W. Van Riper,2013-11-26 Oh no the anguished cry rang out For a sister and her brothers it was terrible news of a death in the family the death that left them dumbfounded Broken hearted here they were a grand family suddenly bereft of a great part It made no sense Sorry to inform you the awful words struck like a thunderbolt Mom and dad had crashed on their vacation trip So unfair so unreal so jarring so final All the siblings could think of was how much love was lost to them Their parents were the linchpins they were the finest they were the most revered At a loss due to a loss So much love and affection was denied them in an unpredictable moment What was to become of them Mom with her daily wisdom Dad with his usual counsel Mom with her laugh Dad with his wry humor Mom with her catering and caring Dad with his hugs and counsel What will they do without them The sister and her husband the brothers and their wives succumbed to the pain weakening them Where would the strength come from that was required to survive such a tragedy When ravaged by happenstance What holds the family together when hope and promise lose some of their dash In the moments of crisis inevitably people are hanging on by hanging tough That courage comes from their heritage which is the real force the saving grace Its not just what they have inherited in family lore but the bond that ties endowment and legacy together in a triumvirate that can spark the spirit Haunting Memories says something about how desire can influence perception by allowing or causing us to see what we want to see We wonder when theyre gone Did we do enough for them Did we express our love and affection often enough Were we good to them We arent going to be able to answer yes to all such questions without some reservation Because were never going to think weve done all that we could have or should have done for our loved ones We cant get our minds off them We cant let them go We want them back But we cant have them back They are where they are And we cant get there from here The Bond - II Tom Halvorson,2009-07 The epic journey continues Briana must now face Darkness alone With no one left to help her she must do what she can to overcome her greatest fears or fall to become what we fear the most With only one move left to make can

she hold on until the Merger is complete In a daring attempt to counter the overwhelming odds Briana has sent Devin to a barren world in search of something that will help him in the coming battle against the undead armada of Hell Time is running out as the clutches of evil slowly close in around him With the help of the former demon Uriah can they find the means to balance the odds Now with Alterra eliminated the remnant forces desperately gather to try and stop the evil ships as they head for their final destination Earth But will it be enough As the merging worlds draw closer together so looms the eternal shadow of doom Follow the continuing adventures as the clash between Heaven and Hell continues on the doorstep of our own world The fate of creation rests in the hands of those who carry the light For if Devin does not find his love then all will be shrouded in darkness forever Who will he chose Who will be the one to form the Bond that will save us all
