprehensive but concentrates instead on key authors and key texts In each chapter the keyword that defines the turn functions as a specific limit that contains the proliferation of references and connections restricting them to the trajectory of such turn This second volume includes 11 new chapters covering important transformations during the last decade on the issues perspectives and stakes of the field This book is an expert produced reliable and reader friendly orientation to the many new areas of research Latin American Studies now encompasses and evidence of the dynamism of this complex field

Music and Youth Culture in Latin America Pablo Vila, 2014-10-01 Music is one of the most distinctive cultural characteristics of Latin American countries But while many people in the United States and Europe are familiar with musical genres such as salsa merengue and reggaet n the musical manifestations that young people listen to in most Latin American countries are much more varied than these commercially successful ones that have entered the American and European markets Not only that the young people themselves often have little in common with the stereotypical image of them that exists in the American imagination Bridging this divide between perception and reality *Music and Youth Culture in Latin America* brings together contributors from throughout Latin America and the US to examine the ways in which music is used to advance identity claims in several Latin American countries and among Latinos in the US From young Latin American musicians who want to participate in the vibrant jazz scene of New York without losing their cultural roots to Peruvian rockers who sing in their native language Quechua for the same reasons to the young Cubans who use music to construct a post communist social identification this volume sheds new light on the complex ways in which music provides people from different countries and social sectors with both enjoyment and tools for understanding who they are in terms of nationality region race ethnicity class gender and migration status Drawing on a vast array of fields including popular music studies ethnomusicology sociology and history *Music and Youth Culture in Latin America* is an illuminating read for anyone interested in Latin American music culture and society

The Sexual History of the Global South Saskia Wieringa, Horacio Sívori, 2013-04-11 The *Sexual History of the Global South* explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance

Auto/Biography across the Americas Ricia A. Chansky, 2016-08-05 Auto biographical narratives of the Americas are marked by the underlying themes of movement and belonging This collection proposes that the impact of the historic or contemporary movement of peoples to in and from

the Americas whether chosen or forced motivates the ways in which identities are constructed in this contested space Such movement results in a cyclical quest to belong and to understand belonging that reverberates through narratives of the Americas The volume brings together essays written from diverse national cultural linguistic and disciplinary perspectives to trace these transnational motifs in life writing across the Americas Drawing on international scholars from the seemingly disparate regions of the Americas North America the Caribbean and Latin America this book extends critical theories of life writing beyond limiting national boundaries The scholarship included approaches narrative inquiry from the fields of literature linguistics history art history sociology anthropology political science pedagogy gender studies critical race studies and indigenous studies As a whole this volume advances discourse in auto biography studies life writing and identity studies by locating transnational themes in narratives of the Americas and placing them in international and interdisciplinary conversations

Memory and Transitional Justice in Argentina and Uruguay Francesca Lessa, 2013-04-11 This interdisciplinary study explores the interaction between memory and transitional justice in post dictatorship Argentina and Uruguay and develops a theoretical framework for bringing these two fields of study together through the concept of critical junctures

Subjects in Process Michael A. Peters, Alicia de Alba, 2015-10-23 Subjects in Process investigates the human subject in the first decade of the twenty first century in relation to changing social circumstances and belongings The concept of subjectivity in the Western tradition has focused on the figure of the autonomous self conscious and rooted individual This book develops a conception of the subject that is nomadic and fluid rather than grounded and complete Written from a perspective that takes account of globalisation and the pressures that it places upon individuals and communities this book draws upon Nietzsche and the post modern thinkers that followed him Arguing that a modern conception of the subject must be one based on cultural exchanges and transformations this book is sure to provide new insights for anyone concerned with or interested in the identity of the individual now and in the future

Miradas sobre la subjetividad Martínez Posada, Jorge Eliécer, Neira Sánchez, Fabio Orlando, 2009-07-30 Esta obra es la memoria del debate académico en torno al establecimiento de las diferentes formas de la subjetividad en la búsqueda de la constitución de subjetividades políticas altamente democráticas con sentido de solidaridad desde la escuela como uno de los escenarios de formación desde lo social en medio del conflicto desde lo pedagógico y sociológico desde las miradas sobre lo femenino y lo feminista desde las relaciones de poder entre política y la sociedad del control y de la locura en el presente

Identidades Sujetos Y Subjetividades Introduction

In today's digital age, the availability of Identidades Sujetos Y Subjetividades books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Identidades Sujetos Y Subjetividades books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Identidades Sujetos Y Subjetividades books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Identidades Sujetos Y Subjetividades versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Identidades Sujetos Y Subjetividades books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Identidades Sujetos Y Subjetividades books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Identidades Sujetos Y Subjetividades books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Identidades Sujetos Y Subjetividades books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Identidades Sujetos Y Subjetividades books and manuals for download and embark on your journey of knowledge?
