be deceiving and for the doctor's wife very nearly deadly. Now the motivations of the classic sociopath are plumbed with chilling accuracy by Ann Rule. Along with other shocking true cases, this worldwide headline-making case will have you turning pages in disbelief that a trusted medical professional could sink to the depths of greed, manipulation, and self-aggrandizement where even slow deliberate murder is not seen for what it truly is: pure evil. ***Bitter Harvest*** Ann Rule, 2023-02-28. Journeys inside the twisted mind of a killer: Dr. Debora Green, after the cancer specialist was arrested for the arson murders of two of her three children and the attempted poisoning of her estranged husband. ***In the Name of Love*** Ann Rule, 1998. From true cases in crime files. Written by a former Seattle policewoman. ***Without Pity*** Ann Rule, 2003-12. A collection of true crime tales selected from the author's Crime Files series is accompanied by three new cases that chronicle the crimes of seemingly ordinary men possessing a twisted obsession with violence and death. ***Empty Promises*** Ann Rule, 2001-03-09. MORE THAN 20 MILLION COPIES OF ANN RULE'S BOOKS IN PRINT. In this unnerving collection drawn from her personal crime files, America's best true crime writer Kirkus Reviews Ann Rule brilliantly dissects the convoluted love affairs that all too often end in violence. Expertly analyzing a shocking headline-making case, Rule unmask's the deadly motives inside a seemingly idyllic marriage: a beautiful young wife, a rising star in America's top-ranked computer corporation, and a prosperous husband, the scion of a family-building business. With an adorable son and a gorgeous home, the couple seemed to have it all. But a furtive evil permeated their days and nights, dragging them into a murky world of drugs, sordid sex, and con operations. In this realm, one of them would prove to be a virtual innocent, the other a manipulator with no conscience. Sudden violent death brought their charade of a fairy tale romance to a tragic end with a brutal crime that might never have come to light were it not for the stubborn detectives and prosecutors whose fight for justice spanned an entire decade. *Empty Promises* recounts several other cases where the search for love brought only lies and betrayal, a cautionary primer perhaps for those who trust too much, too soon. Powerful because they strike so close to home, the cases in *Empty Promises* will leave readers shaken by the realities of love gone terribly and fatally wrong.
