Fatal Fictions Alison L. LaCroix, Richard H. McAdams, Martha Craven Nussbaum, 2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain The essays in this collection span a wide

array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn't die when hanged a psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of Bigger Thomas a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature

The Bedford Guide for College Writers with Reader, Research Manual, and Handbook X. J. Kennedy, Dorothy M. Kennedy, Marcia F. Muth, 2011-01-06 With its process-oriented rhetoric provocative thematic reader up to date research manual and comprehensive handbook The Bedford Guide for College Writers gives your students the tools they need to succeed as writers all in one book Each of the book's four main components has been carefully developed to provide an engaging well-coordinated guide for student writers This edition's new more open design and sharper focus on active learning do even more to help students develop transferable skills The Bedford Guide for College Writers prepares students to be the confident resourceful and independent writers they will need to be

Shelby Foote Robert L. Phillips, 2009-09-29 Called the greatest Civil War historian Shelby Foote began his career as a novelist whose powerful works of fiction rose out of his closeness to life and culture in his native region the Mississippi Delta country Later in his career he transformed modern historical prose by his keen sense of the novel His artistic distance from the elements of regionalism that lie at the heart both of his novels and of his history writing gives his prose great narrative force This perceptive study fills the genuine need for a sound critical appreciation of Foote the novelist After he appeared as a sage commentator in the PBS series The Civil War the popular acclaim that catapulted Shelby Foote the historian to even greater eminence as an American oracle renewed much deserved interest in his novels and in critically rich assessments such as this one

The Classic Horror Stories H. P. Lovecraft, 2013-05-09 Loathsomeness waits and dreams in the deep and decay spreads over the tottering cities of men A time will come but I must not and cannot think H. P. Lovecraft 1890-1937 was a reclusive scribbler of horror stories for the American pulp magazines that specialized in Gothic and science fiction in the interwar years He often published in Weird Tales and has since become the key figure in the slippery genre of weird fiction Lovecraft developed an extraordinary vision of feeble men driven to the edge of sanity by glimpses of malign beings that have survived from human prehistory or by malevolent extra-terrestrial visitations The ornate language of his stories builds towards grotesque moments of revelation quite unlike any other writer This new selection brings together nine of his classic tales focusing on the Cthulhu Mythos a cycle of stories that develops the mythology of the Old Ones the monstrous creatures who predate human life on earth It includes the Introduction from Lovecraft's critical essay

Supernatural Horror in Literature in which he gave his own important definition of weird fiction In a fascinating contextual introduction Roger Luckhurst gives Lovecraft the attention he deserves as a writer who used pulp fiction to explore a remarkable philosophy that shockingly dethrones the mastery of man

Student Writing in the Quantitative

Disciplines Patrick Bahls, 2012-03-06 Designing interesting problems and writing assignments is one of the chief tasks of all teachers but it can be especially challenging to translate and apply learning theory good teaching techniques and writing assignments into STEM and other quantitative disciplines Student Writing in the Quantitative Disciplines offers instructors in math based disciplines meaningful approaches to making their coursework richer and more relevant for their students as well as satisfying institutional imperatives for writing curricula This important resource provides instructors with the hands on skills needed to guide their students in writing well in quantitative courses at all levels of the college curriculum and to promote students general cognitive and intellectual growth Comprehensive in scope the book includes Ideas for using writing as a means of learning mathematical concepts Illustrative examples of effective writing activities and assignments in a number of different genres Assessment criteria and effective strategies for responding to students writing Examples of ways to help students engage in peer review revision and resubmission of their written work Those of us who spend our lives urging faculty in all disciplines to integrate more writing into their courses have wished for the day when someone like Patrick Bahls would step forward with a book like this one Chris M Anson University Distinguished Professor and director Campus Writing and Speaking Program North Carolina State University Written by a mathematician this readable theoretically sound book describes practical strategies for teachers in the quantitative sciences to assign and respond to students writing It also describes numerous approaches to writing that engage students in disciplinary learning collaborative discovery and effective communication Art Young Campbell Professor of English emeritus Clemson University Loaded with practical advice this timely important and engaging book will be an invaluable resource for instructors wishing to bring the benefits of writing to learn to the quantitative disciplines As a mathematician thoroughly grounded in writing across the curriculum scholarship Bahls brings humor classroom experience and pedagogical savvy to a mission he clearly loves improving the quality of student learning in math and science John C Bean professor Seattle University and author Engaging Ideas

Garifuna Folktales Jessie Castillo, 1994

H.G. Wells and All Things Russian Galya Diment, 2019-07-26

H G Wells and All Things Russian is a fertile terrain for research and this volume will be the first to devote itself entirely to the theme Wells was an astute student of Russian literature culture and history and the Russians in turn became eager students of Wells s views and works During the Soviet years in fact no significant foreign author was safer for Soviet critics to praise than H G Wells The reason was obvious He had met and largely approved of Lenin was a close friend of the Soviet literary giant Maxim Gorky and in general expressed much respect for Russia s evolving Communist experiment even after it fell into Stalin s hands While Wells s attitude towards the Soviet Union was nevertheless often ambivalent there is definitely nothing

ambiguous about the tremendous influence his works had on Russian literary and cultural life Hearings United States. Congress. Senate. Committee on Appropriations,1972 **Hearings, Reports and Prints of the Senate Committee on Appropriations** United States. Congress. Senate. Committee on Appropriations,1972 **The Dial** Francis Fisher Browne,Waldo Ralph Browne,Scofield Thayer,1919 **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,L.W. Conolly,2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Heroes and Saints** Paul May,2018-03-12 This book is something of a pictorial autobiography containing portraits of the figures that have shaped my life Winston Churchill Bobby Charlton Louis Armstrong Dexter Gordon Ray Eames Piet Mondrian Richard Avedon Carson James Baldwin John Steinbeck George Orwell Le Corbusier John F Kennedy Marlon Brando Martin Luther King Muddy Waters Charles Mingus Mose Allison Woody Guthrie Edith Piaf Mo Farrer and Barack Obama amongst many others
